Published by Authority.

TUESDAY, JULY 25, 1848.

AT the Court at *Buckingham-Palace*, the 27th day of *June* 1848,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of June, in the year one thousand eight hundred and forty-eight, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for authorizing the sale of certain property formerly belonging to the prebend of Sawley, in the cathedral church of Lichfield, and now vested in us.

"Whereas it is by the said Act (amongst other things) enacted, that notwithstanding the charge by that Act created (being a charge created in favour of the Governors of the Bounty of Queen Anne), all the same and the like powers and

rights of ownership as are possessed and enjoyed respecting and over any lands, tenements or other hereditaments whatsoever, by any absolute owner thereof, shall be enjoyed by us with respect to and over all or any lands, tithes, rent charges, tenements or other hereditaments vested in us under certain Acts therein mentioned (being the Acts under which the property hereinafter described is vested in us), and may, subject to the provisions of the same Acts and of the now reciting Act, be exercised by us, by proper instruments in writing duly executed according to law, with a certain proviso respecting the application of every sum of money received as the consideration or purchase money for the sale, transfer and conveyance by us of any of such lands, tithes, tenements or other hereditaments, or of any estate or interest therein, and with a further proviso, that none of such lands, tithes, tenements or other hereditaments be sold, transferred or conveyed, except by the authority of a scheme, and an Order issued by your Majesty in Council ratifying the same:

"And whereas all the lands, tenements, hereditaments and endowments (except any right of patronage), formerly belonging to the said prebend of Sawley, became vested in us on the vacancy of the said prebend, subject to any subsisting lease or leases thereof:

"And whereas application has been made to us for the purchase of all our estate and interest in certain portions of the said lands, tenements and hereditaments; and after due consideration it appears to us to be expedient, that we should be

empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable :

“ We, therefore, humbly recommend and propose, that we may be authorized and empowered, by deed or deeds duly executed under our common seal, from time to time to sell and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements and hereditaments (except as aforesaid) heretofore belonging to the said prebend of Sawley, with their appurtenances, and all our estate, right, title and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

*Wm. L. Bathurst.*

AT the Court at *Buckingham-Palace*, the 27th day of *June* 1848.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled “ An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues and patronage,” and of another Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth

“ report of the Commissioners of Ecclesiastical Duties and Revenues,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of June, in the year one thousand eight hundred and forty-eight, in the words following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled “ An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues and patronage,” and of another Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for determining the spiritual jurisdiction in and over the parish and church of Abbot's Leigh, in the county of Somerset.

“ Whereas, under the authority of the said recited Acts, we prepared and laid before your Majesty in Council a scheme, bearing date the twentieth day of July, in the year one thousand eight hundred and forty-seven, for newly arranging the rural deanries within the archdeaconry of Bath, and for abolishing peculiar and exempt jurisdictions in the diocese of Bath and Wells, in which we recommended and proposed, that the rural deanry, then styled the rural deanry of Redcliffe and Bedminster, should be named the rural deanry of Chew, and that such rural deanry should thenceforth comprise and consist of the several parishes and districts mentioned and set under or against the name of such rural deanry, as the same are respectively set forth in the schedule thereunto annexed; and the said scheme was ratified by an Order of your Majesty in Council, bearing date the twenty-second day of the same month of July, which Order has since been duly gazetted :

“ And whereas the said schedule contains the name of the parish and church of Abbot's Leigh, as forming part of the said rural deanry of Chew, and of the archdeaconry of Bath; but the said parish and church had theretofore been and then was in the diocese of Gloucester and Bristol and subject to the jurisdiction of the bishop thereof; and the consent of the said bishop was not given to the said scheme, and such jurisdiction could not therefore be legally transferred thereby or by the said Order in Council :

“ Now, therefore, for the purpose of removing any doubts respecting the spiritual jurisdiction in and over the said parish and church of Abbot's Leigh, we humbly recommend and propose, that it be hereby declared, that, notwithstanding any thing contained in the said scheme and Order of

your Majesty in Council, the said parish and church of Abbot's Leigh is included in and forms part of the said diocese of Gloucester and Bristol, and of the archdeaconry and deanry of Bristol."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrars of the several registries of the dioceses of Bath and Wells, and Gloucester and Bristol.
