CONTRACTS for SALT BEEF and PORK, of the CURE of the UNITED KINGDOM, or of any FOREIGN COUNTRY WHATSOEVER.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, August 5, 1848.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Thursday the 28th September next, at one o'clock, they will be ready to treat with such persons as may be willing to contract for the supply of a quantity of

SALT MEAT,

Of the Cure of the United Kingdom, or of any Foreign Country whatsoever, equal to 6,000 Tierces of Navy Beef, and 12,000 Tierces of Navy Pork,

(in separate tenders), all to be cured in the ensuing season; their Lordships reserving to themselves the power, when the tenders are opened, of contracting either for the whole, or for such part thereof only as they may deem fit, or of not contracting for any part; and also an unlimited power of selection, according to quality.

Every tender, both for beef and pork, to specify where the meat is intended to be cured, and a separate price for each denomination of cure comprised therein.

Three fourths of the beef and pork to be delivered in tierces, and one fourth in barrels, into Her Majesty's Victualling Stores at Deptford, Portsmouth, Plymouth, and Haulbowline, in such proportions as shall hereafter be directed, and within the following periods:

Pork, one third on or before the 31st March 1849, and two thirds on or before the 31st May 1849;

and to be paid for by bills payable at sight, but not during the first period of delivery, for any quantities beyond those specified.

"Forasmuch as this Court was this present day informed by Mr. Glasse, of Counsel for the plaintiff, that the plaintiff filed his bill in this Court against the defendants, and took out process of subpoena against the defendant, Richard William Benn, on the 1st day of June and the 26th day of July last, requiring him to appear to and answer the plaintiff's bill; that it appears by the affidavits of the above-named plaintiff, and of James Wells Taylor, William Shipston, John Gwyn Middleton Wigley, Arthur Parsons, and Edward Hoare, that the said defendant, Richard William Benn, has been within the jurisdiction of this Court at some time not more than two years before the subpoenas issued; and that, upon enquiry at his last known place of abode, and at another place where, at the time when the subpoenas issued, he might probably have been met with, he could not be found so as to be served with process, and that there is just ground to believe that the said defendant, Richard William Benn, is keeping out of the way or otherwise absconding to avoid being served with process; it is therefore ordered, that the defendant do appear to the plaintiff's bill on or before the 1st day of September next; and it is ordered, that the plaintiff do cause a copy of this Order, together with the notice pursuant to the General Order of this Court in that behalf, to be inserted in the London Gazette of the 15th day of August now instant, and in the Times Newspaper published in London, and the Nottingham Mercury Newspaper published in Nottinghamshire, on or before the 16th day of August now instant."

Notice.—Richard William Benn, take notice, that if you do not appear pursuant to the above Order, the plaintiff may enter an appearance for you, and the Court may afterwards grant to the plaintiff such relief as he may appear to be entitled to on his own shewing.
