

We then made the best of our way across towards the Spanish coast, and, thanks to Providence, we were picked up by the brig Dawn, at midnight, otherwise the boat must have been swamped before morning, owing to her being so deep with all the ship's company and sundries.

I beg you will transmit this information to the authorities, and probably they'll look after the vessel.

I remain, &c.
(Signed) JAMES H. FORSTER,
Master.
