PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by a certain Act of Parliament, made in the session of Parliament holden in the eighth and ninth years of the reign of Her

present Majesty, intituled "An Act to regulate the trade of the British possessions abroad," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, by any Order or Orders in Council to be issued from time to time, to give such directions and make such regulations touching the trade and commerce to and from any British possession on or near the continent of Europe, or within the Mediterranean Sea, or in Africa, or within the limits of the East India Company's charter (excepting the possessions of the said Company), as to Her Majesty in Council shall appear most expedient and salutary.

And whereas, Her Majesty, with the advice of Her Privy Council doth deem it expedient and salutary to make the several regulations herein-after contained touching the trade and commerce of Her Majesty's colony of Sierra Leone.

1st. Now, therefore, Her Majesty, with the advice of Her Privy Council, and in pursuance and exercise of the power so vested in Her, as aforesaid, by the said recited Act of Parliament, doth order, and it is hereby ordered, that the several sorts of goods enumerated or described in the table following, denominated "a Table of Prohibitions and Restrictions," are hereby prohibited to be imported or brought into the said colony, or shall be so imported or brought only under the restrictions mentioned in such table, according as the several sorts of such goods are set forth therein, that is to say:

A Table of Prohibitions and Restrictions.

Gunpowder, arms, ammunition, or utensils of war; Prohibited to be imported, to be used therein except from the United Kingdom, or from some other British possession; but such articles may, nevertheless, be imported in any vessels which may legally trade with the British possessions on the western coast of Africa for the purpose of being warehoused at the port of Free Town for exportation only.

Articles of foreign manufacture, and any packages of such articles, bearing any names, brands, or marks purporting to be the names, brands, or marks of manufacturers resident in the United Kingdom;

Base or counterfeit coin;

Books, first composed or written or printed and published in the United Kingdom wherein the copyright shall be subsisting, and printed or reprinted in any other country, as to which the proprietor of such copyright or his agent shall have given to the Commissioners of Customs a notice in writing that such copyright subsists, such notice also stating when such copyright will expire; Prohibited to be imported.

2. And if any goods shall be imported or brought into the said colony, contrary to any of the prohibitions or restrictions mentioned in such table in respect of such goods, the same shall be forfeited; and if the ship or vessel in which such goods shall be imported be of less burthen than sixty tons, such ship or vessel shall be forfeited.

3. And whereas it is expedient to extend certain of the provisions of the hereinbefore mentioned Act, of the 8th and 9th years of the reign of Her present Majesty to the said colony, now therefore Her Majesty with the advice of Her Privy Council and in further pursuance and exercise of the powers so vested in Her as aforesaid, by the said Act of Parliament, doth order, and it is hereby ordered, that no goods shall be imported into, nor shall any goods be exported from the said colony, by sea, from or to any place other than the

United Kingdom or some other British possession, except into or from the port of Free Town or such other port or ports within the said colony as may be hereafter declared by Her Majesty in Council to be fit for such importation and exportation; and if any goods shall be imported into the said colony, contrary hereto, such goods shall be forfeited.

4. And it is hereby further ordered that goods of any sort, or the produce of any place, not otherwise prohibited than by the Law of Navigation, may be imported into the said port of Free Town, in the said colony, from any place in a British ship, and from any place, not being a British possession in a foreign ship of any country and however navigated, to be warehoused for exportation only, under the provisions of this order, or of any law in force, for the time being, made for the warehousing of goods; provided always, and it is hereby ordered that it shall be declared upon the entry of such goods that they are entered for exportation only.

5. And it is hereby further ordered, that the master of every ship arriving at any port in the said colony or its dependencies, whether laden or in ballast, shall come directly, and before bulk be broken, to the Custom House at the port of Free Town, and there make a report, in writing, to the collector or other proper officer, of the arrival and voyage of such ship, stating her name, country, and tonnage, and, if British, the port of registry, the name and country of the master, the country of the owners, the number of the crew, and how many are of the country of such ship, and whether she be laden or in ballast, and if laden, the marks, numbers, and contents of every package and parcel of goods on board, and where the same was laden, and where and to whom consigned, and where any and what goods, if any, had been unladen during the voyage as far as any such particulars can be known to him; and the master shall further answer all such questions concerning the ship and cargo and the crew and the voyage, as shall be demanded of him by such officer; and if any goods be unladen from any ship before such report be made, or if the master fail to make such report, or make an untrue report, or do not truly answer the questions demanded of him, he shall forfeit the sum of one hundred pounds, and if any goods be not reported such goods shall be forfeited.

6. And it is hereby further ordered, that no goods shall be laden, or water-borne to be laden, on board any ship, or unladen from any ship in the said colony, until due entry shall have been made of such goods and warrant granted for the lading or unlading of the same, and the person entering any such goods shall deliver to the Collector of the Customs or other proper officer, a Bill of the entry thereof, fairly written in words at length, containing the name of the exporter or importer and of the ship and of the master and of the place to or from which bound, and of the place within the port where the goods are to be laden or unladen, and the particulars of the quality and quantity of the goods, and the packages containing the same, and the marks and numbers on the packages, and setting forth whether such goods be the produce of the British possessions or not, and shall also deliver at the same time one or more duplicates of such Bill, in which all sums and numbers may be expressed in figures, and the particulars to be contained in such Bill of entry, shall be written and arranged in such form and manner, and the number of such duplicates shall be such as the collector or other principal officer shall require.

7. And it is hereby further ordered, that the master of every ship bound from the said colony, shall before any goods be laden therein, deliver to the collector or comptroller, or other proper officer of customs, an entry outwards, under his hand, of the destination of such ship, stating her name, country, and tonnage, and, if British, the port of registry, the name and country of the master, the country of the owners, the number of the crew, and how many are of the country of such ship; and if any goods be laden on board any ship before such entry be made, the master of such ship shall forfeit the sum of fifty pounds; and before such ship depart, the master shall bring and deliver to the collector and comptroller, or other proper officer, a content in writing, under his hand, of the goods laden, and the names of the respective shippers and consignees of the goods, with the marks and numbers of the packages or parcels of the same, and shall make and subscribe a declaration to the truth of such content, as far as any such particulars can be known to him; and the master of every ship bound from any such possession, whether in ballast or laden, shall, before departure, come in before the collector or comptroller, or other proper officer, and answer all such questions concerning the ship and the cargo, if any, and the crew, and the voyage, as shall be demanded of him by such officer; and thereupon the collector, or other proper officer, if such ship be laden, shall make out and give to the master a certificate of the clearance of such ship for her intended voyage, containing an account of the total quantities of the several sorts of goods laden therein, or a certificate of her clearance in ballast, as the case may be; and if the ship shall depart without such clearance, or if the master shall deliver a false content, or shall not truly answer the questions demanded of him, he shall forfeit the sum of one hundred pounds.

8. And it is hereby further ordered, that no entry, nor any warrant for the landing of any goods, or for the taking of any goods out of any warehouse, shall be deemed valid, unless the particulars of the goods and packages in such entry shall correspond with the particulars of the goods and packages purporting to be the same in the report of the ship, nor unless the goods shall have been properly described in such entry, by the denominations and with the characters and circumstances according to which such goods may be imported; and any such goods taken or delivered out of any ship, or out of any warehouse, by virtue of any entry or warrant not corresponding or agreeing in all respects, or not properly describing the same, shall be deemed to be goods landed or taken without due entry thereof, and shall be forfeited.

9. And whereas it is expedient to constitute and appoint the port of Free Town to be a free warehousing port for all such goods as may be legally imported under this order, it is therefore hereby ordered that the port of Free Town shall be a free warehousing port for all the purposes mentioned in this order.

10. And whereas it is necessary to make regulations for the appointing proper warehouses at the Port of Free Town, and for the lodging and securing therein of such goods as may be imported under this Order, it is hereby further ordered, that it shall be lawful for the Collector of Customs at the said port, with the assent of the Governor by notice in writing under his hand, to appoint from time to time such warehouses at that port as shall be approved of by him, for the free warehousing and securing of goods therein for

the purposes of this Order, and also in such notice to declare what sorts of goods may be so warehoused, and also by like notice to revoke or alter any such appointment or declaration.

Provided always, that every such notice shall be transmitted to the Governor or Lieutenant-Governor of the said colony, and shall be published in such manner as he shall direct.

11. And it is hereby further ordered, that it shall be lawful for the importer of any such goods as aforesaid into the port of Free Town, to warehouse the same in the warehouses so appointed, subject nevertheless to the rules, regulations, restrictions, and conditions hereinafter contained.

12. And it is hereby further ordered, that all goods so warehoused, shall be stowed in such parts or divisions of the warehouse, and in such manner as the collector shall direct, and that the warehouses shall be locked and secured in such manner, and shall be opened and visited only at such times, and in the presence of such officers, and under such rules and regulations as the collector shall direct; and that all such goods shall, after being landed upon importation, be carried to the warehouse, or shall, after being taken out of the warehouse for exportation, be carried to be shipped, under such rules and regulations as the collector shall direct.

13. And it is hereby further ordered, that if any goods which have been entered to be warehoused under the provisions of this Order shall not be duly carried into and deposited in the warehouse, or shall afterwards be taken out of the warehouse without due entry and clearance, or having been entered and cleared for exportation from the warehouse, shall not be duly carried and shipped, or shall afterwards be reloaded, except with the permission of the proper Officer of the Customs, such goods shall be forfeited.

14. And it is hereby further ordered, that upon the entry and landing of any goods to be warehoused under the provisions of this Order, the proper Officer of the Customs shall take a particular account of the same, and shall mark the contents on each package, and shall enter the same in a book to be kept for that purpose; and no goods which have been so warehoused shall be taken or delivered from the warehouses, except upon due entry and under the care of the proper officers.

15. And it is hereby further ordered, that it shall be lawful for the collector, under such regulations as he shall see fit, to permit moderate samples to be taken of any goods so warehoused.

16. And it is hereby further ordered, that it shall be lawful for the collector, under such regulations as he shall see fit, to permit the proprietor or other person having control over the goods so warehoused to sort, separate, pack, and repack any such goods, and to make such lawful alterations therein, or arrangements and assortments thereof, as may be necessary for the preservation of such goods, or in order to the sale, shipment, or legal disposal of the same; and also to permit any parts of such goods so separated to be destroyed.

17. And it is hereby further ordered, that all goods which have been so warehoused or rewarehoused under the provisions of this Order shall be duly cleared for exportation, or otherwise accounted for within two years from the day of first entry for the warehousing thereof; and if any such goods be not so cleared, it shall be lawful for the collector to cause the same to be sold, and the produce shall be applied, first, to the payment of warehouse rent and other charges, and the overplus (if any) shall be paid to the proprietor;

Provided always, that it shall be lawful for the

collector to grant further time for any such goods to remain warehoused if he shall see fit so to do.

18. And it is hereby further ordered, that upon the entry outwards of any goods to be exported from the warehouse under the provisions of this Order, the person entering the same shall give security by bond, in double the value of such goods, with two sufficient sureties, to be approved of by the collector, that the same shall be landed at the place for which they be entered outwards, or be otherwise accounted for to the satisfaction of the collector.

19. And it is hereby further ordered, that it shall be lawful to reimport into the port of Free Town any goods which shall have been legally exported therefrom to any place on the western coast of Africa, and to enter the same by bill of store, referring to the entry outwards and exportation thereof, provided the property in such goods continue in the person by whom or on whose account the same have been exported, and that such reimportation take place within six years from the date of the exportation.

20. And it is hereby further ordered, that the person in whose name any goods so reimported were entered for exportation, shall deliver to the collector or other proper officer of the customs, an exact account signed by him of the particulars of such goods, referring to the entry and clearance outwards and to the return inwards of the same, with the marks and numbers of the packages both inwards and outwards, and thereupon the said officer finding that such goods had been legally exported, shall grant a bill of store for the same; and if the person in whose name such goods were entered for exportation was not the proprietor thereof, but his agent, he shall declare on such bill of store the name of the person by whom he was employed as such agent; and if the person to whom such returned goods are consigned shall not be such proprietor and exporter, he shall make and subscribe a declaration on such bill of store, of the name of the person for whose use such goods have been consigned to him, and the real proprietor ascertained to be such shall make and subscribe a declaration upon such bill of store to the identity of the goods so exported and so returned, and that he was at the time of exportation and of re-importation, the proprietor of such goods, and that the same had not during such time been sold or disposed of to any other person, and such declaration shall be made before the collector or other proper officer at the port of Free Town, and thereupon the said officer shall admit such goods to entry by bill of store, and grant his warrant accordingly;

Provided always, that where the real proprietor of any such goods shall be absent from the said colony, at the time of such re-importation, such goods if legally entitled to be entered by bill of store, shall be permitted to be so entered upon production of a declaration subscribed by such real proprietor, setting forth the identity of the goods so exported and so returned, and that he was at the time of exportation from the said colony, and will be at the time of re-importation thereinto the proprietor of such goods, and that the same have not during such time been sold or disposed of to any other person, such declaration to be made before a collector of customs, or before a British Consul, Vice Consul or other British authority residing in or near the place of residence of such real proprietor, and upon such further proof of the identity of the goods as the collector of customs shall require, and upon compliance with all the other regulations required by law on the entry of goods by bill of store.

21. And it is hereby further ordered, that all vessels, boats, carriages, and cattle, made use of in the removal of any goods liable to forfeiture under this Order, or under any Act or Order relating to the customs, or to trade, or navigation, shall be forfeited; and every person who shall assist or be otherwise concerned in the unshipping, landing, or removal, or in the harbouring of such goods, or to whose hands or possession the same shall knowingly come, shall forfeit the treble value thereof or the penalty of one hundred pounds, at the election of the officers of the customs, and the averment in any information or libel to be exhibited for the recovery of such penalty that the officer proceeding has elected to sue for, the sum mentioned in the information or libel shall be deemed sufficient proof of such election without any other or further evidence of such fact.

22. And it is hereby further ordered, that all goods and all ships, vessels and boats, and all carriages, and all cattle, liable to forfeiture under this order, or any order or Act relating to the customs or to trade or navigation, shall and may be seized and secured by any officer of the customs or navy, or by any person employed for that purpose, by or with the concurrence of the Commissioners of Her Majesty's Customs, and every person who shall in any way hinder, oppose, molest or obstruct any officer of the customs or navy, or any person so employed as aforesaid in the exercise of his office, or any person acting in his aid or assistance, shall for every such offence forfeit the sum of two hundred pounds.

23. And it is hereby further ordered, that if any officer of the customs, or any person duly employed for the prevention of smuggling, shall make any collusive seizure, or deliver up or make any agreement to deliver up or not to seize any vessel, boat, or goods liable to forfeiture under this order, or any Order or Act relating to the customs, or to trade or navigation, or shall take any bribe, recompence, gratuity or reward, for the neglect or non-performance of his duty, every such officer or other person shall forfeit for every such offence the sum of five hundred pounds, and be rendered incapable of serving Her Majesty in any office whatever, and every person who shall give or offer or promise to give or procure to be given any bribe, recompence, or reward to, or shall make any collusive agreement with, any such officer or person as aforesaid, in the said colony, to induce him in any way to neglect his duty, or to do, or conceal, or connive at anything whereby the provisions of this Order or any Order or Act relating to the customs or to trade or navigation may be evaded, shall forfeit the sum of two hundred pounds.

24. And it is hereby further ordered, that all vessels, boats, goods, and other things, which shall have been, or shall hereafter be, seized as forfeited in the said colony under this Order or any Order or Act relating to the customs, or to trade or navigation, shall be deemed and taken to be condemned, and may be dealt with in the manner directed by law in respect to vessels, boats, goods, and other things seized and condemned for breach of any such Order or Act, unless the person from whom such vessel, boats, goods, and other things shall have been seized, or the owner of them or some person authorized by him shall, within one calendar month from the day of seizing the same, give Notice in writing to the person or persons seizing the same, or to the collector or other chief officer of the customs, at the port within the said colony where the same shall have been seized, that he claims the

vessel, boat, goods, or other things, or intends to claim them.

25. And it is hereby further ordered, that under the authority of a writ of assistance granted by the superior or supreme court of justice or court of vice-admiralty having jurisdiction in the said colony, which court or courts are hereby authorized and required to grant such writ of assistance, upon application made to them for that purpose by the principal officers of Her Majesty's customs, it shall be lawful for any officer of the customs, taking with him a peace officer, to enter any building or other place in the day-time, and to search for and seize and secure any goods liable to forfeiture under this Order, or any Order or Act relating to the customs or to trade or navigation, and in case of necessity to break open any doors and any chests or other packages for that purpose, and such writ of assistance when issued shall be deemed to be in force during the whole of the reign in which the same shall have been granted, and for twelve months from the conclusion of such reign.

26. And it is hereby further ordered that all things which shall be seized as being liable to forfeiture under this order, or any order or act relating to the customs, or to trade or navigation, shall be taken forthwith, and delivered into the custody of the collector of the customs at the port of Free Town, and after condemnation, he shall cause the same to be sold by public auction to the highest bidder.

27. And it is hereby further ordered, that all penalties and forfeitures which may have been heretofore, or may be hereafter incurred under this Order, or any Order or Act relating to the customs, or to trade or navigation, shall and may be prosecuted, sued for, and recovered, in any court of record or of vice-admiralty having jurisdiction in such colony.

28. And it is hereby further ordered, that if any goods or any ship or vessel shall be seized as forfeited, under this Order, or any order or Act relating to the customs, or to trade or navigation, and detained, it shall be lawful for the judge or judges of any Court having jurisdiction, to try and determine such seizures, to order the delivery thereof on security by bond, with two sufficient sureties to be first approved by the collector of customs, to answer double the value of the same in case of condemnation, and such bond shall be taken to the use of Her Majesty, in the name of the collector or officer of the customs in whose custody the goods or the ship or vessel may be lodged, and such bond shall be delivered into and kept in the custody of such collector or officer, and in case the goods or the ship or vessel shall be condemned, the value thereof shall be paid into the hands of such collector or officer, who shall thereupon cancel such bond.

29. And it is hereby further ordered, that no suit shall be commenced for the recovery of any penalty or forfeiture under this Order, or any Order or Act relating to the customs, or to trade or navigation, except in the name of some superior officer of the customs, or of some officer of the navy, or of Her Majesty's Advocate or Attorney-General; and if a question shall arise whether any person is an officer of customs or of the navy, *vis à voce* evidence may be given of such fact, and shall be deemed legal and sufficient evidence.

30. And it is hereby ordered, that if any goods shall be seized for any cause of forfeiture under this order, and any dispute shall arise whether the same have been lawfully imported, or lawfully laden or exported, the proof thereof shall lie on

the owner or claimer of such goods, and not on the officer who shall seize or stop the same.

31. And it is hereby further ordered, that no claim to anything seized under this Order, or any Order or Act relating to the customs, or to trade or navigation, and returned into any of Her Majesty's courts for adjudication, shall be admitted, unless such claim be entered in the name of the owner, with his residence and occupation, nor unless oath to the property in such thing be made, by the owner, or by his attorney or agent, by whom such claim shall be entered to the best of his knowledge and belief, and every person making a false oath thereto shall be deemed guilty of a misdemeanor, and shall be liable to the pains and penalties to which persons are liable for a misdemeanor.

32. And it is hereby further ordered, that no person shall be admitted to enter a claim to anything seized, in pursuance of this Order, or any Order or Act relating to the Customs, or to trade or navigation, and prosecuted in the said colony, until sufficient security shall have been given in the court where such seizure is prosecuted, in a penalty not exceeding sixty pounds to answer and pay the costs occasioned by such claim, and in default of giving such security such things shall be adjudged to be forfeited, and shall be condemned.

33. And it is hereby further ordered, that, if upon any trial a question shall arise whether any person is an officer of the customs or navy, evidence of his having acted as such shall be deemed sufficient, and such person shall not be required to produce his commission or deputation unless sufficient proof shall be given to the contrary, and every such officer and any person acting in his aid or assistance shall be deemed a competent witness upon the trial of any suit or information on account of any seizure or penalty as aforesaid, notwithstanding such officer or other person may be entitled to the whole or any part of such seizure or penalty upon the conviction of the party charged in such suit or information.

34. And it is hereby further ordered, that no writ shall be sued out against nor a copy of any process served upon any officer of the customs or navy, or other person as aforesaid, for any thing done by him in pursuance of this Order or any Order or Act relating to the Customs or to trade or navigation or otherwise in the exercise of his office, until one calendar month after notice in writing shall have been delivered to him or left at his usual place of abode by the attorney or agent of the party who intends to sue out such writ or process, in which notice shall be clearly and explicitly contained, the cause of action, the name and place of abode of the person who is to bring such action, and the name and place of abode of the attorney or agent; and no evidence of any cause of action shall be produced except such as shall be stated in such notice; and in case the plaintiff shall not prove on the trial that such notice was given, the jury shall find for the defendant.

35. And it is hereby further ordered, that every such action shall be brought within three calendar months after the accrual of the causes of action, and the venue shall be laid and the cause tried in the place or district where the facts were committed, and the defendant may plead the general issue, and under it give the special matter in evidence; and whenever, in any such action, the plaintiff shall become nonsuited or shall discontinue the action, or if a verdict shall be found or judgment shall be given for the defendant, he shall be entitled to full costs of suit, and have such remedy for the same as any defendant can have in other cases where costs are given by law,

36. And it is hereby further ordered, that in case any information or suit shall be brought to trial, on account of any seizure made under this Order, or any Order or Act relating to the Customs, or to trade or navigation, and a verdict shall be found for the claimant thereof, and the Judge or Court before whom the cause shall have been tried, shall certify that there was probable cause of seizure, the claimant shall not be entitled to any costs of suit, nor shall the person who made such seizure be liable to any action, indictment, or other suit, or prosecution on account of such seizure; and if any action, indictment, or other suit or prosecution shall be brought to trial against any person, on account of such seizure, wherein a verdict shall be given against the defendant, the plaintiff shall not be entitled to recover, nor shall the defendant be liable for any fine, damages, or thing, beyond the things seized, or the value thereof.

37. And it is hereby further ordered, that it shall be lawful for such officer or other person as aforesaid, within one calendar month after such notice, to tender amends to the plaintiff or his agent, and to plead and tender in bar with or without other pleas, and if the jury shall find the amends tendered sufficient, they shall find for the defendant, and he shall be entitled to full costs of suit, in the same manner as if he had pleaded the general issue only:

Provided always, that it shall be lawful for such defendant, by leave of the Court wherein such action shall be brought, at any time before issue joined to pay money into Court as in other actions.

38. And it is hereby further ordered, that in any such action, if the Judge or Court before whom such action shall be tried, shall certify that the defendant or defendants in such action acted upon probable cause, then the plaintiff in such action shall not be entitled to more than twopence damages, nor to any costs of suit.

39. And it is hereby further ordered, that all penalties and forfeitures recovered in the said colony under this Order, or any Order or Act relating to the customs, or to trade, or navigation, other than colonial ordinances, shall be paid into the hands of the collector of Port Free Town and shall be divided, paid, and applied as follows (that is to say): after deducting the charges of prosecution from the produce thereof, one-third part of the net produce shall be paid into the hands of the collector of Her Majesty's customs at the port of Free Town for the use of Her Majesty, one-third part to the governor or lieutenant-governor of the said colony, and the other third part to the person who shall seize, inform, and sue for the same, excepting such seizures as shall be made at sea by the commanders or officers of Her Majesty's ships of war duly authorized to make seizures, one moiety of which seizures, and of the penalties and forfeitures recovered thereon, first deducting the charges of prosecution from the gross produce thereof, shall be paid as aforesaid to the collector of Her Majesty's customs, to and for the use of Her Majesty, and the other moiety to him or them who shall seize, inform, and sue for the same, any law, custom, or usage to the contrary notwithstanding, subject nevertheless to such distribution of the produce of the seizures so made at sea, as well with regard to the moiety hereinbefore granted to Her Majesty, as with regard to the other moiety given to the seizer or prosecutor as Her Majesty shall think fit to order and direct

by any Order or Orders in Council, or by any Proclamation or Proclamations to be made for that purpose.

40. And it is hereby further ordered, that all actions or suits for the recovery of any of the penalties or forfeitures imposed by this Order, or any Order or Act relating to the customs, or to trade, or navigation, may be commenced or prosecuted at any time within three years after the offence committed, by reason whereof such penalty or forfeiture shall be incurred, any law, usage, or custom to the contrary notwithstanding.

41. And it is hereby further ordered that no appeal shall be prosecuted from any decree or sentence of any of Her Majesty's courts in the said colony touching any penalty or forfeiture imposed by this Order or any Order or Act relating to the customs, or to trade or navigation, unless the inhibition shall be applied for and decreed within twelve months from the time when such decree or sentence was pronounced.

42. 43. And it is hereby further ordered, that it shall not be lawful for any person to re-export from the said colony to any foreign place, in any foreign ship, any coals, the produce of the United Kingdom, except upon payment of the duty to which such coals would be liable upon exportation from the United Kingdom to such foreign place, and that no coals shall be so shipped at any port or place in the said colony to be exported to any British place, until the exporter, or the master of the exporting vessel, shall have given bond, with one sufficient surety in double the value of the coals, that such coals shall not be landed at any foreign place.

45. And it is hereby further ordered, that all laws, bye-laws, usages, or customs, at this time, or which hereafter shall be in practice, or endeavoured or pretended to be in force or practice in the said colony which are in anywise repugnant to this Order, or to any Act of Parliament made or here-

47. And it is hereby further ordered, that the Governor, or the officer for the time being administering the government of the said colony, shall promulgate this present Order within one calendar month next after the receipt thereof by him, and this Order shall take effect from and after the date of such promulgation thereof as aforesaid, and not before.

TREASURY WARRANT.

WHEREAS by an Act passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the Duties of Postage," it is enacted, that it shall be lawful for the Commissioners of Her Majesty's Treasury from time to time, and at any time after the passing of that Act, by Warrant under their hands to alter and fix any of the rates of British postage or Inland postage payable by law on the transmission by the post, of Foreign or Colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weights to be contained in such Warrant, and from time to time by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof; and by Warrant as aforesaid, to appoint at what time the rates that might be payable were to be paid; and it is provided that the power thereby given to alter and fix rates of postage should extend to any increase, or reduction, or remission of postage.

And whereas by an Act passed in the eighth year of the reign of Her present Majesty, intituled "An Act for the better regulation of Colonial Posts," power is given to the said Commissioners from time to time by Warrant under their hands, to alter and fix any of the rates of Colonial postage payable by law for the transmission of letters by the post, and to subject the same to rates of postage according to the weight thereof in like manner as in the said first-mentioned Act is enacted in respect of British or Inland postage on Foreign or Colonial letters, and the power by the said last-mentioned Act given to alter and fix rates of postage, is declared to extend to any increase or reduction, or remission of postage.

And whereas by a Warrant under the hands of three of the Commissioners of Her Majesty's Treasury, dated the 8th day of March last, certain Packet and Inland rates of postage were fixed on letters transmitted by British packet-boats between a port in the United Kingdom and a port in British North America.

And whereas it is expedient that such rates should be repealed and that other rates should be established in lieu thereof.

Now, we the undersigned being three of the Commissioners of Her Majesty's Treasury, do in exercise of a power for this purpose, reserved to us in and by the said Warrant and of all other powers, enabling us in this behalf, by this Warrant under our hands, repeal, annul, and make void, so much of the said Warrant of the 8th day of March last, as relates to letters transmitted between a

port in the United Kingdom and a port in British North America, and the packet and inland rates of postage thereby fixed on such letters.

And we the said Commissioners do, in exercise of the powers reserved to us in and by the said recited Acts, and in and by the said Warrant, and of all other powers and authorities, enabling us in this behalf order and direct,—

That on every letter not exceeding half an ounce in weight, transmitted by the post between any place in the United Kingdom, and any port or place in Her Majesty's provinces of Canada, New Brunswick, Nova Scotia, and Prince Edward's Island, in British North America, the sea conveyance being by British packet-boats, there shall be charged and taken (in lieu of any rates of British or Colonial postage now payable by law on such letters) an uniform British rate of tenpence, and an uniform Colonial rate of twopence.

And that on every letter not exceeding half an ounce in weight transmitted by the post between any part of the United Kingdom and any port in Newfoundland, the sea-conveyance being by British packet-boats, there shall be charged and taken (in lieu of any rates of postage now payable by law on such letters) an uniform British rate of one shilling.

And we direct that on every letter not exceeding half an ounce in weight, transmitted by the post between Canada, New Brunswick, Nova Scotia, Prince Edward's Island or Newfoundland, land, and any of Her Majesty's Colonies or any foreign country through the United Kingdom (conveyed by British packet-boats between the United Kingdom and Canada, New Brunswick, Nova Scotia, Prince Edward's Island, or Newfoundland,) there shall be charged and taken (in lieu of any rates of British or Colonial postage, now payable by law on such letters,) the rates of postage hereinafter mentioned, (that is to say,) on every such letter posted in, or addressed to, any port or place in Canada, New Brunswick, Nova Scotia, and Prince Edward's Island, an uniform British rate of tenpence, and an uniform Colonial rate of twopence, for the conveyance of every such letter between the United Kingdom and any port or place in Canada, New Brunswick, Nova Scotia, and Prince Edward's Island. And on every such letter posted in or addressed to Newfoundland, an uniform British rate of one shilling for the conveyance of every such letter between the United Kingdom and Newfoundland. And on every such respective letter hereinafter in this clause mentioned, there shall be charged and taken, over and above any British or Colonial rates of postage, such a further or additional rate of British postage for the conveyance of every such letter, between the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and the colony or foreign country to or from which the same shall be forwarded, as shall from time to time be charged and payable for British postage on letters, not exceeding half an ounce in weight, posted or delivered at the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and transmitted direct between such port and such colony or foreign country.

And we direct that, on every letter transmitted, as is mentioned in this Warrant, exceeding half an ounce in weight, there shall be charged, taken, and paid progressive, and additional rates of postage as follows, (that is to say,)

On every letter exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every letter exceeding one ounce, and not exceeding two ounces in weight, four rates of postage.

On every letter exceeding two ounces and not exceeding three ounces in weight, six rates of postage.

And on every letter exceeding three ounces, and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces, there shall be charged and taken two additional rates of postage; and every fraction of an ounce above the weight of four ounces shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause, shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding half an ounce in weight.

And we direct that nothing herein contained shall be deemed or construed to alter or affect the rates of postage fixed by a Treasury Warrant bearing date the 9th day of May, 1843, on letters transmitted by the post between France or foreign countries or Her Majesty's Colonies via France and any part of Canada, New Brunswick, Nova Scotia, Prince Edward's Island, and Newfoundland, through the United Kingdom, which rates shall continue payable as if this Warrant had not been signed.

And we direct that nothing herein or in the said recited Warrant of the 8th day of March last contained, shall be deemed or construed to extend to any letters transmitted between the United Kingdom and the Provinces of Canada, New Brunswick, Nova Scotia, Prince Edward's Island, and Newfoundland, by private ships, which letters shall continue to be charged and chargeable with the same rates of postage as if this Warrant and the said Warrant of the 8th day of March last had not been signed.

And we direct that nothing herein or in the said Warrant of the 8th day of March last contained, shall be deemed or construed to annul, prejudice, or affect any of the exemptions and privileges granted by the said recited Acts or any Treasury Warrants which have been issued under the same Acts or either of them, or by an Act made and passed in the first year of the reign of Her present Majesty, intituled "An Act for the management of the Post Office;" and that all such exemptions and privileges shall remain in full force.

And we direct that the terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act passed in the fourth year of the reign of Her present Majesty.

And we further direct that this Warrant shall come into operation on the 15th day of April, 1849.

Provided lastly, and we hereby declare and direct that it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any three of them, by Warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby fixed or altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.

Whereas by virtue of an Order of Her Majesty's Most Honourable Privy Council, bearing date the 28th day of September 1848, the provisions of the "Nuisances Removal and Diseases Prevention Act, 1848," were put in force throughout the whole of Great Britain, for a period of six calendar months; and whereas the General Board of Health issued directions and regulations under the authority of the said Act; and whereas by an Order of the Lords of the Privy Council, bearing date the 27th day of March 1849, the provisions of the said Act were put in force for a further period of six calendar months from that date; and whereas doubts may exist as to the continuance of

the regulations of the General Board of Health previously issued under the Act, the General Board of Health have renewed the directions and regulations hereinafter set forth.

To the Guardians of the Poor of the several Unions and Parishes throughout England;

To the Councils and other Governing Bodies of Cities and Boroughs, Commissioners under Local Acts, the Surveyors of Highways, their Deputies and Assistants, the Trustees, County Surveyors and others, by Law entrusted with the care and management of the Streets and Public Ways and Places within the said Unions and Parishes.

To the Owners and Occupiers of Houses, Dwellings, Churches, Buildings, and Places of Assembly within the said Unions and Parishes and others having the care and ordering thereof;

And to all whom it may concern.

Whereas by the provisions of the "Nuisances Removal and Diseases Prevention Act, 1848," for the prevention of epidemic, endemic, and contagious diseases, and by virtue of an Order of the Lords of Her Majesty's Most Honourable Privy Council, bearing date the 27th day of March 1849, directing that the said provisions of the said Act be put in force throughout the whole of Great Britain, We the General Board of Health are authorized to issue such directions and regulations as the said Board shall think fit for the prevention (as far as possible) or mitigation of epidemic, endemic, or contagious diseases; and whereas by the said Act it is provided that the directions and regulations to be issued as aforesaid shall extend to all parts, or places, in which the said provisions of the said Act shall for the time being be in force, under the Order of Her Majesty's Privy Council, unless such directions or regulations shall be expressly confined to some of such parts or places, and then to such parts or places as in such directions and regulations shall be specified:

Now in exercise of the authority vested in us as aforesaid, We, the General Board of Health, do issue the directions and regulations hereinafter contained, to extend to all parts and places, within the several unions and parishes throughout England, and to all extra-parochial places adjoining to such unions or parishes, viz:—

I. We direct that all councils and other governing bodies of cities and boroughs, commissioners under local acts, surveyors, and district or assistant surveyors of highways, trustees, county surveyors, and others by law entrusted with the care and management of the streets and public ways and places, within the parts or places to which these directions and regulations extend, shall once at least in every twenty-four hours effectually cleanse all such of the streets, rows, lanes, mews, courts, alleys and passages, and public ways and places, under their respective care and management, as by the medical officer of the Guardians, or others authorised to superintend the execution of this direction and regulation, shall be certified in writing, to be in a state dangerous to health, or to require frequent and effectual cleansing by way of precaution against disease, and shall remove all filth, ordure and nuisances therefrom.

II. And where any such streets, rows, lanes, mews, courts, alleys, and any passages, public ways, or places, to which any houses or tenements adjoin, which have not been entrusted by law to the care or management of any council, commissioners, surveyors, trustees or others, have been

certified in writing, by such medical officer as aforesaid, to be in a state dangerous to health, or to require such frequent and effectual cleansing, we direct that every occupier of a house or tenement so adjoining, shall keep or cause to be kept sufficiently cleansed, at least once in every twenty-four hours, such part of the street, row, lane, mews, court, alley or passage, way or place as adjoins the house or tenement occupied by him.

And we direct that all such works of cleansing and removal of filth, ordure and nuisances as are required by these directions and regulations, shall be done in such manner by effectual washing or otherwise, and with the use of such fluids or substances for preventing the escape of noxious effluvia during the operation, as the medical officer of the Guardians or others authorized to superintend the execution of these directions and regulations shall think necessary and shall direct.

III. We do hereby authorize and require the said Guardians, by themselves or by their officers or persons employed under them in the administration of the laws for the relief of the poor, or by officers or persons specially appointed in this behalf, to superintend and see to the execution of the foregoing directions and regulations within their respective unions or parishes, and in any extra-parochial places adjoining thereto respectively.

IV. And further, where it shall appear that by want or neglect of the council of any city or borough Commissioners, Surveyors, Trustees, or others entrusted with the care and management as aforesaid, or by reason of poverty of the occupiers or otherwise, there may be any default or delay in the cleansing of or removing nuisances from any street, row, lane, mews, court, alley, passage, or public way, or place certified as aforesaid, within any of the said unions or parishes, or any extra-parochial place adjoining thereto, we authorize and require Guardians of such union or parish to cause such street, row, lane, mews, court, alley, passage, way, or place, to be effectually cleansed, and all nuisances to be removed therefrom, and to do all acts, matters, and things necessary for that purpose.

V. We also direct as follows:—That,

When, and so often as any dwelling-house in any part or place to which these directions and regulations extend, is in such a filthy and unwholesome condition as to be a nuisance to, or injurious to the health of any person, or,

Where upon any premises, or any part or place as aforesaid, there is any foul and offensive drain, ditch, gutter, privy, cesspool, or ashpit, or any drain, ditch, gutter, privy, cesspool, or ashpit, kept or constructed so as to be a nuisance to or injurious to the health of any person, or,

Where upon any such premises, swine, or any accumulation of dung, manure, offal, filth, refuse, or other matter or thing is kept, so as to be a nuisance to or injurious to the health of any person, or,

Where upon any such premises (being a building used wholly or in part as a dwelling-house) or being premises underneath any such building any animal is kept so as to be a nuisance or injurious to the health of any person.

In each of the above recited cases, the owner or occupier, and persons having the care or ordering of such dwelling-house, or of the premises where the nuisance or matter injurious to health may be, shall cleanse, whitewash, or otherwise purify, as the case may require, such dwell-

ling-house or building, or abate or remove the nuisance or matter injurious to health as aforesaid with all reasonable speed after the publication of these our directions and regulations, or after the nuisance or matter injurious to health shall have arisen.

VI. In case, by reason of poverty or otherwise, the occupier of any such dwelling-house or premises is unable to perform any works required by these directions or regulations, such occupier shall give notice of such his inability to the Guardians of the union or parish, comprising the place wherein the premises shall be situated.

VII. We authorize and require the Guardians aforesaid by themselves or by officers by them authorized in this behalf:

To see to the execution of the directions hereinafter contained for the cleansing and purifying of dwelling-houses, and for the abatement and removal of nuisances and matters injurious to health, in every case in which there shall not be a council or other governing body of a city or borough, or commissioners having jurisdiction for the removal of nuisances, or where such council, governing body, or commissioners, shall not cause to be effectually executed, such directions, and for that purpose,

To visit from time to time, or cause to be visited, the several dwellings and places where there may be ground for believing that necessity will arise for executing such directions:

VIII. And in every case in which from the poverty of occupiers or otherwise there may be default or delay in the cleansing or purifying of any such dwelling-house, or in the abatement or removal of any such nuisance or matter injurious to health, and the medical officer, or other person duly authorized as aforesaid, shall certify that the same requires immediate attention; and in every case in which from want of co-operation of the owners or occupiers there is any default or delay in cleansing any such drain, ditch, watercourse, or gutter into which several dwellings or tenements may drain;

We authorize and require such Guardians to cause such dwelling-houses to be cleansed and purified, and such drain, ditch, watercourse, or gutter, to be frequently and effectually cleansed, and such nuisance or matter injurious to health to be abated and removed respectively, and to do all acts and provide all matters and things necessary for that purpose.

IX. And we do further authorize and require the Guardians to direct their clerk to make out from the register of deaths or from the district medical relief books, and from any public books or other sources from which information may be obtained within the union, a list of places where epidemic, endemic, and contagious diseases have of late been frequent.

X. And we authorize and require such Guardians to cause the medical officers employed by them, or specially appointed for the purpose, to visit the places, of which a list shall be made out as aforesaid, and all such neighbouring or other places within such union or parish, as shall appear to such medical officers (from being under like circumstances with the places included in such list or otherwise) to require visitation or examination.

XI. And each such medical officer shall, where it may be necessary, certify in writing to the Board of Guardians, and to the surveyors, trustees, occupiers, or others required to execute these directions and regulations, all such places as are in a state dangerous to health, or need frequent

and effectual cleansing by way of preservation against disease, and such dwelling-houses as are in a filthy and unwholesome condition, and all such nuisances and matters injurious to health as ought to be abated, cleansed, and removed under these regulations.

XII. And each such medical officer shall forthwith upon any case of cholera, or of typhus, or other epidemic, endemic, and contagious diseases becoming known to him within the parish, union, or district under his visitation, report the same to the Board of Guardians.

XIII. And where it shall be certified to the Guardians by their medical officer or officers, or where it shall otherwise sufficiently appear to such Guardians, that extraordinary medical aid is required for persons attacked or threatened by cholera or epidemic, endemic, or contagious disease, we authorize and require such guardians to provide sufficient medical aid, and in suitable places, such medicines as may be required within their respective unions or parishes for necessitous persons attacked by cholera or by premonitory symptoms, and to make arrangements for the distribution of notices, stating the places where aid and medicines shall have been provided.

XIV. Whereas it has heretofore been found impracticable to ensure proper treatment in their own houses to many of the poorer classes, we authorize and require the said Guardians, where it shall appear that such extraordinary aid is required, to provide suitable rooms or places, capable of accommodating necessitous cases, to which persons attacked by cholera, who cannot be properly treated in their own houses, may be conveyed.

XV. And we also authorize and require the said Guardians, where it shall appear needful, to provide rooms or places of refuge to which may be removed the families of such necessitous persons as have been attacked with cholera, and also such necessitous persons living under the same roof with, or in the vicinity of, persons so attacked, as the medical officers acting under the authority of the said Guardians may deem it necessary to remove; and the houses, rooms, or dwellings, from which persons may have been so removed to the houses of refuge, shall be cleansed and purified by the owners persons having the care or ordering thereof, or, in their default, by the said Guardians.

XVI. And on the occurrence of any case of cholera or other epidemic, endemic, or contagious disease, in any room occupied by one family or more, we hereby authorize and require the medical officer to remove, or cause to be removed, either the patient, or so many of the occupants of such room as he shall consider would, unless removed, tend to prevent the recovery of the patient, or endanger the spreading of the disease.

XVII. And in case of death by cholera, or any other epidemic, endemic, or contagious disease, we hereby authorize and require the last medical attendant, upon the person of the deceased, or in case of there having been no medical attendant, the housekeeper or person present at the death, or who is in charge of the body, forthwith to notify the fact of the death to the medical officer of the district who is charged with the execution of these orders for the prevention of the spread of such disease.

And we do hereby authorize such medical officer to give such directions as may appear to him to be needful, in respect to the care, removal, and the time of interment of the body for preventing the communication or spread of disease.

And we hereby authorize and require all persons to give such information or such assistance to such medical officer, and to be otherwise aiding

him as he may need in the execution of these orders.

XVIII. And in the event of the fatal termination of any case of cholera, or of epidemic, endemic, or contagious disease, in any room occupied as a living or sleeping room by one family, or more, or by numerous persons, we hereby authorize and require the medical officer to remove, or cause to be removed as speedily as may be, either the corpse, or the persons occupying such rooms, until the corpse can be conveniently removed and properly interred.

XIX. And we do authorize and direct the said Guardians to make arrangements for obtaining daily lists of persons attacked by cholera or other epidemic disease within their respective unions or parishes, with the particulars of their cases and treatment, and for communicating the same daily to the General Board of Health.

XX. And we do hereby authorize and direct the said Guardians where it may appear needful, to appoint such additional medical officers, and also to appoint such other officers as may be necessary to execute, and superintend the execution of these regulations, and to publish and circulate by printed hand bills, or other means, notices of the provisions of the said Act for the prevention of nuisances, and of our regulations and instructions, or of such part of any of them, as it may appear desirable to make publicly known.

XXI. And we hereby direct that in these directions and regulations, the words "Guardians of Poor," shall mean the Guardians, Directors, Wardens, Governors, or other like officers having the management of the poor for any union, parish or place, where the matter requiring the cognizance of any such officers arises; and the word "Parish" shall include every place where the relief of the poor is administered by a Board of Guardians for such place.

To the Parochial Boards of the several parishes and combinations throughout Scotland.

To all Magistrates of Burghs; Town Councils; Commissioners of Police; Trustees or Commissioners having the charge of the paving of Streets, Trustees having the charge of Turnpike Roads and other Highways; Trustees or Commissioners having the charge of Docks, Ports, or Harbours; Inspectors, Surveyors, or other Officers acting under such Magistrates, Town Councils, Commissioners, and Trustees; and all other Persons intrusted by law with the care and management of the Streets and Public Ways and Places throughout Scotland;

To the Procurators Fiscal and other Persons authorized to conduct Prosecutions before the local Courts in Scotland:

To the Owners and Occupiers of Houses, Dwellings, Churches, Buildings, and Places of Assembly, and others having the care and ordering thereof throughout Scotland;

And to all whom it may concern.

Whereas by the provisions of the "Nuisances Removal and Diseases Prevention Act, 1848," for the prevention of epidemic, endemic, and contagious diseases, and by virtue of an Order of the Lords of Her Majesty's Most Honourable Privy Council, bearing date the twenty-seventh day of March one thousand eight hundred and forty-nine, directing that the said provisions of the said Act be put in force throughout the whole of Great Britain, We, the General Board of Health, are authorized to issue such directions and regulations as the said Board shall think fit for the prevention,

as far as possible, or mitigation of epidemic, endemic, or contagious diseases. And whereas, by the said Act it is provided, that the directions and regulations to be issued, as aforesaid, shall extend to all parts or places in which the said provisions of the said Act shall, for the time being, be in force under the Order of Her Majesty's Privy Council, unless such directions or regulations shall be expressly confined to some of such parts or places, and then to such parts or places as in such directions and regulations shall be specified.

Now, in exercise of the authority vested in us as aforesaid, We, the General Board of Health, do issue the directions and regulations hereinafter contained to extend to Scotland, and be in force throughout that part of the United Kingdom.

I. We direct that all magistrates, town councils, commissioners, trustees, and others by law entrusted with the care and management of the streets and public ways and places shall, through their inspectors, surveyors, or other persons under their direction, once at least in every twenty-four hours effectually cleanse all such of the streets, roads, lanes, mews, courts, alleys, wynds, entries, common stairs, and passages and public ways, and places under their respective care and management, as by the medical officer of the Parochial Board shall be certified in writing to be in a state dangerous to health, or to require frequent and effectual cleansing by way of precaution against disease, and shall remove all filth, ordure and nuisances therefrom.

II. And where any such streets, roads, lanes, mews, courts, alleys, wynds, entries, common stairs, passages and public ways, or places adjoining to any houses or tenements, have not been entrusted by law to the care or management of any magistrate, town councils, commissioners, trustees or others, on a notice signed by the inspector of the poor or other person, authorized by the Parochial Board, to the effect that the same has been certified by the medical officer to be in a state dangerous to health and to require such frequent and effectual cleansing (such notice being served by delivery to any person on the premises or being pasted on the door), we direct that every occupier of a house or tenement so adjoining, shall keep or cause to be kept sufficiently cleansed, at least once in every twenty-four hours, such part of the street, road, lane, mews, court, alley, wynd, entry, common stair, passage, way, or place as adjoins the house or tenement occupied by him.

And we direct that all such works of cleansing and removal of filth, ordure, and nuisances as are required by these directions and regulations, shall be done in such manner by effectual washing or otherwise, and with the use of such fluids or substances for preventing the escape of obnoxious effluvia during the operation, as the medical officer of the Parochial Board shall think necessary and shall direct.

III. We do hereby authorize and require the Parochial Boards throughout Scotland, by themselves or by their officers or persons employed under them in the administration of the laws for the relief of the poor, or by officers or persons specially appointed in this behalf to superintend and see to the execution of the foregoing directions and regulations within their respective parishes and combinations.

IV. And further, where it shall appear that by want or neglect of the magistrates, town councils, commissioners, trustees, inspectors, surveyors, or others entrusted with the care and management as aforesaid, or by reason of poverty of the occupiers, or otherwise, there may be any default or delay

in the cleansing of or removing nuisances from any street, row, lane, mews, court, alley, wynd, entry, common stair, passage, or public way or place, certified as aforesaid, we authorize and require the Parochial Board of the parish, or combination, to cause such street, row, lane, mews, court, alley, wynd, entry, common stair, passage, way, or place, to be effectually cleansed, and all nuisances to be removed therefrom; and do all acts, matters, and things necessary for that purpose.

V. We also direct as follows: that—

When and so often as any dwelling-house, in any part or place to which these directions and regulations extend, is in such a filthy and unwholesome condition as to be a nuisance to, or injurious to the health of, any person; or,

Where, upon any premises, or any part or place as aforesaid, there is any foul and offensive drain, ditch, gutter, privy, cesspool, or ash-pit, or any drain, ditch, gutter, privy, cesspool, or ash-pit, kept or constructed so as to be a nuisance to, or injurious to the health of, any person; or,

Where, upon any such premises, swine, or any accumulation of dung, manure, offal, filth, refuse, or other matter or thing is kept, so as to be a nuisance to, or injurious to the health of, any person; or,

Where, upon any such premises, (being a building used wholly or in part as a dwelling-house) or being premises underneath any such building, any animal is kept, so as to be a nuisance, or injurious to the health of any person.

In each of the above-recited cases, the owner or occupier, and persons having the care or ordering of such dwelling-house, or of the premises where the nuisance or matter injurious to health may be, shall cleanse, whitewash or otherwise purify, as the case may require, such dwelling-house or building, or abate or remove the nuisance, or matter injurious to health, as aforesaid, with all reasonable speed after the publication of these our directions and regulations, or after the nuisance, or matter injurious to health, shall have arisen.

VI. We authorize and require the Parochial Boards throughout Scotland, by themselves, or by officers by them authorized in this behalf—

To see to the execution of the directions hereinbefore contained, for the cleansing and purifying of dwelling-houses, and for the abatement and removal of nuisances and matters injurious to health, in every place in which there shall not be magistrates, town councils, commissioners, trustees, or others, having jurisdiction or authority to put the above directions in force, or where they have not caused them to be effectually executed; and for that purpose—

To visit, from time to time, or cause to be visited, the several dwellings and places where there may be ground for believing that necessity will arise for executing such directions.

VII. And in every case in which, from the poverty of occupiers, or otherwise, there may be default or delay in the cleansing or purifying of any such dwelling-house, or in the removal of any such nuisance or matter injurious to health; and the medical officer, or other person duly authorized, as aforesaid, shall certify that the same requires immediate attention.

We authorize and require such Parochial Boards to cause such dwelling-houses to be cleansed and

purified, and such drain, ditch, watercourse, or gutter, to be frequently and effectually cleansed, and such nuisance, or matter injurious to health, to be removed respectively, and to do all acts, and provide all matters and things necessary for that purpose.

VIII. And we do hereby authorize and require each Parochial Board to direct their inspector, or any other competent person, to make out from the parochial register, or from any books of medical relief, or from any other public books, or any other available source, a list, as complete as the circumstances will admit of being framed, of places where epidemic, endemic, or contagious diseases have of late been frequent.

IX. And we authorize and require the Parochial Boards to cause the medical officers employed by them, or specially appointed for the purpose, to visit the places, of which a list shall be made out as aforesaid, and all such neighbouring and other places within such parish or combination as shall appear to such medical officers (from being under like circumstances with the places included in such list or otherwise) to require visitation or examination.

X. And each such medical officer shall, where it may be necessary, certify in writing to the Parochial Board, and to the magistrates, council, trustees, commissioners, inspectors, surveyors, occupiers, or others required to execute these directions and regulations, all such places as are in a state dangerous to health or need frequent and effectual cleansing by way of preservation against disease, and such dwelling houses as are in a filthy and unwholesome condition, and all such nuisances and matters injurious to health as ought to be cleansed and removed under these regulations.

XI. And we hereby direct that whenever any Parochial Board shall be certified through their medical officer, or otherwise, that any person has been attacked with malignant cholera within the bounds of their parish or combination, they shall intimate the same by the earliest post or other obtainable conveyance to the General Board of Health, in order that the said Board may issue regulations to such Parochial Board relating to medical relief.

XII. And each such medical officer shall forthwith, upon any case of cholera or of typhus or other epidemic, and other contagious diseases becoming known to him within the parish or district under his visitation, report the same to the Parochial Board.

XIII. And we do hereby authorize and direct the said Parochial Boards, where it may appear needful, to appoint such additional medical officers and also to appoint such other officers as may be necessary to execute and superintend the execution of these regulations, and to publish and circulate by printed hand-bills or other means, notices of the provisions of the said act for the Prevention of Nuisances, and of our regulations and instructions or of such part of any of them as it may appear desirable to make publicly known.

XIV. We direct that where it shall be certified to any Parochial Board by their medical officer or officers, or where it shall otherwise sufficiently appear to such Parochial Board, that extraordinary medical aid is required for persons attacked or threatened by cholera, or epidemic, endemic, or contagious disease we authorize and require such parochial board, without further notification, to provide sufficient medical aid and in suitable places, such medicines as may be required within their respective parishes for necessitous persons attacked by cholera, or by premonitory symptoms, and to make arrangements for the distribution of

notices stating the places where aid and medicines shall have been provided.

XV. Whereas it has heretofore been found impracticable, to insure proper treatment in their own houses to many of the poorer classes, we authorise and require the Parochial Board, where it shall appear that such extraordinary aid is required, to provide suitable rooms or places capable of accommodating necessitous cases to which persons attacked by cholera who cannot be properly treated in their own houses, may be conveyed.

XVI. And we also authorize and require the Parochial Board, where it shall appear needful, to provide rooms or places of refuge to which may be removed the families of such necessitous persons as have been attacked with cholera, and all such necessitous persons living under the same roof, with or in the vicinity of persons so attacked, as the medical officer or officers acting under the authority of the Parochial Board may deem it necessary to remove; and the houses, rooms, or dwellings, from which persons may have been so removed to the places of refuge, shall be cleansed and purified by the owners or persons having the care or ordering thereof, or in their default by the Parochial Board.

XVII. And on the occurrence of any case of cholera, or other epidemic, endemic, or contagious disease, in any room occupied by one family or more, we hereby authorize and require the medical officer to remove or cause to be removed, either the patient or so many of the occupants of such room as he shall consider would, unless removed, tend to prevent the recovery of the patient or endanger the spreading of the disease.

XVIII. And in case of death by cholera, or any other epidemic, endemic, or contagious disease, we hereby authorize and require the last medical attendant upon the person of the deceased, or in case of their having been no medical attendant, the housekeeper, or person present at the death, or who is in charge of the body, forthwith to notify the fact of the death to the medical officer of the district, who is charged with the execution of these orders for the prevention of the spread of such disease.

And we do hereby authorize such medical officer to give such directions as may appear to him to be needful in respect to the care, removal, and the time of interment of the body, for preventing the communication or spread of disease.

And we hereby authorize and require all persons to give such information or such assistance to such medical officer, and to be otherwise aiding him as he may need in the execution of these orders.

XIX. And in the event of the fatal termination of any case of cholera, or of epidemic, endemic, or contagious disease in any room occupied as a living or sleeping room by one family or more, or by numerous persons, the corpse shall be interred by those who have the charge of interring the same, within such time as may be fixed by the medical officer, and intimated by a notice signed by the inspector of the Parochial Board, and left with any person on the premises; and in the event of interment not taking place within the time so fixed, we hereby authorize and require the Parochial Board to cause to be removed, as speedily as may be, either the corpse, or the persons occupying such room, until the corpse can be conveniently removed and properly interred.

XX. And we do authorize and direct the said Parochial Boards to make arrangements for obtaining daily lists of persons attacked by cholera, or other epidemic, endemic, or contagious disease within their respective parishes, with the particu-

lars of their cases and treatment, and for communicating the same daily to the General Board of Health.

XXI. And we do hereby authorize and direct the said Parochial Boards, where it may appear needful, to appoint such additional medical officers and also to appoint such other officers as may be necessary to execute and superintend the execution of these regulations, and to publish and circulate by printed hand-bills, or other means, notices of our directions and regulations, or of such part of any of them as it may appear desirable to make publicly known.

XXII. And we hereby direct, that in these directions and regulations and the directions and regulations already issued by us as aforesaid, the words "Parochial Board" shall mean the Parochial Board or other like officers having the management of the poor for any parish, combination, or place, where the matter requiring the cognizance of such officers arises, and the word "parishes" shall include "combination."

XXIII. And whereas, by the said Act it is provided that whosoever shall wilfully obstruct any person acting under the authority or employed in the execution of the same, or shall wilfully violate any direction or regulation issued by the General Board of Health, shall be liable for every such offence to a penalty not exceeding five pounds, recoverable by a summary process before the sheriff or two justices of the peace, at the instance of the procurator fiscal, or any other person; all procurators fiscal, and other persons who may be concerned, are hereby required to institute such proceedings according to law, as may be necessary for the enforcement of these regulations.

Given under our hands, and under the seal of the General Board of Health, this fourth day of April one thousand eight hundred and forty-nine.

NOTICE TO MARINERS.

East India-House, London, April 4, 1849.

A FIXED light has been placed on the Dutch obelisk, at Hare Island, off Tuticoreen, having the following bearings. The large Catholic church W. by N. $\frac{1}{4}$ N. $2\frac{1}{2}$ miles. The small church at Vonteevo (the next island to the north) N. by E. $\frac{1}{4}$ E. $2\frac{3}{4}$ miles. North end of the Coil-napatnam Reef S. by W. $10\frac{1}{4}$ miles. Trichendore pagoda S. by W. westerly, 18 miles. It may be seen in ordinary weather at a distance of 8 to 10 miles from the deck of a vessel of about 300 tons.

A vessel making the port at night may anchor with it bearing from W. N. W. to W. by S. about $1\frac{3}{4}$ to 2 miles off shore, where good holding ground will be found in 6 to $6\frac{1}{2}$ fathoms. At $3\frac{1}{2}$ miles distance with the same bearings, the ground is found on pearl banks.

In approaching from the south the light may be kept about N. N. W. till within 3 or 4 miles, when the above anchorage may be selected; but should a vessel suddenly deepen her water from 7 or 8 fathoms to 12, 15, or 20, she should immediately steer north till she makes the light, taking care to keep farther to seaward if it bears north of N. N. W. The outer part of this deep water lies a little to the north of the head of the Coilnapatnam Reef, and bears S. by E. 10 miles from the Tuticoreen Light.

From the north a vessel may keep the light about S. W. till within 3 or 4 miles, when she must steer more out for the anchorage; but in no instance ought the water to be shoaled under $6\frac{1}{2}$ fathoms, excepting with the bearings on for the anchorage, and then not under 6.

In the N. E. monsoon vessels should lie with a good scope of cable out; as although the seas are not heavy, they are sharp and occasion a chain to jerk. The sea breeze at this time blows on the reef, and a second anchor with chain ranged ought always to be kept ready for letting go.

In the S. W. monsoon, which usually lasts from the middle of May to the middle of August, the port may be made without fear; for, although the winds are very violent, they are invariably off shore from W. to S. W., accompanied by smooth water. At this time vessels may approach the reef to five fathoms; but should always have a

stream anchor to seaward, as occasionally during the lulls of the Monsoon a light air comes in from the eastward.

Longitude of the obelisk, assuming Madras Observatory to be in $80^{\circ} 17' 20''$ E.— $78^{\circ} 14' 1''$ E. Latitude $8^{\circ} 47' 17''$ north.

Variation of the Compass 1842, $51^{\circ} 00'$ easterly.
