## OLD STORES;

Consisting of Old Rope, Spun yarn, Unlaid Yarns, Canvas, Ocham, Hemp Rakings and Tyers, Cast Iron, &c. &c. &c.

all lying in the said Yard.

Persons wishing to view the lots must apply to the Superintendent for notes of admission for that purpose.

Catalogues and conditions of sale may be had here and at the Yard.

## ARMY CONTRACTS.

Office of Ordnance, Pall-Mall,  
April 10, 1849.

**N**OTICE is hereby given to all persons desirous of contracting to supply

## MEAT, BREAD, OATS, and FORAGE,

To Her Majesty's Land Forces (Bread and Meat for the Foot Guards and for the Household Cavalry excepted), in Cantonments, Quarters, and Barracks, in the Counties of England severally, in Wales, in North Britain, in the Isle of Man, and in the Channel Islands, for six months from the 1st June next, inclusive.

That proposals in writing, addressed to the Secretary to the Board of Ordnance, sealed up and marked on the outside "Tender for Army Supplies," will be received at the Ordnance-Office, Pall-Mall, on or before Wednesday the 9th day of May next; and tenders may be delivered at any time during that day.

Persons who make tenders are desired not to use any forms but those which may be had upon application at the Office of the Secretary to the Board of Ordnance, in Pall-Mall.

By order of the Board,

R. Byham, Secretary.

## MARINE BARRACK CANTEENS.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, April 12, 1849.

**N**OTICE is hereby given, that on Thursday, the 26th instant, at one o'clock, the Canteens in the undermentioned barracks will be let from the 14th of May next, to the 14th May 1852, by order of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character, nor any person for more than one Canteen, or who will not undertake bonâ fide to reside in or occupy the Canteen, and conduct the business thereof in his own person, will be approved; and two sureties will be required for the regular payment of the rent, and of all sums which may become due in respect of the said Canteen, and for the due performance of the several conditions and stipulations of the indenture of lease. The revenue or other licenses to be paid by the tenant.

The person whose proposal shall be accepted, and his sureties, must execute an indenture of lease and covenants relating thereto, the particulars whereof may be known by applying to this Office, or to the Barrack Masters at the several barracks.

The Christian and Surnames of two respectable persons, with their professions and places of abode, who will join the tenant in executing the indenture of lease as his sureties, must be inserted in the proposals. The tenant is to pay half the value of the stamps on the indenture of lease upon executing the same, and it is to be understood that the said Commissioners will not undertake to procure the tenant a license.

A printed form of the tender and indenture of lease may be had at this office, or on application to the respective Barrack Masters. No tender will be received after one o'clock, on the day of treaty, nor any noticed, unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words, "Tender for Marine Barrack Canteen," and must also be delivered at the Office of the Comptroller for Victualling and Transport Services, at Somerset-place.

By the Mutiny Act, Canteens are not liable to have troops billeted on them.

As all persons becoming tenants of Canteens will be bound to the strict performance of the covenants of the indenture of lease, and to the full payment of the rent and privilege of sale to the troops, without any remission or reduction under any circumstances whatever, they are hereby cautioned to make themselves fully acquainted with the conditions of letting, prior to their making a proposal.

The rents of the Canteens as tenements or dwellings are to be proposed at the sums stated opposite to each in the following list; therefore the biddings will be upon what is offered for every ten men per month, exclusive of sergeants occupying the barracks, the number being ascertained from the Barrack Master's returns, made up at twelve o'clock at noon on the first day of every month, and no changes in the occupation of the barrack which may take place in the progress of the month, either for or against the tenant, will be taken into account. No less number than ten will be charged against the tenant, nor will any odd number be calculated: thus, if the barrack should be occupied by 148 men on the first day of the month, only 140 will be calculated for that month. The bidders are also desired to introduce no fractional parts of a penny in their offers, as they will not be noticed, nor will any tenders be noticed except such as are strictly according to the form furnished.
