Whereas by the Act, eleventh and twelfth Victoria, cap. 123, intituled "An Act to renew and amend an Act of the tenth year of Her present Majesty for the more speedy removal of certain nuisances, and the prevention of contagious and epidemic diseases," and by vi. tue of an Order

of Her Majesty's Most Honourable Privy Council, bearing date the 27th day of March 1849, directing that the provisions of the said Act be continued in force throughout the whole of Great Britain; We, the General Board of Health, are authorized to issue such directions and regulations as the said Board shall think fit for the prevention, as far as possible, or mitigation of epidemic, endemic, or contagious diseases;

And whereas the parishes included in the Saint Olave's Union, Surrey, appear to be affected by formidable epidemic or endemic disease;

We, the General Board of Health, do hereby order the execution of the directions and regulations following; viz.:

1. We authorize and require the Board of Guardians of the Saint Olave's Union to provide houses or suitable rooms capable of accommodating necessitous cases, to which persons attacked by cholera, or who are threatened with it, and who cannot be properly treated in their own houses, may be removed; and further, to provide a sufficient number of nurses to attend upon those who may be attacked and may require such assistance at their own houses.

2. We further authorize and require the said Board of Guardians to provide a house of refuge to which may be removed the families of such necessitous persons as have been attacked by cholera, and also such necessitous persons living under the same roof, or in the vicinity of persons so attacked, as the medical officers acting under the authority of the said Board may deem it necessary to remove; the houses, rooms, or dwellings from which persons may have been removed to the house of refuge, to be cleansed and purified by the owners or persons having the care or ordering thereof, or in their default, by the said Board of Guardians.

3. And we hereby authorize and require the said Board of Guardians to provide an extra medical officer, to be employed exclusively in making a house to house visitation in the affected localities of the Union; and to inquire into the condition and matters affecting the health of the inmates of such houses and dwellings respectively, and their liability to contagious, epidemic or endemic diseases, and especially as to the existence among them of bowel complaints.
