To the Members of the Select Vestry of the Parish of St. Marylebone; and to all others whom it may concern.

Whereas by the Act eleventh and twelfth Victoria, cap. 123, intituled "An Act to renew and amend an Act of the tenth year of Her present Majesty, for the more speedy removal of certain nuisances, and the prevention of contagious and epidemic diseases;" and by virtue of an Order of Her Majesty's Most Honourable Privy Council, bearing date the 27th day of March 1849, directing that the provisions of the said Act be continued in force throughout the whole of Great Britain; We, the General Board of Health, are authorized to issue such directions and regulations as the said Board shall think fit for the prevention, as far as possible, or mitigation of epidemic, endemic, and contagious diseases;

And whereas the parish of Saint Marylebone appears to be affected by formidable epidemic and endemic disease, We, the General Board of Health do, in further exercise of the power vested in us as aforesaid, issue the directions and regulations hereinafter contained, to extend to the parish of Saint Marylebone:

1. That two legally qualified medical men be forthwith appointed, in addition to those already appointed in the parish, to aid in carrying out the system of house to house visitation, or any other measures that it may be deemed advisable to adopt under the emergency.

2. That a suitable house or places of refuge be forthwith provided for the reception of the families of those necessitous persons who have been attacked by cholera, and of those necessitous persons living under the same roof, or within the immediate vicinity of persons so attacked; and also for the reception of those who may have been removed from over-crowded dwellings, where disease may have already made its appearance.

3. We hereby order the clerk to the said select vestry to take steps for summoning a meeting of the vestrymen forthwith.

4. And we further order the said clerk to read this Order at the said meeting.

5. And we further order, that the vestrymen assembled at the said meeting do carry into immediate effect the provisions of this Order.

6. And we further order the said clerk to transmit forthwith to us a copy of the minute of the said meeting, together with a list of the names of the vestrymen present, at, and of those absent from, the said meeting.

Given under our hands, and under the seal of the General Board of Health, this 23rd day of August 1849.

(Signed) Ashley.

To the Trustees of the Poor of the parish of Saint Leonard, Shoreditch; and to all others whom it may concern.

Whereas by the Act eleventh and twelfth Victoria, cap. 123, intituled "An Act to renew and amend an Act of the tenth year of Her present Majesty for the more speedy removal of certain nuisances, and the prevention of contagious and epidemic diseases," and by virtue of an Order of Her Majesty's Most Honourable Privy Council, bearing date the 27th day of March 1849, directing that the provisions of the said Act be continued in force throughout the whole of Great Britain; We, the General Board of Health, are authorized to issue such directions and regulations as the said Board shall think fit for the prevention, as far as possible, or mitigation of epidemic, endemic, and contagious diseases;

And whereas the parish of Saint Leonard, Shoreditch, appearing to be affected by formidable epidemic and endemic disease, We, the General Board of Health, did, on the 15th day of this present August, issue an order to the trustees of the poor of the aforesaid parish, directing certain measures to be adopted for the prevention, as far as possible, or mitigation of such disease; and whereas it appears to be desirable that further and adequate hospital accommodation should be made for those who may be attacked with cholera, or any of its premonitory symptoms in the said parish;

We, the General Board of Health, do, in further exercise of the power vested in us as aforesaid, issue the direction and regulation hereinafter contained, to extend to the parish of Saint Leonard, Shoreditch;

That a house or houses, or suitable rooms be forthwith provided, such as, in the opinion of the medical officer of the parish, will furnish proper and adequate hospital accommodation for the treatment of necessitous persons who shall be attacked with cholera, or any of its premonitory symptoms, and who cannot be properly treated at their own homes; and that such accommodation be provided in convenient localities in the neighbourhood of the more severely affected districts of the aforesaid parish.

Given under our hands, and under the seal of the General Board of Health, this 23rd day of August 1849.
