

Board may think fit for the application of such disinfecting substances, and for the adoption of such other measures of precaution in relation to the premises as may, in the opinion of the said Board, tend to lessen or remove the danger to health;

And whereas Gavin Milroy, Doctor of Medicine, Superintending Inspector to the said Board, has inquired into the state of the burial ground of Whitfield's Chapel, Tottenham-court-road, Middlesex, and has reported the said burial ground to be in a condition dangerous to the health of the persons living in the neighbourhood thereof;

We, the General Board of Health, being of opinion that, in order to lessen or remove the danger to health at present arising from the said burial ground, it is expedient that interments should be discontinued therein, do hereby order and require the Managers, and other persons having the care and control of the same, to cause the discontinuance of interments in the said burial ground until further order, and to make such provision for interment elsewhere as to them may appear necessary, under the tenth section of the Nuisances' Amendment Act aforesaid, or otherwise.
