

Ten Cottages of three rooms each, with a small garden to each cottage.

The whole comprises an area of 20A. 2R. 37P., about five acres of which are pasture land.

The Board will grant a lease; the stamp duty and charge for copying and engrossing the same, and counterpart, to be defrayed by the tenant, and which will contain all usual and customary covenants, and a restriction against the tenant using the magazines as salt provision stores, or for any other purpose that might render them unfit for the reception of gunpowder, in the event of their being hereafter required for such purpose. The usual clause in Ordnance leases will be inserted, giving the Board the power of resuming possession at any period, on giving six months' notice to the tenant.

Tenders for renting the foregoing property, for a term of seven years, to be addressed to the "Secretary of the Honourable Board of Ordnance," on or before the 20th November 1849.
