**W**HEREAS there was this day read at the Board a report from the General Board of Health, dated the sixth day of March instant, in the words following; that is to say:

"We, the General Board of Health, appointed for the purposes of the Public Health Act 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the parish of Burnham, in the county of Somerset, having a known and defined boundary (the number of the said petitioners greatly exceeding thirty in the whole), directed Thomas Webster Rammell, Esq. a superintending inspector appointed for the purposes of the said Public Health Act, to visit the said parish, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such parish for paving, lighting, cleansing, watching, regulating, supplying with water, or improving such parish, or having relation to the purposes of the said Public Health Act; also as to the natural drainage, areas, and the existing municipal, parochial, or other local boundaries, which might be most advantageously adopted for the purposes of that Act;

"And the said superintending inspector having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

"And copies of the said report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed; and all such statements as have been received by the said Board have been duly deposited, as required by that Act;

"And it appears by the said report, that there is no local Act of Parliament in force within the said parish for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such parish, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

"Now, therefore, We, the said General Board of Health, do hereby, in pursuance of the said

Public Health Act, humbly report to your Majesty, that it appears to us to be expedient that the Public Health Act 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, shall be applied to, and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries at present fixed as the boundaries of the said parish, and that such places, and parts of places should be and constitute a district for the purpose of the said Public Health Act accordingly:

"2. That the Local Board of Health to be elected under the said Public Health Act shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

"3. That the first election of the said Local Board of Health shall take place on the second day of May, one thousand eight hundred and fifty.

"4. That one-third in number of the said Local Board shall go out of office on the twenty-fifth day of March in each year subsequently to that in which the said election takes place.

"5. That every person, at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act 1848, is required, and be seized and possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or shall be so resident, and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty pounds.

"6. That at the first election of the said Local Board, the Reverend Frederick Fleming Beadon, Vicar of Burnham, shall have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act 1848, in relation to the election by owners of property and rate-payers, and shall perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said Frederick Fleming Beadon, from illness, or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then George Reed, Esq. shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

"7. That the fourteen days' notice of qualification required by the said Public Health Act 1848, to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said Frederick Fleming Beadon, or in case he shall refuse, or be unable to receive the same, then to the said George Reed.

"Given under our hands, and under the seal of the General Board of Health, this sixth day of March one thousand eight hundred and fifty.

(Signed)

Ashley.  
Edwin Chadwick."

Now, therefore, Her Majesty, having taken the said report into consideration, is pleased by and with the advice of Her Privy Council, to approve thereof, and doth hereby, under and in pursuance of the Public Health Act 1848, order and direct, that from and after the date of this Order, the said Public Health Act, and every part

4. That one-third in number of the said Local Board shall go out of office on the twenty-fifth day of March in each year subsequently to that in which the said election takes place.

5. That every person, at the time of his election, as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act 1848, is required, and be seized and possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or shall be so resident, and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty pounds.

East India-House, March 13, 1850.

**T**HE Court of Directors of the East India Company do hereby give notice,

That a Proprietor of East India Stock has given notice that at the Quarterly General Court of the said Company, appointed to be held at their House, in Leadenhall-street, on Wednesday the 20th instant, he will submit the following motion; viz.:

"That the papers concerning the expulsion of Captain Peter Gordon from the district of Madeira, be printed for the use of the members of this Court."

That another Proprietor has given notice that he will submit the following motions; viz.:

"That the Court of Directors do lay before the Court of Proprietors all the papers connected with the dismissal of M. Vencataroylov, as notified in the Fort St. George Gazette, of date 25th January 1848."

"That the removal of the Judges of the Court of Sudder and Foujdarry Adawlut, by the Government of the Marquess of Tweeddale, was as unconstitutional as his Lordship's residence on the Neilgherry Hills and performance of Acts of Government, when separated from the Council of Government, was in violation of Act 39th and 40th Geo. the Third, cap. 79, sec. 12."

That another Proprietor has given notice that he will submit the following motion; viz.:

"That the Court of Proprietors should express their regret that the Board of Control should have proceeded with such unnecessary haste to confirm the confiscation of the Sindh Principality,—and that the Board of Control be moved to a reconsideration of the case of the Ameers, in view to some suitable provision for the exiled Princes in their native land."

The same Proprietor has also given notice that he will submit the following motion; viz.:

"That the Court of Proprietors participating in those feelings of regret of which there have been such frequent manifestations on the part of the mercantile and manufacturing communities, at

the insignificant outlay which has been incurred in Western India for affording suitable access to the cotton-growing and other more productive portions of the British territory, and for the due development thereby of its well-ascertained and most valuable resources, do most earnestly recommend to the Court of Directors the immediate adoption of some comprehensive scheme of carriage-way communication therewith from the nearest river and sea ports; of which the district populations generally might also reap a permanent benefit; such a measure being not less called for by considerations of humanity towards those most impoverished classes of our native subjects, the cultivators of the soil, and those engaged in the very toilsome and dangerous transport of its produce, than for the maintenance and improvement of the revenue, and whereby alone the increasing demand in this country for cotton wool, can in ordinary, much less in seasons of scarcity or suspended intercourse with America, be adequately met."

James C. Melvill, Secretary.

Bank of England, March 12, 1850.

Printed lists of the Proprietors having votes will be ready to be delivered at the Bank, on Tuesday the 26th March.
