At the Court at *Buckingham-Palace*, the 9th day of *March* 1850.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of an Act passed in the session of Parliament held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," and of an Act passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act for regulating the Cathedral Churches of Wales," duly prepared and laid before Her Majesty in Council a scheme bearing date the seventh day of March, in the year one thousand eight hundred and fifty in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of an Act passed in the session of Parliament held in the fourth and fifth years of your Majesty's reign, intituled 'An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,' and of an Act passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act for regulating the Cathedral Churches of Wales,' have prepared, and now humbly lay before your Majesty in Council, the following scheme, for making additional provision for the cure of souls in certain parishes where such assistance is most required.

"Whereas, under the authority of the said recited Acts, we have from time to time prepared and laid before your Majesty in Council certain schemes, in which we have recommended and proposed that certain grants should be made, in augmentation of the incomes of certain benefices and churches, in certain classes, and subject to

certain limitations, therein mentioned, which schemes have been ratified by Orders of your Majesty in Council, and such Orders have been duly gazetted:

"And whereas on the sixth day of August, in the year one thousand eight hundred and forty-four, we found it necessary to suspend, until further notice, our recommendations of further grants, with certain specified exceptions, and the several benefices and churches described in the schedules hereunto annexed either fall within such exceptions, or the incumbents thereof have received specific promises from us that we would recommend the grants in the said schedules respectively proposed, in consequence of their coming within some or one of such classes as aforesaid:

"And whereas, after due inquiry and consideration, we have satisfied ourselves that the benefices and churches described in the schedule hereunto annexed, marked A, fall within the first of the before-mentioned classes, subject to the respective limitations in the said Orders mentioned, and are fit and proper to be forthwith augmented, by the respective annual amounts stated in the last column of the same schedule:

"And whereas the benefices or churches described in the schedule hereunto annexed, marked C, fall within the third class in the said Orders mentioned, and are situate within the places set opposite to the names thereof respectively in the fourth column of the same schedule, and we are in possession of certain tithes or lands arising or situate in such places respectively, or of the proceeds thereof; and after due inquiry and consideration, we have satisfied ourselves, that the same benefices are fit and proper to be forthwith augmented, by the respective annual amounts stated in the last column of the same schedule:

"We therefore humbly recommend and propose, that there shall be paid by us, in each and every year, to the incumbent for the time being of each of the benefices or churches so described in the said schedules marked A and C the fixed annual sum set opposite to the name of such benefice or church in the last column of the same schedules respectively, by equal half-yearly payments, on the first day of May and the first day of November in each year, provided nevertheless that the first payment in respect of such grants on the first day of May next shall be made according to the following scale, viz.: to each of the incumbents of Alderholt, Farncombe, Newton Saint John, Scarborough Saint Thomas, and Swadlincote, a proportionate payment calculated from the date of their re-

spective licenses; to the incumbent of West Tarring a proportionate payment calculated from the day of the date of his resignation of the rectory of Patching; to the incumbent of Clyro one half-yearly payment; and to the incumbents of the remainder of the said benefices and churches four such half-yearly payments; provided that in the case of the vicarage of Clyro the payments shall be made only on the production to us of a certificate, under the hand of the bishop of the diocese, that service has been duly performed at the chapel of Bettws, in the parish of Clyro.

"And we further recommend and propose, that nothing herein contained shall prevent the further augmentation of any of such benefices or churches, if it shall be deemed fit, when there shall be suffi-

cient means for that purpose; and that if it shall appear to us to be expedient, at any future time, that instead of the annual sum then in course of payment by us to the incumbent of any benefice, or instead of any part of such annual sum, any land, tithe, or other hereditament should be conveyed to such benefice in fee, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measure for making better provision for the cure of souls, in conformity with the provisions of the said recited Acts, or either of them.

AT the Court at Buckingham-Palace, the 9th day of March 1850,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;” and of another Act passed in the session of Parliament held in the fifth and sixth years of Her Majesty's reign, intituled “ An Act to alter and amend the law relating to ecclesiastical houses of residence,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the seventh day of March, in the year one thousand eight hundred and fifty in the words following; that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled ‘ An Act to carry into effect with certain modifications ‘ the fourth report of the Commissioners of ‘ Ecclesiastical Duties and Revenues,’ and of another Act passed in the session of Parliament held in the fifth and sixth years of your Majesty's reign, intituled ‘ An Act to alter and ‘ amend the law relating to ecclesiastical houses ‘ of residence,’ have prepared and now humbly lay before your Majesty in Council the following scheme relating to the Grammar School attached to the cathedral church of Gloucester.

“ Whereas by the said first-recited Act it is enacted, that by the authority therein provided and for the purpose of carrying into effect any of the provisions thereof, any sum of money which shall have been invested in the public funds, or in other security or securities, in trust for any ecclesiastical body corporate, aggregate or sole, may, upon an application in writing to us under the hand and seal of such body corporate, and in the case of any chapter with the consent of the Visitor thereof, be directed to be sold, and the same shall be sold accordingly, and the produce of such sale shall be applied to such purpose and in such manner as shall appear most conducive to the permanent benefit of such body corporate.

“ And whereas by the said secondly-recited Act it is declared and enacted, that the provisions of the said first-recited Act, relating to the sale and application of any sum of money invested in trust for any ecclesiastical body corporate do and shall include and apply to all monies and securities for money, and to all stock in the Government funds or elsewhere, standing in the name of the

Accountant-General of the Court of Chancery, or in the name or names of any other public officer, or of any individual or individuals, for or to the credit or for the benefit of, or in trust for, any dean and chapter, whether for the purpose of being laid out in land or otherwise.

"And whereas an application in writing hath been made to us under the seal of the dean and chapter of the cathedral church of Gloucester, bearing date the nineteenth day of December last past, whereby, after reciting to the effect hereinbefore-recited, and further reciting that there was then standing in the name of the Accountant-General of the Court of Chancery, and to the credit of the said Dean and Chapter of Gloucester, in the books of the Governor and Company of the Bank of England, the two several sums of two hundred and seventy-six pounds eleven shillings and two pence, and eight hundred and eighty-seven pounds nine shillings and two pence three per cent. Consolidated Bank Annuities, and further reciting that the school-room of the said cathedral church is under the same roof with the said church, and that on the twenty-fourth day of February then last, a fire broke out in the said school-room, by which it was partially destroyed, and the church suffered some injury and was put in great danger, and further reciting that the said dean and chapter were desirous of building a school-room detached from the said cathedral church, in lieu of the school-room so partially destroyed as aforesaid, whereby the risk of the destruction of the said church by fire would be greatly diminished; and further reciting that it was estimated that the expense of building and fitting-up such school-room would amount to nine hundred and fifty pounds, and that it would be for the permanent benefit of the said dean and chapter if the said Consolidated Bank Annuities, or a sufficient portion thereof to produce the said sum of nine hundred and fifty pounds were sold, and the produce of such sale applied to the purpose of erecting such detached school-room as aforesaid, the said dean and chapter did, in pursuance of the directions of the first therein and hereinbefore recited Act, make their application to us in writing, under their common seal, for the sale of the said Bank Annuities, or of an adequate part thereof to produce the said sum of nine hundred and fifty pounds, for the purposes aforesaid. And whereas plans for such school room and an estimate of the cost of building the same have been submitted to and approved by us, and after due inquiry we have satisfied ourselves that the appropriation of a sum of money not exceeding nine hundred and fifty pounds to the purpose of providing such school-room would, under the circumstances of the case, be conducive to the permanent benefit of the said dean and chapter.

"We, therefore, humbly recommend and propose, with the consent of the Right Reverend James Henry Bishop of Gloucester and Bristol, as Visitor of the said chapter, in testimony whereof he hath hereunto set his hand and seal, that so much of the said two several sums of two hundred and seventy-six pounds eleven shillings and two pence, and eight hundred and eighty-seven pounds nine shillings and two pence, three pounds per centum Consolidated Bank Annuities as may be required to produce the sum of nine hundred and fifty pounds sterling; and also such further sum as may be sufficient to defray the costs, charges, and expenses of and attending the procuring and effecting a sale of the said stock may and shall be sold out, and that the money produced by such sale shall be paid to our account at the Bank of England, and be paid and applied by us towards

the purposes aforesaid, in such manner, to such persons, and at such times, as we shall see fit.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law, immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrars of the two several registries of the dioceses of Gloucester and Bristol, at Bristol and Gloucester.

C. C. Greville.

At the Court at *Buckingham-Palace*, the 9th day of *March* 1850,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the seventh day of March, in the year one thousand eight hundred and fifty, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parish of Saint George the Martyr, Southwark, and the district chapelry of Saint Mary Magdalene, Southwark, in the county of Surrey, and diocese of Winchester.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us that it would promote the interests of religion that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district

accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry or district out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided:

“And whereas the said parish and district chapelry are respectively of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion that the particular part of the said district hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

“Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Richard Bishop of Winchester, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Saint George the Martyr, Southwark, and also all that part of the district chapelry of Saint Mary Magdalene, Southwark, described in the schedule hereunto annexed,—all which parts, together with the boundaries thereof, are delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual purposes accordingly, and that the same shall be named ‘The District of Saint Stephen, Southwark.’

“And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation aggregate or sole, or to either of the universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards

providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority:

“And whereas a church or chapel has been erected within such district, and has been offered for approval by us, and for consecration by the Bishop of the diocese, as the church or chapel of such district, for the use and service of the minister and inhabitants thereof; and whereas, also, it has been certified to us by the Treasurer of the Governors of the Bounty of Queen Anne in writing under his hand that a sum of two thousand pounds has been contributed and paid into the hands of the said Governors, and has been invested in the purchase of three pounds per centum Reduced Bank Annuities, and that the annual proceeds and dividends arising therefrom amount to the sum of sixty-four pounds eleven shillings and four pence, and will be applied towards the permanent endowment of the minister of the said church:

“And whereas certain of the principal contributors to the said church or chapel, and to the said endowment, have, by an instrument in writing under their hands, nominated to us the five several persons hereinafter named and described as trustees of the patronage in perpetuity of the said district and contemplated new parish, and of the right of nomination of the minister or perpetual curate thereof; and have, in and by the same instrument, proposed that vacancies in the trusteeship of such patronage shall be filled up from time to time in manner hereinafter mentioned.

“And we further recommend and propose, that in addition to the said annual sum of sixty-four pounds eleven shillings and four pence so to be paid by the Governors of the Bounty of Queen Anne as aforesaid, there shall be paid by us, in each and every year, to the minister, for the time being, of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of forty pounds; and upon any building within such district being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of seventy pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of ninety pounds; and that the said sum of forty pounds, seventy pounds, or ninety pounds, as the case may be, shall be paid by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal re-

presentative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

"We therefore further recommend and propose, that the patronage of the said district and new parish of Saint Stephen, Southwark, and the right of nomination of the minister or perpetual curate thereof, shall be assigned in perpetuity to the Reverend Edward Blick, rector of the parish of Saint Mary Rotherhithe, in the county of Surrey, the Reverend Charles Kemble, incumbent of the district chapelry of Saint Michael Stockwell, in the same county, Charles James Bevan, of Portland-place, Mary-le-bone, in the county of Middlesex, Esquire, James John Cummins, of Brixton-oval, in the county of Surrey aforesaid, Esquire, and James Dowie, of Blackheath, in the county of Kent, Esquire, as trustees duly nominated to us for that purpose, and that such patronage and right of nomination shall for ever thereafter be exercised by the same persons, or the survivors or survivor of them, as such trustees or trustee, and by such future trustee or trustees, being a member or members of the United Church of England and Ireland, as shall from time to time be nominated in writing under the hands or hand of the trustees or trustee for the time being, or the major part of them, in the place and stead of any one or more of them who shall from time to time die, resign, or become incapable of acting; provided always, that the number of such trustees shall not at any time exceed five.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

" SCHEDULE.

"The district of SAINT STEPHEN, SOUTHWARK, being

"All that part of the parish of Saint George the Martyr, Southwark, in the county of Surrey and diocese of Winchester, and all that part of the district chapelry of Saint Mary Magdalene, Southwark, in the same county and diocese, as is situate on the western side of Hunter-street and on the north-eastern side of the Old Kent-road, and of Kent-street, and on the south-eastern side of an open ditch or sewer extending in a north-easterly-direction from Kent-street aforesaid, under the house and premises, No. 48 therein, to another open ditch or sewer forming a part of the north-eastern boundary of the aforesaid parish."

And whereas the draft of the said scheme has been duly transmitted to the several incumbents and patrons, as required by the said Act, and no objections have been made thereto:

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Winchester.

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-eighth day of February, in the year one thousand eight hundred and fifty, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the district chapelries of Newton Heath and All Souls, in the parish of Manchester, in the county of Lancaster, and diocese of Manchester.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us that it would promote the interests of religion that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry or district out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same

shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided:

"And whereas the said district chapelries of Newton Heath and All Souls, Manchester, are respectively of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular parts of the said district chapelries hereinafter mentioned, neither of which parts at present contains within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

"Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend James Prince Bishop of Manchester, in testimony whereof he has signed and sealed this scheme, that all that part of the said district chapelry of Newton Heath, and also all that part of the district chapelry of All Souls, Manchester, described in the schedule hereunto annexed,—all which several parts, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual purposes accordingly, and that the same shall be named 'The District of Saint Philip, Bradford-road, Manchester.'

"And we further recommend and propose, that there shall be paid by us in each and every year, to the minister, for the time being, of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate, for the time being, of such new parish the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives and the minister or the perpetual curate succeeding to such district or new parish.

"And whereas it is by the said Act further enacted, that it shall be lawful, by the authority

aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity or for one or more nomination or nominations, to any ecclesiastical corporation aggregate or sole, or to either of the Universities of Oxford, Cambridge or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority:

"And whereas certain persons, being the committee of an association, at Manchester aforesaid, called 'The Ten Churches' Association,' have contributed and transferred to our account and into our names, in the books of the Governor and Company of the Bank of England, a sum of three pounds per centum Consolidated Bank Annuities sufficient to produce the annual sum of fifty pounds towards the permanent endowment of the district of Saint Philip, Bradford-road, Manchester, so herein recommended to be constituted as aforesaid; and whereas also a church or chapel has been erected within such district, and has been offered for approval by us, and for consecration by the bishop of the diocese as the church or chapel of the said district, for the use and service of the minister and inhabitants thereof:

"And whereas the said committee have, by an instrument in writing under their hands, nominated to us the five several persons hereinafter named and described, as trustees of the patronage in perpetuity of the said district and contemplated new parish, and of the right of nomination of the minister or perpetual curate thereof; and have, in and by the same instrument, proposed that vacancies in the trusteeship of such patronage shall be filled up from time to time in manner hereinafter mentioned;

"We therefore further recommend and propose, that the patronage of the said district and new parish of Saint Philip, Bradford-road, Manchester, and the right of nomination of the minister or perpetual curate thereof, shall be assigned in perpetuity to the Reverend Henry Walter M'Grath, Rector of Saint Anne's, in the parish of Manchester aforesaid, and to John Hoyle and Thomas Clegg, both of Brown-street, Thomas Turner, of Mosley-street, and John Morley, of Spring-gardens, in the same parish, Esquires, as trustees duly nominated to us for that purpose, and that such patronage and right of nomination shall for ever thereafter be exercised by the same persons, or the survivors or survivor of them, as such trustees, and by such future trustee or trustees, being a member or members of the United Church of England and Ireland, as shall from time to time be nominated by writing under the hands or hand of the trustees or trustee for the time being, in conjunction with the minister or perpetual curate, for the time being, of the said district or new parish (who, for this special purpose, shall have and exercise the powers of a trustee), or the major part of them, in the place and stead of any one or more of the said trustees who shall from time to time die, resign, or become incapable of acting; provided always, that the number of such trustees shall not at any time exceed five.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

" SCHEDULE.
