AT the Court at *Buckingham-Palace*, the 3rd day of *February* 1851,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes,"

duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-third day of January, in the year one thousand eight hundred and fifty-one, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council the following scheme, for constituting four separate districts for spiritual purposes out of the parishes of Leeds and Hunslet, in the county of York, and in the diocese of Ripon.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us that it would promote the interests of religion that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided:

"And whereas the said parishes are respectively of great extent, and contain large populations, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion that the particular parts of such parishes hereinafter mentioned, none of which parts at present contains within its limits any consecrated church or chapel in use for the purposes

of divine worship, should be respectively constituted separate districts in manner hereinafter set forth :

" Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Thomas, Bishop of Ripon, in testimony whereof he has signed and sealed this scheme, that all those parts of the said parish of Leeds, and of the separate district of All Saints constituted thereout, and of the said parish of Hunslet, respectively described in the schedules hereunto annexed, and therein numbered respectively 1, 2, 3, and 4, all which parts, together with the boundaries thereof, are delineated and set forth in the maps or plans hereunto also annexed, and numbered in like manner, shall be respectively constituted separate districts for spiritual purposes accordingly; and that the same shall be respectively named as follows; that is to say, the district described in the schedule numbered 1 as aforesaid shall be named 'The District of Burmantofts,' the district described in the schedule numbered 2 as aforesaid shall be named 'The District of Pottery Field,' the district described in the schedule numbered 3 as aforesaid shall be named 'The District of New Wortley,' and the district described in the schedule numbered 4 as aforesaid shall be named 'The District of Brewery Field.'

" And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation, aggregate or sole, or to either of the universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority :

" And whereas a certain fund was bequeathed by Jane Mathewman, of Harrogate, in the said county of York, widow, lately deceased, to William Beckett and John Atkinson, both of Leeds, Esquires, as trustees, to apply the same towards promoting, in the borough of Leeds, divine worship according to the liturgy and usages of the United Church of England and Ireland, in such manner as the said William Beckett and John Atkinson, with the sanction of the Bishop of Ripon for the time being, should think fit; and the said William Beckett and John Atkinson, as such trustees, with the sanction of the said Charles Thomas, Bishop of Ripon, have, out of the said fund, contributed and transferred to our account and into our name, in the books of the Governor and Company of the Bank of England, a sum of three pounds per centum Consolidated Bank Annuities sufficient to produce the full annual endowment of one hundred and fifty pounds, required by the said Act as aforesaid, for the permanent endowment of the said district or new parish of Burmantofts, and the annual sum of seventy-five pounds towards the permanent endowment of each of the said districts or new parishes of Pottery Field, New Wortley, and Brewery Field, so herein recommended to be constituted as aforesaid :

" And whereas the said William Beckett and John Atkinson have, by an instrument in writing

under their hands, nominated to us, the several persons hereinafter named and described, as trustees of the patronage in perpetuity of the said district of Burmantofts, and of the right of nomination of the minister or perpetual curate thereof; and have, in and by the same instrument, proposed that vacancies in the trusteeship of such patronage shall be filled up from time to time in manner hereinafter mentioned :

" We therefore further recommend and propose, that the patronage of the said district or new parish of Burmantofts, and the right of nomination of the minister or perpetual curate thereof, shall be assigned in perpetuity to the said William Beckett and John Atkinson, together with Henry Hall, Joseph Prince Garlick, and Edward Wilkinson, all of Leeds aforesaid, Esquires, as trustees for such purpose; and that such patronage and right of nomination of the minister of such district or new parish shall for ever thereafter be exercised by the same persons, or the survivors or survivor of them, as such trustees, and by such future trustee or trustees, being a member or members of the United Church of England and Ireland, as shall from time to time be nominated by writing under the hands or hand of the trustees or trustee for the time being of the said district or new parish, in the place and stead of any one or more of them who shall from time to time die, resign, or become incapable of acting; provided always, that the number of such trustees shall not at any time exceed five, and that the several powers so to be exercised by them shall from time to time be exercised by a majority of such trustees for the time being.

" And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the said district of Burmantofts so herein recommended to be constituted, when duly licensed according to the said Act, or when such district shall have become a new parish, according to the provisions of the same Act, to the perpetual curate thereof, the sum of one hundred and fifty pounds, by equal half-yearly payments on the first day of May and the first day of November in every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or perpetual curate; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

" And we further recommend and propose, that there shall be paid by us in each and every year, to the ministers, for the time being, of each of the said districts of Pottery Field, New Wortley, and Brewery Field, so herein recommended to be constituted as aforesaid, when duly licensed according to the said Act, the sum of one hundred and twenty-five pounds; and that upon any building within any of the said districts being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to the minister thereof the further sum of fifteen pounds, making in the whole the sum of one hundred and forty pounds; and that so soon as any church or chapel within any such district shall have been duly approved by us, and consecrated as the church or chapel of such district,

for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate, for the time being, of such new parish the sum of one hundred and fifty pounds; and that the said sums of one hundred and twenty-five pounds, one hundred and forty pounds, or one hundred and fifty pounds, as the case may be, shall be paid by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first of such payments respectively, or proportionate parts thereof, shall be made on the first day of May or of November next after the days of the dates of the licences of any of such ministers or buildings, or of the consecration of such churches or chapels respectively as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of any such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

AT the Court at Buckingham-Palace, the 3rd day of February 1851,

PRESENT,

The QUEEN's Most Excellent Majesty in Council

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament, held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled “An Act for carrying into effect the Reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to Ecclesiastical Duties and Revenues, so far as they relate to Episcopal Dioceses, Revenues, and Patronage,” and of another Act, passed in the session of Parliament, held in the third and fourth years of Her Majesty's reign, intituled “An Act to carry into effect, with certain modifications, the fourth Report of the Commissioners of Ecclesiastical Duties and

"Revenues," and of another Act, passed in the last session of Parliament, intituled "An Act to amend the Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council, a scheme, bearing date the twenty-third day of January, in the year one thousand eight hundred and fifty-one, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament, held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled 'An Act for carrying into effect the Reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to Ecclesiastical Duties and Revenues, so far as they relate to Episcopal Dioceses, Revenues, and Patronage,' and of another Act, passed in the session of Parliament, held in the third and fourth years of Her Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act, passed in the last session of Parliament, intituled 'An Act to amend the Acts relating to the Ecclesiastical Commissioners for England,' have prepared and now humbly lay before Your Majesty in Council the following scheme for augmenting the income of the Archdeaconry of Worcester, and for abolishing peculiar and exempt jurisdictions in the diocese of Worcester.

"Whereas by the secondly recited Act it is enacted, that any archdeaconry may, subject to the consent of the bishop, be endowed, amongst other modes, by augmentation out of the common fund, in the same Act mentioned, but not so as to raise the average annual income to an amount exceeding two hundred pounds, provided that no archdeacon shall be entitled to hold any endowment or augmentation or other emolument as such archdeacon, under the provisions of the same Act, unless he shall be resident for the space of eight months in every year within the diocese in which his archdeaconry is situate, but subject to the same provisions as to licences for non-residence which are enacted with respect to incumbents of benefices by the Act relating to pluralities and the residence of the clergy in the same Act mentioned. And it is by the said secondly recited Act further enacted, that upon the endowment of an archdeaconry being made under the provisions thereof, all lands, tithes, and other hereditaments (except any right of patronage), belonging to such archdeaconry at the time of such endowment may, with the consent of the bishop of the diocese and of any archdeacon in possession at the time of the passing of the same Act, and by the authority therein provided, be vested in us for the purposes of the same Act:

"And whereas by the thirdly recited Act it is declared and enacted, that in the case of any archdeaconry, which shall no longer be held by the archdeacon who was at the time of the passing of the said secondly recited Act in possession thereof, the provisions of the same Act which relate to the transfer to us of the estates of any archdeaconry upon its endowment in either of the modes therein provided, shall be construed and held to authorize such transfer with the consent of the bishop of the diocese, and of the archdeacon in possession of the archdeaconry at the time:

"And whereas the said Archdeaconry of Worcester is endowed with the rectory or parsonage of Claverdon, in the county of Warwick, together with the tithes of the chapelry of Norton Lindsey,

thereto annexed, now demised upon a lease for lives, and the remaining emoluments of the said archdeaconry do not exceed the annual sum of sixty-four pounds:

"We, therefore, with the consent of the Right Reverend Henry, Bishop of Worcester, and of the Venerable Richard Brindley Hone, the present Archdeacon of Worcester, testified by their having respectively signed and sealed this scheme, humbly recommend and propose that there shall be paid by us out of the said common fund to the said Richard Brindley Hone and his successors in the said archdeaconry, so long as he and they shall respectively hold the same, and shall duly reside, in accordance with the provisions of the said secondly recited Act, the annual sum of one hundred and thirty-six pounds, on the first day of May in every year, and every such whole yearly payment shall be made only on production to us of a certificate, under the hand of the bishop of the diocese for the time being, that the said Richard Brindley Hone, or his successor for the time being in the said archdeaconry, has duly resided as aforesaid during the preceding year, or on the production to us of a licence of non-residence, and that the first such yearly payment shall be made on the first day of May next. And further, that all lands, tenements, and hereditaments whatsoever, including the said rectory or parsonage of Claverdon, together with the tithes of Norton Lindsey aforesaid, at any time heretofore annexed to, and now forming part of, the endowment of the said Archdeaconry of Worcester, shall forthwith be disannexed therefrom, and become and be absolutely transferred to and vested in us, for the purposes of the said recited Act.

"And whereas it is by the first-recited Act enacted that we shall from time to time prepare and lay before your Majesty in Council schemes for carrying into effect certain recommendations therein recited, (inter alia, that the limits of deaneries and archdeaconries be newly arranged, so that every parish and extra-parochial place be within a rural deanery, and every deanery within an archdeaconry,) and it is provided that it shall be competent to us to propose in any such scheme that all parishes, churches, or chapelries which are locally situate in any diocese, but subject to any peculiar jurisdiction other than the jurisdiction of the bishop of the diocese in which the same are locally situate, shall be only subject to the jurisdiction of the bishop of the diocese within which such parishes, churches, or chapelries are locally situated:

"And whereas by the thirdly recited Act it is declared and enacted that the arrangements with reference to peculiar or exempt jurisdictions which we are, under the provisions of the said first recited Act, empowered and authorized to propose in any scheme for carrying into effect any of the recommendations therein recited, may be recommended and proposed in any scheme or schemes, whether relating to such arrangements solely, or also to any other matter and thing contained in any or either of the Acts therein recited, or of the Act now in recital:

"We, therefore, further recommend and propose that upon, and after the day on which any Order of your Majesty in Council ratifying this scheme shall be duly published in the London Gazette, all parishes and places locally situate within the limits of the said diocese of Worcester, and of the several archdeaconries of the same respectively, and all churches and chapels, and the whole clergy and others, your Majesty's subjects, locally situate within the limits of such parishes and places respectively, shall, notwithstanding any peculiar or

other ecclesiastical jurisdiction or exemption from jurisdiction which any of such parishes, places, churches, chapels, or clergy may possess or be subject to, or claim to possess or be subject to, be respectively under and subject only to the jurisdiction and authority of the Bishop of Worcester, and of the respective archdeacons of the several archdeaconries of the said diocese of Worcester, within the limits of which they shall respectively be so locally situate, except the cathedral church of Worcester, which shall remain and be subject to the jurisdiction and visitation to which the same is now by law subject and to none other.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Worcester.

*Wm. L. Bathurst.*

AT the Court at *Windsor*, the 11th day of *February* 1851,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a report from the General Board of Health, dated the seventh day of December one thousand eight hundred and fifty, in the words following; that is to say:

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the township of Altrincham, in the parish of Bowdon, in the county of Chester, the said township being a place having a known and defined boundary, (the number of the said petitioners greatly exceeding thirty in the whole), directed Robert Rawlinson, a superintending inspector appointed for the purposes of the said Public Health Act, to visit the said township, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such township for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said township, or having relation to the purposes of the said Public Health Act; also as to the natural drainage areas, and the existing municipal, parochial, or other local boundaries which might be most advantageously adopted for the purposes of that Act;

"And the said superintending inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

"And copies of the said report, accompanied by a notice, stating that written statements might be forwarded to the said Board, with respect to any matter contained in or omitted from the said report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed;

"And it appears by the said report that there is no local Act of Parliament in force within the said township for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such township, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

"Now, therefore, We, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty, that it appears to us to be expedient that the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to, and be in force within and throughout the entire area, places, and parts of places comprised within the said township, and that such area, places, and parts of places should be and constitute a district, for the purpose of the said Public Health Act accordingly.

"2. That the Local Board of Health to be elected under the said Public Health Act shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

"3. That the first election of the said Local Board of Health shall take place on the twenty-sixth day of March, one thousand eight hundred and fifty-one.

"4. That one-third in number of the said Local Board shall go out of office on the twenty-sixth day of March in each year subsequently to that in which the said election takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then such one-third shall go out of office on the day next following.

"5. That every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than one thousand pounds; or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than thirty pounds.

"6.
