

and profits thereof, due consideration shall be had of the wants and circumstances of the places in which such tithes now arise or have arisen :

" Now, therefore, we humbly recommend and propose, that out of the said common fund there shall be paid by us, in each and every year, to the incumbent for the time being of each of the benefices or churches described in the schedules hereunto annexed marked respectively B and C, the fixed annual sum set opposite to the name of such benefice or church in the last column of the same schedules respectively, by equal half-yearly payments, on the first day of May and the first day of November in each year, but in the case of St. Bartholomew, Cripplegate, contained in the schedule C, not after the avoidance by the Venerable John Banks Hollingworth of the united benefices and rectories of Saint Margaret, Lothbury, Saint Christopher le Stocks, and Saint Bartholomew, Exchange, in the city of London, now held by him; provided nevertheless that the amount of the first payment in respect of each of such grants on the first day of May next shall be calculated from such date as according to the special circumstances of the case shall appear to us to be just and reasonable :

" And we further recommend and propose, that the rentcharge in lieu of tithe particularly described in the schedule hereunto annexed marked F, now vested in us for the purposes of the said Act, shall, without any conveyance or assurance in the law other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from

the day of the gazetting thereof, be transferred to and become absolutely vested in possession in the Rev. J. Lloyd Richards, Perpetual Curate of the parish of Llanwyddyn, in the county of Montgomery, and diocese of St. Asaph, and his successors, perpetual curates thereof for ever; and that the land and rentcharge in lieu of tithe particularly described in the schedule hereunto annexed, marked G, also vested in us for the purposes of the said Act, shall in like manner, and at the same time, be transferred to, and become absolutely vested in, the Reverend Henry Parsons, Perpetual Curate of the parish of Sandhurst, in the county of Berks, and diocese of Oxford, and his successors, perpetual curates thereof, for ever.

" And we further recommend and propose, that nothing herein contained shall prevent the further augmentation of any of such benefices or churches, if it shall be deemed fit, when there shall be sufficient means for that purpose; and that if it shall appear to us to be expedient, at any future time, that instead of the annual sum then in course of payment by us to the incumbent of any benefice, or instead of any part of such annual sum, any land tithe or other hereditament should be conveyed to such benefice in fee, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution :

" And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measure for making better provision for the cure of souls, in conformity with the provisions of the said recited Act, or of any other Act of Parliament.
