TUESDAY, SEPTEMBER 23, 1851.

At the Court at *Buckingham-Palace*, the
7th day of *August* 1851,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the seventh day of August, in the year one thousand eight hundred and fifty-one, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme, for making better provision for the cure of souls in certain parishes where such assistance is most required, and also for compensating certain spiritual persons whose emoluments have been diminished by reason of proceedings under the lastly-recited Act.

"Whereas by the first-recited Act it is enacted, that, except as therein otherwise specified, all the monies and revenues to be paid to us, and all the rents and profits of the lands, tithes, and other hereditaments vested and to be vested in us by and under the authority of the same Act, together with all accumulations of interest produced by and arising therefrom, shall be from time to time carried over by us to a common fund, and by pay-

ments or investments made out of such fund, or, if in any case it be deemed more expedient, by means of an actual conveyance and assignment of such lands, tithes, or other hereditaments, or of a portion thereof, additional provision shall be made by the authority in the same Act provided (that is to say, by Orders of your Majesty in Council, ratifying schemes prepared by us), for the cure of souls in parishes where such assistance is most required, in such manner as shall, by the like authority, be deemed most conducive to the efficiency of the Established Church; provided always, that in making any such additional provision out of any tithes, or any lands or other hereditaments allotted or assigned in lieu of tithes, so vested or to be vested in us, or out of the rents and profits thereof, due consideration shall be had of the wants and circumstances of the places in which such tithes now arise or have arisen:

"Now, therefore, we humbly recommend and propose, that out of the said common fund there shall be paid by us, in each and every year, to the incumbent for the time being of each of the benefices or churches described in the schedules hereunto annexed, marked respectively A. and C., the fixed annual sum set opposite to the name of such benefice or church in the last column of the same schedules respectively, by equal half-yearly payments, on the first day of May and the first day of November in each year; provided nevertheless that the amount of the first payment on the first day of November next in respect of each of the annual sums specified in the said schedules shall be calculated from such date as, according to the circumstances of each case, shall appear to us to be just and reasonable; provided also, that in the case of the Vicarage of Highworth, mentioned in the schedule hereunto annexed, marked C., the payments shall be made only on the production to us of a certificate, under the hand of the bishop of the diocese, that the appointed services have been regularly performed at the chapel of Broad Blunsden by a curate duly licensed thereto.

"And we further recommend and propose, that the land particularly described in the schedule hereunto annexed, marked F., now vested in us for the purposes of the said Act, shall, without any conveyance or assurance in the law other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the gazetting

thereof, be transferred to and become absolutely vested in possession in the Reverend John Vaughan Lloyd, Vicar of the parish of Hope, in the county of Flint and diocese of St. Asaph, and his successors, vicars thereof, for ever; and that the land particularly described in the schedule hereunto annexed, marked G., also vested in us for the purposes of the said Act, shall in like manner, and at the same time, be transferred to and become absolutely vested in the Reverend John Wynne, Vicar of the parish of Llandrillo, in the county of Merioneth, and in the said diocese of St. Asaph, and his successors, vicars thereof, for ever, in addition to the annual sum of twenty-six pounds, referred to in the said schedule marked C.

“And we further recommend and propose, that nothing herein contained shall prevent the further augmentation of any of the said benefices or churches, if it shall be deemed fit, when there shall be sufficient means for that purpose; and that if it shall appear to us to be expedient, at any future time, that instead of the annual sum then in course of payment by us to the incumbent of any benefice, or instead of any part of such annual sum, any land, tithe, or other hereditament should be conveyed to such benefice in fee, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution.

“And whereas the herein secondly recited Act, together with the Acts therein recited, authorize the assigning at any time, and from time to time, to the incumbent of any church or chapel whose fees, dues, or other emoluments shall be diminished by, or in consequence of, any proceeding under the provisions of such secondly-recited Act, of such an annual sum as shall upon due inquiry appear to be a just and reasonable compensation for such diminution:

“And whereas by certain duly gazetted Orders of your Majesty in Council for confirming certain schemes prepared by us, pursuant to the same

Act, certain new parishes have been duly constituted, and the perpetual curates thereof respectively have become entitled to receive certain fees, dues, and other emoluments arising therein, and we deem it just and reasonable that compensation should be made to the incumbents of the churches or chapels hereinafter mentioned, whose fees, dues, or other emoluments have been diminished by or in consequence of such proceedings, and that the annual sums hereinafter mentioned should be assigned to such incumbents:

“We, therefore, further recommend and propose, that, in respect of the new parish of Whitfield, in the county of Derby, and diocese of Lichfield, there shall be forthwith paid by us to the legal representative or representatives of the Reverend Christopher Howe, deceased, late Vicar of Glossop, in the same county and diocese, the sum of fifty pounds by way of such compensation as aforesaid; and that in respect of the new parishes mentioned in the first column of the schedule hereunto annexed, marked H., there shall be paid by us, to the several incumbents named and described in the second column of the same schedule, so long as they shall respectively remain such incumbents, and no longer, the annual sums mentioned in the third column thereof by way of such compensation as aforesaid, by equal half-yearly payments, on the first day of May and the first day of November in each year, and that the payment to be made in each case on the first day of November next shall be a sum calculated at the annual rate applicable to such cases from the day on which the fees, dues, and other emoluments became so as aforesaid receivable by the perpetual curates of such new parishes respectively.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament.
