TREASURY WARRANT.

WHEREAS by an Act, passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," the Postmaster-General is authorized to charge on all letters conveyed by packet-boats between one part of Her Majesty's dominions and another part of the same dominions, and between Her Majesty's dominions and foreign parts where post communications shall be established, such rates of postage as the Commissioners of Her Majesty's Treasury, by warrant under their hands, shall from time to time direct:

Now we, the undersigned, being two of the Commissioners of Her Majesty's Treasury, do, in exercise of the power and authority in us for such purpose vested in and by the said Act, and of all other powers and authorities enabling us in this behalf, direct that on every letter not exceeding half an ounce in weight, transmitted by the post between any place in the United Kingdom and any port in Goree, Liberia, Lagos, Bonny, Old Calebar, Cameroons, and Fernando Po, on the coast of Africa, or between any ports in Goree, Liberia, Lagos, Bonny, Old Calebar, Cameroons, and Fernando Po, without passing through the United Kingdom (the sea conveyance of such respective letters being by packet-boat), there shall be charged and paid, in lieu of any rates of postage now payable thereon, a rate of postage of one shilling.

And we further direct that, on every letter transmitted as is mentioned in this warrant, exceeding half an ounce in weight, there shall be charged and paid progressive and additional rates of postage as follows; that is to say:

On every letter exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every letter exceeding one ounce, and not exceeding two ounces in weight, four rates of postage.

On every letter exceeding two ounces, and not exceeding three ounces in weight, six rates of postage.

And on every letter exceeding three ounces, and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces there shall be charged and taken two additional rates of postage; and every fraction of an ounce above the weight of four ounces shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum of one shilling.
