of Great Britain and Ireland, do hereby give  
notice, that the contract for supplying

#### SHOES,

for the Seamen of Her Majesty's Navy,  
is POSTPONED from Thursday the 30th instant to  
Thursday the 6th January 1853, on which latter  
day, at one o'clock, tenders will be received, and  
that the shoes are to be delivered at Deptford,  
Gosport, and Plymouth, instead of at Deptford  
only.

Patterns of the shoes and the conditions of the  
revised contract, to which particular attention is  
called, may be seen at the said office, and at  
Gosport and Plymouth.

### CONTRACT FOR PILLOW CASES.

Department of the Comptroller for  
Victualling and Transport Services,  
Somerset-Place, December 14, 1852.

**T**HE Commissioners for executing the office of  
Lord High Admiral of the United Kingdom  
of Great Britain and Ireland do hereby give notice,  
that, on Thursday the 30th instant, at one o'clock,  
they will be ready to treat with such persons as may  
be willing to contract for supplying and delivering  
into the Transport Stores at Her Majesty's Vic-  
tualling Yard at Deptford, half in two months,  
and the remainder in one month afterwards,

1,000, number, PILLOW CASES, for the  
Transport Service.

A pattern of the pillow case and the conditions  
of the contract may be seen at the said office.

No tender will be received after one o'clock on  
the day of treaty, nor any noticed, unless the  
party attends, or an agent for him duly authorized  
in writing.

Every tender must be addressed to the Secretary  
of the Admiralty, and bear in the left-hand corner  
the words "Tender for Pillow Cases," and must  
also be delivered at Somerset-place, accompanied  
by a letter, signed by a responsible person, engaging  
to become bound with the person tendering in the  
sum of £100 for the due performance of the con-  
tract.

### MARINE BARRACK CANTEENS.

Department of the Comptroller for  
Victualling and Transport Services,  
Somerset-Place, December 7, 1852.

**N**OTICE is hereby given, that on Thursday  
the 30th instant, at one o'clock, the Canteens  
in the undermentioned barracks will be let from  
the 31st instant to the 1st January 1856, by order  
of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character,  
nor any person for more than one Canteen, or  
who will not undertake *bonâ fide* to reside in or  
occupy the Canteen, and conduct the business thereof  
in his own person, will be approved; and two sureties  
will be required for the regular payment of the  
rent, and of all sums which may become due in  
respect of the said Canteen, and for the due per-  
formance of the several conditions and stipulations  
of the indenture of lease. The revenue or other  
licences to be paid by the tenant.

The person whose proposal shall be accepted,  
and his sureties, must execute an indenture of lease  
and covenants relating thereto, the particulars  
whereof may be known by applying to this Office,  
or to the Barrack Masters at the several barracks.

The Christian and Surnames of two respectable  
persons, with their professions and places of abode,  
who will join the tenant in executing the indenture  
of lease as his sureties, must be inserted in the pro-  
posals. The tenant is to pay half the value of the  
stamps on the indenture of lease upon executing  
the same, and it is to be understood that the said  
Commissioners will not undertake to procure the  
tenant a licence.

A printed form of the tender and indenture of  
lease may be had at this office, or on application  
to the respective Barrack Masters. No tender will  
be received after one o'clock, on the day of treaty,  
nor any noticed, unless the party attends, or an  
agent for him duly authorized in writing.

Every tender must be addressed to the Secretary  
of the Admiralty, and bear in the left-hand corner  
the words, "Tender for Marine Barrack Canteen,"  
and must also be delivered at the Office of the  
Comptroller for Victualling and Transport Ser-  
vices, at Somerset-place.

By the Mutiny Act, Canteens are not liable to  
have troops billeted on them.

As all persons becoming tenants of Canteens  
will be bound to the strict performance of the  
covenants of the indenture of lease, and to the full  
payment of the rent and privilege of sale to the  
troops, without any remission or reduction under  
any circumstances whatever, they are hereby  
cautioned to make themselves fully acquainted with  
the conditions of letting, prior to their making a  
proposal.

The rents of the Canteens as tenements or  
dwellings are to be proposed at the sums stated  
opposite to each in the following list; therefore the  
biddings will be upon what is offered for every ten  
men per month, exclusive of sergeants occupying the  
barracks, the number being ascertained from the  
Barrack Master's returns, made up at twelve  
o'clock at noon on the first day of every month,  
and no changes in the occupation of the barrack  
which may take place in the progress of the month,  
either for or against the tenant, will be taken into  
account. No less number than ten will be charged  
against the tenant, nor will any odd number be  
calculated: thus, if the barrack should be occupied  
by 148 men on the first day of the month, only 140  
will be calculated for that month. The bidders  
are also desired to introduce no fractional parts of  
a penny in their offers, as they will not be noticed,  
nor will any tenders be noticed except such as are  
strictly according to the form furnished.
