**A**T the Court at *Windsor*, the 7th day of *February*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by an Act passed in the session of Parliament, holden in the fifteenth and sixteenth years of Her Majesty's reign, intituled "An Act to consolidate and amend the laws relating to the Militia," it was enacted "that it should be lawful for Her Majesty from time to time, where with the advice of Her Privy Council she might see fit so to do, to extend or reduce the period of training and exercise of all or any part of the militia, so as the whole period of training and exercise in any year should not exceed fifty-six days nor be less than three days."

And whereas it has seemed fit to Her Majesty, by and with the advice of Her Privy Council, to extend the period of training and exercise of the militia in the present year one thousand eight hundred and fifty-three.

Now, therefore, Her Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that the period of training and exercise of all the regiments and corps of the militia in England and Wales be extended for and during the present year one thousand eight hundred and fifty-three, so that the whole period of training and exercise of the said regiments and corps, in the said year one thousand eight hundred and fifty-three, shall not in any case exceed fifty-six days nor be less than three days; and Her Majesty is further pleased to direct that this order be forthwith published in the London Gazette, and be transmitted to the respective

**A**T the Court at *Windsor*, the 7th day of *February*, 1853,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by an Act passed in the session of Parliament held in the fifteenth and sixteenth years of Her Majesty's reign, it is enacted, that in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, burials in any part or parts of the metropolis, or in any burial grounds or places of burial in the metropolis, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of her Privy Council, to order that from and after a time mentioned in the order, burials in such part or parts of the metropolis, or in such burial grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such order, and so from time to time as circumstances may require; provided that notice of such representation, and of the time when it shall please Her Majesty to order the same to be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of the parishes in which any burial grounds or places of burial affected by such representation shall be situate, or on some other conspicuous places within the part or parts of the metropolis affected by such representation, one calendar month, or where any order made under "The Nuisances Removal and Diseases Prevention Act, 1848," directing the provisions of that Act for the prevention of epidemic, endemic, and contagious diseases, to be put in force, is in force within such part or parts, then seven days at the least before such representation is so considered:

And whereas a representation has been made by the Right Honourable Viscount Palmerston, one of Her Majesty's Principal Secretaries of State, stating that, for the protection of the public health, burials in the grounds attached to the parish church of the parish of Saint Mary Islington, commonly called "The Old and New Grounds," should be discontinued, and that burials should be discontinued in the ground attached to the chapel of ease in the Holloway-road, in the said parish, and commonly called the "Chapel of Ease Burial Ground," subject to the following exception and qualification; that is to say: that burials shall be permitted for the next two years in that part of the said ground which has not yet been used, and the right of interment, with proper precautions, in private vaults in the said ground, shall be reserved:

Majesty's Most Honourable Privy Council on Tuesday the fifteenth day of March next :

And Her Majesty is further pleased to direct that this order be forthwith published in the London Gazette ; and that copies thereof be affixed on the doors of the parish church of Saint Mary Islington, and of the chapel of ease in the Holloway-road, in the said parish, or on some conspicuous places within the part or parts of the metropolis affected by such representation, one calendar month at the least before the said fifteenth day of March next.

*Wm. L. Bathurst.*

AT the Court at *Windsor*, the 7th day of *February*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS Her Majesty's Commissioners for building new churches have, in pursuance of the sixteenth section of an Act, passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled "An Act to amend and render more effectual an Act passed in the last session of Parliament for building and promoting the building of additional churches in populous parishes," and also of the third section of an Act passed in the session of Parliament holden in the second and third years of Her Majesty's reign, intituled "An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes," duly prepared and laid before Her Majesty in Council a representation, bearing date the fifteenth day of January, one thousand eight hundred and fifty-three, in the words following; viz.:

"Your Majesty's Commissioners for building new churches beg leave humbly to represent, that having taken into consideration all the circumstances of the parish of Hart, in the county and diocese of Durham, it appears to them to be expedient that a particular district should be assigned to the consecrated church of the Holy Trinity, situate at Hartlepool, in the said parish of Hart, under and by virtue of the power or authority contained in the sixteenth section of an Act passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled 'An Act to amend and render more effectual an Act passed in the last session of Parliament for building and promoting the building of additional churches in populous parishes,' and also in the third section of an Act passed in the session of Parliament holden in the second and third years of your Majesty's reign, intituled 'An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes,' and that such proposed district should be named or called 'The District Chapelry of the Holy Trinity, Hartlepool,' and that the boundaries thereof should be those hereinafter mentioned; that is to say: the boundary line of the district chapelry of the Holy Trinity, Hartlepool, commences from a bound stone placed by the sea shore, close by the Town Moor, and proceeds westerly therefrom in a straight line, passing on the south side of Moor House as far as the Stripes along the same, crossing Northgate and down Sunny Side to the south-eastern corner of Victoria Dock, then skirting the

south-western side of that dock until it reaches the boundary line of the parish of Stranton, then proceeds along such boundary line until it leaves the same at the southernmost point of the last field belonging to Low Warren Farm, and from thence proceeding westerly to the south-western corner thereof, and from thence following the boundary of such farm until it reaches the sea shore, where another bound stone is placed, and from such bound stone proceeds south-easterly along the sea shore to the point where the first-mentioned bound stone is placed and where the boundary commenced, which district chapelry is more particularly shewn by the map or plan hereto annexed, and is thereon coloured pink.

"Your Majesty's said Commissioners beg leave further to represent that it also appears to them to be expedient that banns of matrimony should be published, or continue to be published in the said church of the Holy Trinity, at Hartlepool, and also that marriages, baptisms, churchings, and burials should be solemnized or performed, or continue to be solemnized or performed, in the same church, and that the fees to arise therefrom should be paid and belong to the minister or incumbent for the time being of Trinity Church aforesaid, for his own use and benefit.

"That the consent of the Right Reverend Edward, Bishop of the said diocese of Durham, has been obtained thereto, as required by the Acts and sections hereinbefore mentioned, in testimony whereof he has signed and sealed this representation.

"Your Majesty's said Commissioners, therefore, humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such order in respect thereto as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, and it is hereby ordered, that the proposed assignment of a district chapelry be accordingly made, and that the recommendations of the said Commissioners in respect of the publication of banns, and the solemnization of marriages, baptisms, churchings, and burials, and the fees arising therefrom, be carried into effect; agreeably to the provisions of the said Acts ; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Durham.

*Wm. L. Bathurst.*

AT the Court at *Windsor*, the 7th day of *February*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Report from the General Board of Health, dated the eighteenth day of January, one thousand eight hundred and fifty-three, in the words following ; that is to say :

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and

within the township of Keswick, in the parish of Crosthwaite, in the county of Cumberland, the said township being a place having a known and defined boundary (the number of the said petitioners greatly exceeding thirty in the whole), directed Robert Rawlinson, a superintending inspector appointed for the purposes of the said Public Health Act, to visit the said township, and to make public inquiry, and to examine witnesses, as to the sewerage, drainage and supply of water, the state of the burial grounds, the number and sanitary condition of the inhabitants; and as to any local Acts of Parliament in force within such township for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said township, or having relation to the purposes of the said Public Health Act; also as to the natural drainage areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

"And the said superintending inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

"And copies of the said report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said report or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed; and the statement which has been received by the said Board, has been duly deposited as required by that Act;

"And it appears by the said report, that there is no local Act of Parliament in force within the said township for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such township or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

"Now, therefore, we, the said General Board of Health, do hereby in pursuance of the Public Health Act, humbly report to your Majesty that it appears to us to be expedient:

"1. That the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the aforesaid township of Keswick, in the parish of Crosthwaite, in the county of Cumberland, and that such area, places, and parts of places should be and constitute a district for the purposes of the said Public Health Act accordingly.

"2. That the Local Board of Health to be elected under the Public Health Act should consist of nine persons, and that the entire number should be elected for the whole of the said district.

"3. That the first election of the said Local Board of Health should take place on the twenty-third day of February, in the year of our Lord one thousand eight hundred and fifty-three.

"4. That one-third in number of the said Local Board should go out of office on the thirty-first day of March in each year subsequently to that in which the said first election takes

place; but in case the day so appointed should fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third should go out of office on the day next following.

"5. That every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or should be so resident, and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than fifteen pounds.

"6. That at the first election of the said Local Board of Health, Joseph Hall, Esq., Solicitor, of Keswick aforesaid, should have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and ratepayers, and should perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said Joseph Hall, from illness or other sufficient cause, should be unable to exercise or discharge such powers or duties, or should be absent, or should refuse to act, then that the Reverend Thomas Dundas Harford Battersby, Perpetual Curate of Saint John's Church, Keswick, within the district aforesaid, should exercise and perform such of the said powers and duties as then remain to be exercised or performed.

"7. That the fourteen days' notice of qualification, required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, should be given to the said Joseph Hall, at his office, in Main-street, Keswick, within the district aforesaid, or in case he should refuse, or be unable to receive the same, then to the said Thomas Dundas Harford Battersby, at his residence, Saint John's Parsonage, likewise within the aforesaid district.

"Given under our hands, and under the seal of the General Board of Health, this eighteenth day of January, in the year of our Lord, one thousand eight hundred and fifty-three.

(Signed)

*William Molesworth.  
T. Southwood Smith."*

Now, therefore, Her Majesty having taken the said report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth hereby, under and in pursuance of the Public Health Act, 1848, order and direct:—

1. That from and after the date of this Order, the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the township of Keswick, in the parish of Crosthwaite, in the county of Cumberland, and that such area, places, and parts of places, shall be and constitute a district for the purposes of the said Public Health Act accordingly.

2. That the Local Board of Health to be elected under the said Public Health Act, 1848, shall

consist of nine persons, and that the entire number shall be elected for the whole of the said district.

3. That the first election of the said Local Board of Health shall take place on the twenty-third day of February, in the year of our Lord one thousand eight hundred and fifty-three.

4. That one-third in number of the said Local Board of Health shall go out of office on the thirty-first day of March in each year, subsequently to that in which the said first election takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then such one-third shall go out of office on the day next following.

5. That every person at the time of his election as member of the said Local Board of Health, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than fifteen pounds:

6. That at the first election of the said Local Board of Health, Joseph Hall, Esq., Solicitor, of Keswick aforesaid, shall have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and ratepayers, and shall perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said Joseph Hall, from illness or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then that the Reverend Thomas Dundas Harford Battersby, Perpetual Curate of Saint John's Church, Keswick, within the district aforesaid, shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.
