

No. 6.—After the transposition of stock accounts to the London books, the interest payable on such stock will be issued at the East India House, at the rate of two shillings and one penny per sicca rupee, by dividend warrants, payable at the Bank of England, at the same time as when the bills would have become due had the remittance of interest previously been received by bills of exchange drawn upon the Court, under the option allowed in the 3rd Article of the present notice.

No. 7.—Proprietors of stock in the Five per Cent. Transfer Loan, whose accounts may be open in the London books on the 22nd day of April, 1854, who shall not, on or before the 22nd day of July, 1853, express their assent, in writing, at the East India House, in London, to the conversion of their Five per Cent. Transfer Loan Stock into stock of the Four per Cent. Transfer Loan, will receive payment of their principal, together with the interest due thereon, up to the 22nd day of April, 1854, by a cash payment in London, on the 25th day of April, 1855, the date at which the bills would become due if the remittance of principal and interest were made from India by means of bills of exchange drawn upon the Court of Directors; the Court, however, reserving to themselves, in accordance with the stipulation in the first article of this notice, the power to postpone payment of such principal for one, two, or three years, upon allowing interest at five per cent., per annum, for the period of postponement.

No. 8.—No part of the Four per Cent. Transfer Loan shall be paid off before the 22nd day of April, 1874; and whenever it shall be redeemed, a previous notice of fifteen months shall be given by public advertisement, which notice may be issued at any time after the 21st of January, 1873; payment shall then be made, at the option of the creditors, either in cash in India, or by bills upon the Court of Directors, at twelve months, date, and two shillings and one penny the sicca rupee, with power to the Court to postpone payment of those bills for one, two, or three years, upon allowing interest at four per cent., per annum, for the period of postponement. The notice of payment, duly advertised as above, and published in the Government Gazette of Calcutta, shall be considered as equivalent to a tender of payment on the date advertised for discharge; and all interest will cease from that day.

No. 9.—Proprietors of stock in the Four per Cent. Transfer Loan, whose stock accounts may be open on the London books on the 22nd day of April, 1874, will be paid the amount of principal, together with the interest due thereon up to that date, by a cash payment in London, on the 25th day of April, 1875, at the rate of two shillings and one penny the sicca rupee; such payment of principal to be subject to the power of postponement upon the conditions mentioned in the preceding article.

By order of the Most Noble the Governor-General of India in Council.

J. A. Dorin, Secretary to the Government of India.

The Court of Directors also give notice that Proprietors to whom it may be inconvenient to attend at the East India House to signify their assent to the conversion of their stock of the Five per Cent. Transfer Loan into Four per Cent. Stock, under Article 7 of the above Notification, may obtain a proper form for signature by making a written application, addressed to the Secretary, at the East India House.

James C. Melville, Secretary.
