AT the Court at *Buckingham-Palace*, the 1st day of *April*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

HER Majesty in Council was this day pleased, upon a representation of the Right Honourable the Lords of the Committee of Council on Education, to appoint Scott Nasmyth Stokes, Esq. (and not *Scott Nosmyth Stokes, Esq.*, as stated in the Gazette of Tuesday last), to be one of Her Majesty's Inspectors of Schools.

AT the Court at *Buckingham-Palace*, the 1st day of *April*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament, held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-first day of March, in the year one thousand eight hundred and fifty-three, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale of certain property formerly belonging to the prebend of Lafford, or New Sleaford, in the cathedral church of Lincoln, and now vested in us.

"Whereas it is by the said Act (amongst other things) enacted, that notwithstanding the charge by that Act created (being a charge created in favour of the Governors of the Bounty of Queen Anne), all the same and the like powers and rights of ownership as are possessed and enjoyed respecting and over any lands, tithes, rent-charges, tenements, or other hereditaments whatsoever, by any

absolute owner thereof, shall be enjoyed by us with respect to and over all or any lands, tithes, rent-charges, tenements, or other hereditaments vested in us under certain Acts therein mentioned (being the Acts under which the property herein-after described is vested in us), and may, subject to the provisions of the same Acts, and of the now reciting Act, be exercised by us, by proper instruments in writing, duly executed according to law, with a certain proviso respecting the application of every sum of money received as the consideration or purchase-money for the sale, transfer, or conveyance by us of any of such lands, tithes, tenements, or other hereditaments, or of any estate or interest therein, and with a further proviso that none of such lands, tithes, tenements, or other hereditaments be sold, transferred, or conveyed, except by the authority of a scheme, and an Order issued by your Majesty in Council ratifying the same :

"And whereas all the lands, tenements, hereditaments, and endowments formerly belonging to the said prebend of Lafford, or New Sleaford, (except any right of Ecclesiastical patronage) became vested in us on the vacancy of the said prebend, subject to any legally subsisting lease or leases thereof :

"And whereas application has been made to us for the purchase of all our estate and interest in certain portions of the said lands, tenements, and hereditaments; and, after due consideration, it appears to us to be expedient that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable :

"We, therefore, humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell, and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements, hereditaments, or endowments heretofore belonging to the said prebend of Lafford, or New Sleaford, and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Lincoln.

C. C. Greville.

[The three following Orders in Council are substituted for those which appeared in the Gazette of Tuesday last.]

AT the Court at *Buckingham-Palace*, the 1st day of *April*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

And whereas, after giving to the Incumbents and Vestry Clerks of the parishes of Saint Margaret Lothbury, Saint Christopher-le-Stocks, and Saint Bartholomew Exchange, and in the parish of Saint Bartholomew the Great, in the city of London, ten days' previous notice of his intention to make such representation, The Right Honourable Viscount Palmerston, one of Her Majesty's Principal Secretaries of State, has made a representation, stating that, for the protection of the public health, burials in the said parishes, of Saint Margaret, Lothbury, Saint Christopher-le-Stocks, and Saint Bartholomew Exchange, and in the parish of Saint Bartholomew the Great, in the city of London, should be discontinued.

Now, therefore, Her Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on Saturday the fourteenth day of May next:

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette; and that copies thereof be affixed on the doors of the parish churches of

Saint Margaret Lothbury, Saint Christopher-le-Stocks, and Saint Bartholomew Exchange, and in the parish of Saint Bartholomew the Great, in the city of London, or on some conspicuous places within the part or parts of the metropolis affected by such representation, one calendar month at the least before the said fourteenth day of May next.
