

jesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, burials in any part or parts of the metropolis, or in any burial grounds or places of burial in the metropolis, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that from and after a time mentioned in the order, burials in such part or parts of the metropolis, or in such burial grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such order, and so from time to time as circumstances may require; provided that notice of such representation, and of the time when it shall please Her Majesty to order the same to be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of the parishes in which any burial grounds or places of burial affected by such representation shall be situate, or on some other conspicuous places within the part or parts of the metropolis affected by such representation, one calendar month, or where any order made under "The Nuisances Removal and Diseases Prevention Act, 1848," directing the provisions of that Act for the prevention of epidemic, endemic, and contagious diseases, to be put in force, is in force within such part or parts, then seven days at least before such representation is so considered; provided always, that no such representation shall be made in relation to the burial ground of any parish until ten days' previous notice of the intention to make such representation shall have been given to the Incumbent and the Vestry Clerk of such parish;

And whereas, after giving to the Incumbent and Vestry Clerk of the parish of Saint George, Bloomsbury, ten days' previous notice of his intention to make such representation, a representation was made by the Right Honourable Viscount Palmerston, one of Her Majesty's Principal Secretaries of State, stating that, for the protection of the public health, burials in the grounds attached to the said parish of Saint George, Bloomsbury, should be discontinued, with the exception and qualification that burials should be permitted for the next two years in that portion of the said ground which had not yet been used, on condition that it is used only for parishioners:

And whereas Her Majesty in Council was pleased, on the twenty-first day of February last, to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on Wednesday the thirtieth day of March last; and such notice has been published in the London Gazette, and copies thereof have been affixed on the doors of the parish church of Saint George, Bloomsbury, or on some conspicuous places within the part or parts of the metropolis affected by such representation, one calendar month at the least before the said thirtieth day of March last:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that burials in the grounds attached to the parish of Saint George, Bloomsbury, be discontinued from and after the twenty-first of this instant April, with the exception and qualification that burials be permitted for the next two years in that portion of the said ground which has not yet been used, on condition that it is used only for parishioners.

Wm. L. Bathurst.
