

Patent Law Amendment Act, 1852.
Office of the Commissioners of Patents for
Inventions.

NOTICE is hereby given, that—

891. Harry Winton, of the firm of Harry Winton and Sons, of Dove Mills, Cleveland-street, Birmingham, in the county of Warwick, Manufacturer, and Francis Parkes, of Sutton Coldfield Park, in the county of Warwick, Manufacturer, have given notice at the Office of the Commissioners of their intention to proceed with their application for letters patent for the invention of "improvements in the manufacture of agricultural and horticultural forks and pronged or toothed instruments, and hoes."

As set forth in their petition, recorded in the said office on the 27th day of November, 1852.

923. And Charles Hart, of the Vale of White Horse Iron Works, Wantage, in the county of Berkshire; Agricultural Implement Manufacturer, has given the like notice in respect of the invention of "a thrashing, straw-shaking, riddling, and winnowing machine combined."

926. And Charles Walker, of Heap Bridge, near Bury, in the county of Lancaster, Engineer, has given the like notice in respect of the invention of "improvements in the method of purifying water for steam boilers and other purposes."

As set forth in their respective petitions, both recorded in the said office on the 1st day of December, 1852.

940. And Noble Seward, of Caherconlish, in the county of Limerick, Gentleman, has given the like notice in respect of the invention of "improvements in applying hydro-pneumatic agency for obtaining motive power."

945. And Cornelius de Bergue, of Manchester, in the county of Lancaster, Engineer, has given the like notice in respect of the invention of "improvements in and applicable to looms for weaving."—A communication.

As set forth in their respective petitions, both recorded in the said office on the 3rd day of December, 1852.

1002. And James Spotswood Wilson, of Tavistock-place, in the county of Middlesex, Civil Engineer, has given the like notice in respect of the invention of "improvements in propelling."

As set forth in his petition, recorded in the said office on the 8th day of December, 1852.

And notice is hereby further given, that all persons having an interest in opposing any one of such applications, are at liberty to leave particulars in writing of their objections to such application, at the said Office of the Commissioners within twenty-one days after the date of the Gazette in which this notice is issued.

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for
Inventions.
