South Eastern Railway.—Strood to Maidstone.

Alteration of Line during progress of Bill.

WHEREAS a Bill is now pending in Parliament, intituled a Bill to enable the South Eastern Railway Company, to make a railway from Strood to Maidstone, and for other purposes; and whereas during the progress of the said Bill, and since the deposit of the plans and sections therein referred to, which plans and sections were deposited with the Clerk of the Peace for the county of Kent, at his office at Maidstone, in the month of November, in the year 1852, it has been found expedient that the railway by the said Bill intended to be authorized should, between the points on the line of such railway, in the parishes of Ditton and Aylesford, hereinafter mentioned, be constructed according to a different line from that delineated upon the said plans deposited as aforesaid. Now notice is hereby given, that application is intended to be made to Parliament in the present session, to insert in the said Bill all necessary and proper provisions for enabling the South-Eastern Railway Company to construct the railway by the said Bill proposed to be authorized, between the property numbered 2, in the parish of Ditton, on the said plans deposited as aforesaid, and the property numbered 19, in the parish of Aylesford, on the said plans, by a line situate wholly in the parishes of Ditton and Aylesford, but differing in its course and direction from that delineated upon the said plans, between the said properties numbered as aforesaid thereon.

And it is proposed to insert in the said Bill, powers to take lands and buildings by compulsion or agreement for the purposes of the said altered portion of railway, and to vary or extinguish all existing rights or privileges in any manner con-

nected with such lands and buildings, or which would in any manner impede or interfere with the construction or maintenance thereof.

And it is also proposed to insert in the said Bill, powers to stop up, alter, or divert all such turnpike or other roads and highways or streams, within the parish of Aylesford, as it may be necessary to stop up, alter, or divert, by reason of the construction of the said railway according to the altered line hereinbefore mentioned, and especially it is intended to alter and divert the public carriage road, numbered respectively 40 and 52 in the parish of Aylesford, on the plans deposited as aforesaid.

And it is proposed by the said Bill to take power to levy tolls for the use of the said altered portion of railway.

And notice is also hereby given, that plans and sections, describing the direction line and levels of the said intended altered portion of railway, and the lands through which the same is intended to be made, together with a book of reference to such plans, and a copy of this notice have been, in this present month of May, deposited for public inspection with the Clerk of the Peace for the county of Kent, at his office at Maidstone, and with the respective clerks of the parishes of Ditton and Aylesford, at their places of abode respectively. Dated 6th day of May, 1853.

THE Right Honourable Sir John Romilly, the Master of the Rolls, the Judge to whose Court this matter is attached, doth hereby peremptorily order, that a call of twenty pounds per share be made on all the contributories of this Company, whose names are included in the list of contributories so far as the same is at present settled. And the said Judge doth hereby peremptorily order, that each such contributory (except those who are included in the character of personal representatives of other persons or as certificated bankrupts), do, on Thursday the second day of June, one thousand eight hundred and fifty-three, at eleven of the clock in the forenoon, at the office of the Official Managers of this Company, at No. 11, Royal Arcade, Newcastle-upon-Tyne, pay to the said Official Managers the balance (if any) which shall be due from him after debiting his account in the Company's books with such call; and the said Judge doth hereby further peremptorily order such of the said several contributories as are contributories in the character of personal representative of other persons, at the same time and place to pay to the said Official Managers out of the personal assets of the several persons whom they respectively represent to be administered in a due course of administration, the balance (if any) which will be due from them respectively, as such personal representative, after debiting their several accounts with such call.
