Any of the notes, however, hereby advertized for payment, may be tendered to the Sub-Treasurers at Fort William, Fort St. George, and Bombay, to the several residents, collectors, and

other public officers authorized to receive subscriptions to Government loans, and exchanged for acknowledgments of subscription to the 4 per cent. loan of 1842-43.

These acknowledgements, together with the promissory notes for which they may have been issued, shall, without fee or expense of any kind to the Proprietors, be transmitted to the Deputy Accountant-General at Calcutta, who will forthwith cause to be prepared and issued to the parties entitled thereto, promissory notes in the 4 per cent loan of 1842-43.

Prompt settlement of principal and interest at the rate of 5 per cent. per annum, to the date of advertized discharge will be made with Proprietors, who may tender their notes for transfer to the 4 per cent. loan of 1842-43; provided, however, that interest at the rate of 4 per cent. shall be allowed only from the date advertized for the discharge of the 5 per cent. notes.

The fractional amount necessary to convert any note into one of even hundreds in Company's rupees at the prescribed rate of 16 Company's for 15 Sicca rupees, will be either paid to or received from the Proprietor at his option.

It is further notified that, for the accommodation of Proprietors, who are not resident in India, and who have not furnished full powers to their agents to receive the principal amount to be paid, the Most Noble the Governor-General of India in Council has authorized the Deputy Accountant-General to allow the conditional transfer of their notes to the 4 per cent. loan of 1842-43, leaving it optional with the Proprietors to confirm the transfer or to require payment in cash; provided, however, that no notice disallowing a transfer will be received after six months from the present date.

Published by order of the Most Noble the Governor-General of India in Council.
