The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament, held in the third and fourth years of Her Majesty's reign,

intituled "An Act to carry into effect with certain modifications the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act, passed in the session of Parliament, held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-third day of June, in the year one thousand eight hundred and fifty-three, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act passed in the session of Parliament held in the fourth and fifth years of your Majesty's reign, intituled 'An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,' have prepared, and now humbly lay before your Majesty in Council, the following scheme for substituting a money payment to the Succentor of the cathedral church of Saint Peter at York, for the property belonging to the said Succentorship.

"Whereas, by and under the provisions of the said Acts, the whole of the separate estates and endowments belonging to the said succentorship will (excepting any right of ecclesiastical patronage), upon the first avoidance of the same, become absolutely vested in us, for the purposes of the said Acts, and the chief of such purposes is that of making better provision for the cure of souls in parishes where such assistance is most required:

"And whereas it was by the same Acts enacted that by the authority therein provided, and for the purpose of fully carrying into effect any of the provisions thereof, any arrangement might from time to time be made, with the consent in writing under the hand of any dignitary of any cathedral church, for the sale, transfer, or exchange of any lands, tithes, or other hereditaments belonging to such dignitary, or for the purchase of other lands, tithes or other hereditaments in lieu thereof, or for substituting, in any case, any lands, tithes, or other hereditaments for any money payment, or any money payment for any lands, tithes, or other hereditaments:

"And whereas it has been agreed between us and the Honourable and Very Reverend Henry Edward John Howard, the present succentor of the said cathedral church that, with a view to sooner carrying into effect the purpose of the said recited Acts hereinbefore particularly mentioned, the following arrangement should be recommended by us to your Majesty in Council:

"We therefore, with the consent of the said Henry Edward John Howard, testified by his having signed this scheme, humbly recommend and propose, that, without any conveyance or assurance in the law, other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and after the day of such gazetting, all lands, tithes and other hereditaments whatsoever, (except any right of ecclesiastical patronage) now belonging to the said succentorship as aforesaid, or to or in which he has or ought to have any estate, right, title, or interest, shall, together with all such estate, right title, and interest therein, (except as aforesaid), be and be held to be, for the consideration herein-after mentioned, trans-

ferred and conveyed by and from the said Henry Edward John Howard to us, and shall then and thereupon become and be absolutely vested in us, for the purposes of the said Acts, subject only to any legally subsisting lease or leases thereof, or of any part or parts thereof; and that, in consideration of and for such transfer and conveyance, there shall be paid by us to the said Henry Edward John Howard, during the term of his natural life, the annual sum of sixty-six pounds, by equal half-yearly payments, on the fifteenth day of December and the fifteenth day of June; and that the first of such half-yearly payments shall be made on the fifteenth day of December next, provided that no renewal of any lease, nor any new lease, of the said lands, tithes or other hereditaments, or of any part thereof, shall, since the eighth day of March, in the year one thousand eight hundred and thirty-four, have been or shall be granted or made by the said Henry Edward John Howard; and that if the decease of the said Henry Edward John Howard shall happen on any other day than one of the said two half-yearly days of payment, then a proportionate sum only shall be paid to the representatives of the said Henry Edward John Howard.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Acts or either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of York.

AT the Court at *Buckingham Palace*, the 8th day of *August*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the Session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-third day of June, in the year one thousand eight hundred and fifty-three, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' have prepared and now humbly lay before your Majesty in Council, the following scheme, for making better provision

for the cure of souls in certain new parishes and districts in the diocese of London.

"Whereas it is by the said Act enacted, that arrangements may be made by the authority therein provided (that is to say, by a scheme prepared by us and a duly gazetted Order of your Majesty in Council ratifying the same), for the apportionment of the income of two benefices belonging to the same Patron, between the incumbents or ministers of such benefices, or the churches or chapels connected therewith: provided that no such arrangement shall be made in any case so as to prejudice the interest of any existing incumbent, nor without the consent of the Bishop of the Diocese; and where a Bishop is himself one of the Patrons, without the consent of the Archbishop also.

"And whereas by an Act, passed in the session of Parliament held in the second and third years of your Majesty's reign, intituled 'An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes,' it is enacted, that it shall and may be lawful for the Governors of the Bounty of Queen Anne, to accept, take, and hold, any endowments and emoluments which shall have been, or may thereafter be, provided for the use or benefit of any church or chapel, whether built, acquired, or appropriated, or to be built, acquired, or appropriated, under the authority of the Acts therein recited, or any of them, or under any other authority, or for the use or benefit of the incumbent of any such church or chapel, or of the spiritual person serving the same upon the trusts and for the intents and purposes for which the same shall have been, or may thereafter be given or granted, by the person or persons providing the same, in like manner as any such endowments or emoluments may now be taken or held by any private trustees or trustee; and it shall and may be lawful for any trustees or trustee of any such endowments or emoluments, to assign and transfer the same to the said Governors of the Bounty of Queen Anne, to be held and applied by them upon the same trusts and for the same intents and purposes as the same, previously to such assignment and transfer, were held by such trustees or trustee; provided, always, that no such gift, grant, assignment, or transfer, shall be made to the said Governors of the Bounty of Queen Anne, until, by an instrument in writing under their common seal, they shall have signified their consent to accept the same.

"And it is further enacted, that in all cases in which such consent of the said Governors of the Bounty of Queen Anne shall have been so given, the money provided for such endowments shall be paid to the treasurer for the time being, of the said Governors, and the receipt or receipts of such treasurer shall be effectual discharges, or an effectual discharge for so much money as in such receipts or receipt shall be expressed to the person or persons paying the same; and after obtaining such receipt or receipts, the person or persons paying such money shall be absolutely discharged from all liability touching such money, and from all trusts relating thereto.

"And whereas the Bishop of London for the time being is patron of the benefice or rectory of Saint Andrew Undershaft, with Saint Mary Axe thereunto annexed, in the city and diocese of London, and the said bishop is also patron of the new parishes of Saint James the Great and Saint Simon Zelotes, Bethnal-green, and of the chapelry districts of Saint Andrew, Saint James the Less, and Saint Philip, Bethnal-green, and All Saints,

Mile End New Town, and of the consolidated district of Saint James, Ratcliffe, all in the county of Middlesex, and diocese of London; and of the churches of the said new parishes and districts respectively.

"And whereas a district, to be named 'The District of Saint John the Evangelist, Limehouse,' is intended to be forthwith constituted by a scheme prepared by us and bearing even date herewith, in accordance with the provisions of the Act passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, chapter thirty-seven, out of the parish of Saint Anne's, Limehouse, in the said county of Middlesex, and diocese of London, and a church is now in course of erection within such intended district and is to be offered for approval by us in accordance with the provisions of the same Act, and for consecration as the church of such district, and for the use and service of the minister and inhabitants thereof, and such district will thereupon become according to the like provisions a new parish for ecclesiastical purposes; and it is also intended that the patronage of such district or new parish shall, under the provisions of the same Act and by the same scheme be assigned to and vested in the Bishop of London for the time being.

"And whereas a desire has been expressed to us by the Right Honourable and Right Reverend Charles James, Bishop of London, and the Reverend Frederick George Blomfield, the present rector of the said benefice or rectory of Saint Andrew Undershaft with Saint Mary Axe, that the following arrangements should be made for apportioning the income of the said benefice or rectory between the rector thereof and the several perpetual curates, ministers, or incumbents of the said new parishes and districts and the said intended district or new parish and the respective churches thereof, in the manner hereinafter mentioned, and it appears to us to be expedient that such arrangements should be forthwith carried into effect.

"And whereas the Governors of the Bounty of Queen Anne have by an instrument in writing under their common seal, bearing date the fourteenth day of June, one thousand eight hundred and fifty-three, signified their consent to accept the annual sum hereinafter recommended to be paid at the times and upon the trusts mentioned.

"Now, therefore, we humbly recommend and propose, with the consent of the Right Honourable and Most Reverend John Bird, Archbishop of Canterbury, and of the said Charles James, Bishop of London, and Frederick George Blomfield, in testimony whereof they have respectively signed and sealed this scheme, that there shall hereafter be paid by the rector for the time being of the said benefice or rectory of Saint Andrew Undershaft with Saint Mary Axe, out of the revenues of the said rectory, by equal half-yearly payments on the twenty-fifth day of March and the twenty-ninth day of September, in every year, to the Governors of the Bounty of Queen Anne, by their treasurer for the time being, but in trust for the perpetual curates, incumbents, or ministers for the time being of the said new parishes and districts, the annual sum of four hundred and seventy-five pounds, clear of all deductions, except income or property tax, and that such annual sum of four hundred and seventy-five pounds, and each and every instalment thereof, is and are hereby charged upon all the tithes or the payments in lieu or in respect of tithes payable by virtue of the Act passed in the session of Parliament held in the thirty-seventh year of the reign of His late Majesty King Henry the Eighth, chapter twelve,

to the rector for the time being of the said rectory.

“ And we further recommend and propose that the said annual sum of four hundred and seventy-five pounds shall be divided and distributed in the manner following; that is to say: there shall be paid thereout by the said Treasurer of the said Governors, by equal half-yearly payments, on the twenty-fifth day of March and the twenty-ninth day of September in every year, or so soon thereafter as the said half-yearly payments of the said annual sum of four hundred and seventy-five pounds shall be made to him, to the respective perpetual curates, incumbents, or ministers of the said several new parishes and districts, the several sums set against the respective names thereof in the second column of the schedule hereunto annexed, clear of all deductions except income or property tax; and that the first such half-yearly payment to the said Treasurer of the said sum of four hundred and seventy-five pounds shall be made on the twenty-ninth day of September next, and the first half-yearly payment to each of the said several perpetual curates, incumbents, or ministers of the said new parishes and districts shall be made by the said Governors or their Treasurer on the same day, or so soon thereafter as he shall have received the said half-yearly payment of the said annual sum of four hundred and seventy-five pounds, and that whenever a vacancy of the said rectory or of the incumbency or ministry of either of the said new parishes or districts shall happen on any other day than the twenty-fifth day of March or the twenty-ninth day of September, then the next half-yearly payment which shall be due in respect thereof shall be apportioned between the rector, perpetual curate, incumbent, or minister making the vacancy, or his personal representatives and the succeeding rector, perpetual curate, incumbent, or minister, as the case may be.

“ And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the said rectory, or to the said new parishes and districts, or either of them, in conformity with the provisions of the said Acts, or of any other Act of Parliament.”

AT the Court at *Buckingham-Palace*, the 8th day of *August*, 1853,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled “ An Act to make better provision for the spiritual care of populous parishes,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-third day of June, in the year one thousand eight hundred and fifty-three, in the words following; that is to say:

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled ‘ An Act to make better provision for the spiritual care of populous parishes,’ have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parish of Saint Anne's, Limehouse, in the county of Middlesex, and in the diocese of London.

“ Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty

in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided:

"And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation aggregate or sole, or to either of the Universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority:

"And whereas the said parish of Saint Anne's Limehouse, is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such parish hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in the manner hereinafter set forth:

"And whereas by a scheme prepared by us, and bearing even date herewith, and intended to be herewith submitted for ratification, by an Order of your Majesty in Council, provision is made for the permanent endowment of the minister of the district herein recommended to be constituted, and so soon as the same shall have become a new parish of the perpetual curate thereof, with an annual sum of one hundred and seventy-five pounds, payable by equal half-yearly payments on the twenty-fifth day of March and the twenty-ninth day of September in every year, by the Treasurer of the Governors of the Bounty of Queen Anne, such annual sum being a proportionate part of an annual sum payable under the provisions of the said scheme by the rector for the time being of the benefice or rectory of Saint Andrew Undershaft with Saint Mary Axe thereunto annexed, in the city and in the said diocese of London, and charged upon the tithes or payments in respect of tithes belonging to the said benefice or rectory.

"And whereas the Reverend Frederick George Blomfield, the present rector of the said benefice or rectory of Saint Andrew Undershaft with Saint Mary Axe, has, in pursuance of the provisions of the said Act, nominated to us the Bishop of London for the time being as the patron in perpetuity of the said district or new parish, and has proposed to us, that, in consideration of the said endowment, the whole right of patronage of and nomination of the minister or perpetual curate to the said district or new parish shall be accordingly assigned to such Bishop.

"Now therefore we humbly recommend and propose, with the consent of the Right Honourable and Right Reverend Charles James Bishop of London, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Saint Anne's, Limehouse, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto also annexed, shall be constituted a separate district for spiritual purposes accordingly; and that the same shall be named 'The District of Saint John the Evangelist, Limehouse.'

"And we further recommend and propose that the minister of the district so recommended to be constituted as aforesaid, and so soon as such district shall have become, according to the provisions of the said Act, a new parish for Ecclesiastical purposes, the perpetual curate thereof shall be permanently endowed with the said annual sum of one hundred and seventy-five pounds, payable as in the said scheme provided.

"And we further recommend and propose, that the whole right of patronage of the said district or new parish of Saint John the Evangelist, Limehouse, and the nomination of the minister or perpetual curate thereof, shall be assigned to and permanently vested in the said Charles James Bishop of London and his successors Bishops of London for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measure relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act or of any other Act of Parliament."

#### SCHEDULE.

All that part of the parish of Saint Anne's, Limehouse, in the county of Middlesex, and in the diocese of London, which is situate on the northern side of an imaginary line along the middle of that part of Salmon's Lane in the said parish which extends from the western boundary thereof to the Regent's Canal, and on the western side of an imaginary line along the middle of that part of the said canal which extends from the said lane to the northern boundary of the said parish.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of London.

C. C. Greville.

AT the Court at *Buckingham-Palace*, the 8th day of *August*, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament, held in the third and fourth years of Her Majesty's reign,

intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical duties and revenues," and of another Act, passed in the session of Parliament, held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourteenth day of July, in the year one thousand eight hundred and fifty-three, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament, held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical duties and revenues,' and of another Act, passed in the session of Parliament, held in the fourth and fifth years of your Majesty's reign, intituled 'An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,' have prepared, and now humbly lay before your Majesty in Council the following scheme for regulating the incomes of the dean and canons of the cathedral church of Peterborough.

"Whereas it is by the first recited Act enacted, that so soon as conveniently may be, and by the authority therein provided (that is to say, by a scheme prepared by us, and a duly gazetted Order of your Majesty in Council, ratifying the same), such annual sums shall be determined on to be paid, and shall be accordingly paid by us, or such deductions shall be allowed to be made out of the proceeds of any suspended canonry or canonries, as, after due inquiry and calculation, shall give to the dean of every cathedral and collegiate church in England an average annual income of one thousand pounds, and to the respective canons of every cathedral church in England an average annual income of five hundred pounds.

"And whereas it is by the secondly recited Act, declared and enacted, that notwithstanding such last recited provision, it shall be lawful, by the authority aforesaid, to carry such purposes or any of them into effect by any mode of payment or contribution, augmentation or endowment, which may be deemed fit, as well as by the mode in the said first recited Act specified, and that the scale of payments and receipts may from time to time, in any case be revised, and, if need be, varied by the like authority, so as to preserve, as nearly as may be, the intended average annual incomes respectively, but not so as to affect any dean or canon in possession at the time of making any such variation.

"And whereas it has been made to appear to us that the annual incomes of the dean and of the canons in the said cathedral church of Peterborough, are subject to great fluctuation and uncertainty, and do not amount on an average to the said sums of one thousand pounds and five hundred pounds respectively; and we have satisfied ourselves, after due inquiry and consideration, that the following arrangement should be adopted for regulating such incomes.

"Now, therefore, we humbly recommend and propose, that there shall be delivered to us by the treasurer of the cathedral church of Peterborough, in this present and in every future year, so soon as conveniently may be after the annual audit of the accounts of the chapter of the said cathedral church, a correct account in writing, in such form, and verified in such manner, as we shall from time to

time direct, shewing every sum of money, from whatever source arising, which, according to the statutes and usage of the said cathedral church, or the chapter thereof, shall have become due and payable to the dean or any canon (except the Reverend John James, Doctor in Divinity, who was appointed before the passing of the first recited Act), of the said cathedral church as such dean or canon, for the year ending on the day up to which such accounts shall have been so audited as aforesaid; and that if it shall appear by any such account that the amount which may have so become due and payable, shall, in the case of such dean, exceed the sum of one thousand pounds, or, in the case of any canon (except as before excepted), the sum of five hundred pounds, then in every such case the amount of the surplus shall, at the same time, be paid by the said treasurer to our credit, at the Bank of England, and that upon any account so delivered being examined and approved by our treasurers for the time being, their receipt for the amount of any such surplus shall be given to the said treasurer of the said cathedral church, and shall be a good and valid discharge for the same, and that if it shall appear by any such account that the amount which may have so become due and payable, in the case of the dean, shall be less than the sum of one thousand pounds, or in the case of any canon (except as before excepted), less than the sum of five hundred pounds, then in every such case there shall be paid by us forthwith to such treasurer, on account of such dean or canon, such a sum of money as shall make up the deficiency, and the receipt of such treasurer, countersigned by the same dean or canon, as the case may be, shall be a good and sufficient discharge for any claim which any such dean or canon may have on us in respect of the average annual income to which he may be entitled for the year to which the same account relates, under the provisions of the said first recited Act.

"Provided always, and we further recommend and propose, that all moneys which, according to the statutes and usage of the said cathedral church, or the chapter thereof, may be receivable by the canon thereof succeeding upon the first vacancy of the canonry, now held by the said John James, shall be included in the next yearly account to be delivered to us as aforesaid; and that the income of the canon so newly appointed shall be made up or limited, as the case may be, in manner aforesaid, to such part of the sum of one thousand pounds or five hundred pounds, and no more, as shall be proportioned, according to such rate, to the period during which he shall have been appointed to such canonry.

"And that upon every vacancy of the deanery or of any canonry, occurring otherwise than as last aforesaid, all the moneys which, according to the statutes and usage of the said cathedral church, or the chapter thereof, would, if such vacancy had not taken place, have become due and payable to the dean or canon making such vacancy in respect of the then current year, shall be included in the account so to be delivered to us as aforesaid after the then next audit; and that the whole of any surplus above the sum of one thousand pounds in the case of a dean, and five hundred pounds in the case of a canon, shall be paid to us; and that in case the amount of such moneys shall be below the said sum of one thousand pounds or five hundred pounds, as the case may be, we shall not be called upon to pay in respect of such deanery or canonry any greater sum for that year than shall, together with the amount of such monies, be necessary to make up the income of such deanery or canonry for that year to one thousand pounds

or five hundred pounds, as the case may be; and that the respective incomes of one thousand pounds to the dean and five hundred pounds to each canon, so to be secured as aforesaid, shall, on every such vacancy, be strictly apportionable between the dean or canon making the vacancy, or his representatives, and the dean or canon succeeding thereto, any statutes or usage of the said cathedral church, to the contrary notwithstanding.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the said cathedral church, or the dean and canons thereof, in conformity with the provisions of the said Acts, or either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts, and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the registrar of the diocese of Peterborough.

AT the Court at *Buckingham-Palace*, the 8th day of *August*, 1853,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament, held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-eighth day of July, in the year one thousand eight hundred and fifty-three, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament, held in the sixth and seventh years of your Majesty's reign, intituled 'an Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting four separate districts for spiritual purposes out of the parishes of Saint Mary, Southampton, and South Stoneham, and the district chapelries of Portswood, and of St. James's West End, all in the diocese of Winchester.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us that it would promote the interests of religion that any part or parts of any parish or parishes, chapelry or chapelries, district or districts of great extent, and containing a large population, and wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a

scheme prepared by us, and an Order issued by your Majesty in Council ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district out of which it is recommended that any such district or any part thereof should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least so soon as such district shall have become a new parish as hereinafter provided:

"And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation aggregate or sole, or to either of the universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person, or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority.

And whereas the said parishes of Saint Mary, Southampton, and South Stoneham, and district chapelries of Portswood, and Saint James's West End, are respectively of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us that it would promote the interests of religion that the particular parts of such parishes and district chapelries hereinafter mentioned and described, such parts not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted separate districts in the manner hereinafter set forth:

"Now, therefore, we humbly recommend and

propose, with the consent of the Right Reverend Charles Richard Bishop of Winchester, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Saint Mary, Southampton, described in the schedule hereunto annexed, and therein numbered 1, and also all that part of the same parish in the same schedule also described, and therein numbered 2, and also all that part of the same parish and all that part of the said district chapelry of Portswood, in the same schedule also described and therein numbered 3, and also all that part of the said parish of South Stoneham, and all that part of the said district chapelry of Saint James's West End, in the same schedule also described, and therein numbered 4, all of which parts, together with the boundaries thereof, are respectively delineated and set forth on the maps or plans hereunto also annexed, and respectively numbered in like manner, shall be respectively constituted separate districts for spiritual purposes accordingly; and that the same shall be respectively named as follows; that is to say: that the district numbered 1 in the said schedule shall be named 'The District of Christ Church, Northam,' the district numbered 2 therein shall be named 'The District of Saint James, Bernard-street,' the district numbered 3 therein shall be named 'The District of Saint Luke, Newtown,' and that the district numbered 4 therein shall be named 'The District of The Holy Saviour, Bitterne.'

"And whereas by a deed, bearing date the twenty-sixth day of May, one thousand eight hundred and fifty-three, and duly executed and enrolled in chancery, and deposited in the registry of the Bishop of Winchester, all those the tithes, or tithe-commutation rent-charge, or portions of tithe-commutation rent-charge, respectively specified in four several schedules to such deed, and issuing, arising, or payable by virtue of the tithe-commutation award for the said parish of South Stoneham, out or in respect of the lands, tenements, and hereditaments referred to in the said schedules respectively (being portions of the tithes or tithe-commutation rentcharge belonging to the rectory of the said parish of Saint Mary, Southampton,) have been granted and conveyed to us by the Venerable Joseph Cotton Wigram, Archdeacon of Winchester, and rector of the said parishes of Saint Mary, Southampton, and South Stoneham, in accordance with the provisions of the said Act, and of another Act passed in the session of Parliament, held in the fourteenth and fifteenth years of your Majesty's reign, intitled 'An Act to amend the Church Building Acts,' upon trust to be applied in the manner following; that is to say: as to the portion of the said tithes or tithe rentcharge mentioned in the first schedule to the said deed, and amounting to the annual sum of two hundred and forty pounds ten shillings and sixpence, towards the permanent income of the minister of the said district of Christ Church, Northam, and after such district shall have become a new parish, of the perpetual curate thereof; and as to the portion of the said tithes or tithe rentcharge mentioned in the second schedule to the said deed, and amounting to the annual sum of two hundred and forty pounds eighteen shillings and sevenpence, towards the permanent income of the minister of the said district of Saint James, Bernard-street, and after such district shall have become a new parish, of the perpetual curate thereof; and as to the portion of the said tithes or tithe rentcharge mentioned in the third schedule to the said deed, and amounting to the annual sum of two hundred and ten

pounds three shillings and eightpence, towards the permanent income of the minister of the said district of Saint Luke, Newtown, and after such district shall have become a new parish, of the perpetual curate thereof; and as to the portion of the said tithes or tithe rentcharge mentioned in the fourth schedule to the said deed, and amounting to the annual sum of two hundred and ten pounds one shilling and tenpence, towards the permanent income of the minister of the said district of The Holy Saviour, Bitterne, and after such district shall have become a new parish, of the perpetual curate thereof:

"And whereas the said Joseph Cotton Wigram has nominated to us the Bishop of Winchester for the time being as the patron in perpetuity of the said districts or new parishes, and has proposed to us that, in consideration of such grant and conveyance as aforesaid, the whole right of patronage of and nomination of the ministers or perpetual curates to the said districts or new parishes shall be accordingly assigned to such bishop:

"We therefore further recommend and propose that the ministers of the districts herein recommended to be constituted as aforesaid, and so soon as the same shall have become, according to the provisions of the herein first-recited act, new parishes for ecclesiastical purposes, the perpetual curates thereof shall respectively be permanently endowed with the portions of the said tithes or tithe rentcharge respectively mentioned in the hereinbefore recited deed, and that such portions of tithes or tithe rentcharge shall accordingly, without any conveyance or assurance in the law, other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, be respectively transferred and secured to such ministers, so soon as they shall respectively be appointed, in the manner following; that is to say, the portion of the said tithes or tithe rentcharge mentioned in the first schedule to the said deed shall be transferred to and permanently vested in the minister or perpetual curate for the time being of the said district or new parish of Christ Church, Northam; the portion of the said tithes or tithe rentcharge mentioned in the second schedule to the said deed shall be transferred to and permanently vested in the minister or perpetual curate for the time being of the said district or new parish of Saint James, Bernard-street; the portion of the said tithes or tithe rentcharge mentioned in the third schedule to the said deed shall be transferred to and permanently vested in the minister or perpetual curate for the time being of the said district or new parish of St. Luke, Newtown; and the portion of the said tithes or tithe rentcharge mentioned in the fourth schedule to the said deed shall be transferred to and permanently vested in the minister or perpetual curate for the time being of the said district of The Holy Saviour, Bitterne.

"And we further recommend and propose, that the right of patronage of the said districts or new parishes herein recommended to be constituted, and the nomination of the ministers or perpetual curates thereto, shall be permanently assigned to and vested in the said Charles Richard Bishop of Winchester, and his successors bishops of Winchester for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act or of any other Act of Parliament."

AT the Court at *Buckingham-Palace*, the 8th day of *August*, 1853,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Report from the General Board of Health, dated the twenty-ninth day of June, one thousand eight hundred and fifty-three, in the words following; that is to say :

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the parish of Street, in the county of

Somerset (the number of the said petitioners greatly exceeding thirty in the whole), directed Thomas Webster Rammell, a superintending inspector appointed for the purposes of the said Public Health Act, to visit the said parish, and to make inquiry, and to examine witnesses as to the sewerage, drainage and supply of water, the state of the burial grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such parish for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said parish, or having relation to the purposes of the said Public Health Act; also as to the natural drainage areas, and the existing municipal, parochial, and other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

"And the said superintending inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

"And copies of the said report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed;

"And it appears by the said report, that there is no local Act of Parliament in force within the said parish for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such parish, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

"Now, therefore, we, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty that it appears to us to be expedient:

"1. That the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said parish of Street, in the county of Somerset, and that such area, places, and parts of places should be and constitute a district for the purposes [of the said Public Health Act accordingly.

"2. That the Local Board of Health to be elected under the said Public Health Act should consist of nine persons, and that the entire number should be elected for the whole of the said district.

"3. That the first election of the said Local Board of Health should take place on the seventh day of September, in the year of our Lord one thousand eight hundred and fifty-three.

"4. That one-third in number of the said Local Board of Health should go out of office on the thirty-first day of March in each year subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed should fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third should go out of office on the day next following.

"5. That every person at the time of his elec-

tion as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or should be so resident, and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty pounds.

"6. That at the first election of the said Local Board, Cyrus Clark, of Street aforesaid, should have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and should perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said Cyrus Clark, from illness or other sufficient cause, should be unable to exercise or discharge such powers or duties, or should be absent, or should refuse to act, then that James Clark, of Street aforesaid, should exercise and perform such of the said powers and duties as then remain to be exercised or performed.

"7. That the fourteen days' notice of qualification, required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, should be given to the said Cyrus Clark, at his residence, Street; or in case he should refuse, or be unable to receive the same, then to the said James Clark, at his residence, Street.

"Given under our hands, and under the seal of the General Board of Health, this twenty-ninth day of June, in the year of our Lord, one thousand eight hundred and fifty-three.

L. S.

*Edwin Chadwick.  
T. Southwood Smith."*

Now, therefore, Her Majesty having taken the said report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth hereby, under and in pursuance of the Public Health Act, 1848, order and direct:—

1. That from and after the date of this Order, the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said parish of Street, in the county of Somerset, and that such area, places, and parts of places, shall be and constitute a district for the purposes of the said Public Health Act accordingly.

2. That the Local Board of Health to be elected under the said Public Health Act, shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

3. That the first election of the said Local Board of Health shall take place on the seventh day of September, in the year of our Lord one thousand eight hundred and fifty-three.

4. That one-third in number of the said Local Board of Health shall go out of office on the thirty-first day of March in each year, subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed shall fall on a Sunday, or on a

day appointed for public fast or thanksgiving, then such one-third shall go out of office on the day next following.

5.
