[The following Order in Council is substituted for that which appeared in the Gazette of the 16th of September.]

AT the Court at *Osborne-House, Isle of Wight*, the 19th day of August, 1853,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighteenth day of August, in the year one thousand eight hundred and fifty-three, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parishes of Whitford and Yscifiog, in the county of Flint, and in the diocese of Saint Asaph.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it

is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thenceinafter provided:

"And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation aggregate or sole, or to either of the Universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority:

"And whereas the said parishes of Whitford and Yscifiog, are respectively of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence

therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular parts of such parishes hereinafter mentioned and described, such parts not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in the manner hereinafter set forth:

"And whereas, upon condition of our providing the endowment hereinafter mentioned for the minister of the said proposed district, the Reverend John Henry Montagu Luxmoore has lately resigned and vacated the sinecure rectory of Whitford, whereby the same has been suppressed, and all the estates and endowments thereof have accordingly become vested in us, under the authority of the Act passed in the session of Parliament, held in the third and fourth years of your Majesty's reign, chapter one hundred and thirteen:

"And whereas the said John Henry Montagu Luxmoore has, in pursuance of the provisions of the first-recited Act, nominated to us the Bishop of Saint Asaph, for the time being, as the patron in perpetuity of the said district or new parish, and has proposed to us, that, in consideration of his resignation of the said sinecure rectory, the whole right of patronage of and nomination of the minister or perpetual curate to the said district or new parish shall be accordingly assigned to such Bishop:

"Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Thomas Vowler, Bishop of Saint Asaph, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Whitford, and also all that part of the said parish of Ysceifiog, described in the schedule hereunto annexed, all which parts, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto also annexed, shall be together constituted a separate district for spiritual purposes accordingly; and that the same shall be named 'The District of Gorsedd.'

"And we further recommend and propose that the minister of the district so recommended to be constituted as aforesaid, and so soon as such district shall have become, according to the provisions of the said first-recited Act, a new parish for ecclesiastical purposes, the perpetual curate thereof shall be permanently endowed in the manner following; that is to say: there shall be paid by us, in each and every year, by equal half-yearly payments, on the first day of May and the first day of November, to such minister, or perpetual curate, as the case may be, when duly licensed according to the said Act, the sum of one hundred and fifty pounds; and that the first such half-yearly payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister, or of such perpetual curate, as aforesaid, as the case may be.

"And we further recommend and propose, that the whole right of patronage of the said district or new parish of Gorsedd, and the nomination of the minister or perpetual curate thereof, shall be assigned to, and permanently vested in, the said Thomas Vowler Bishop of Saint Asaph and his successors Bishops of Saint Asaph for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measure relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act or of any other Act of Parliament."

SCHEDULE.

The district of GORSEDD, being—

All that part of the parish of Whitford, in the county of Flint, and in the diocese of Saint Asaph, situate on the southern side of an imaginary line extending along the middle of the turnpike-road from Holywell parish, through Whitford parish aforesaid, into Caerwys parish, such part being bounded on the east by the said parish of Holywell, on the south by the said parish of Ysceifiog, and on the west by the said parish of Caerwys; and also all that part of the said parish of Ysceifiog which is situate on the northern side of an imaginary line extending along the middle of the road, commencing at Rhodydefaid, and leading direct by Babell to Penyfordd and the said parish of Caerwys.

And whereas notice of the said scheme has been duly given, and no objection has been made thereto.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Saint Asaph.

NOTICE

Relating to the lighting of the Coast Lights on Lindesnes (Naze) and Lights on Lister.

In conformity with the Department's notice of the 2nd December last year, it is hereby made known that the light on Lindesnes (Naze) and Lister third Light, after having undergone the alterations already advertized, will be re-lighted on the 16th September next, at the same time with the other lights in the Kingdom, and will continue to burn during the same period as follows:

Lindesnes (Naze) Light is a revolving light, with a flash every minute, of the 1st class (Fresnel's system), and lights all round at sea.

The height of the light above the sea is 159 Norwegian feet (212 English), and is seen 6 miles (24 English), longitude $7^{\circ} 3'$ east of Greenwich, and north latitude $57^{\circ} 58'$.

The light is fixed on a 10 feet high tower of stone, on which is constructed a 7 feet wall of iron. To serve as a day mark the stone tower is white, and the upper part of iron painted red.

Lister Light, 3rd fixed light of the 2nd class (Fresnel's system), and is visible every where at sea.

The towers form an obtuse triangle, the point of which is towards the sea. The centre of the middle tower is 150 Norwegian feet from the centre of the other towers, and the base line is 282 Norwegian feet.

The direction of the centre tower with the northernmost tower is N.W. and S.E. by compass, distance 150 Norwegian feet.

With the southernmost tower the direction is N.W. $\frac{1}{2}$ W. and S.E. $\frac{1}{2}$ E., distance 150 Norwegian feet.

The northernmost and southernmost tower is N.N.W. $\frac{1}{4}$ W. and S.S.E. $\frac{3}{4}$ E., distance 282 Norwegian feet, in which direction two of the lights may be seen all round.

The height of the lights above the sea in all the three towers is 125 Norwegian feet.

Visible from $4\frac{1}{2}$ to 5 Norwegian miles (18 to 20 English), longitude $6^{\circ} 32' 15''$ E. from Greenwich, north latitude $58^{\circ} 5' 30''$. All the lights are on high towers, which in order to serve as day marks are painted white.

As the Oxo' Light, in conformity with the notice of the Department of the 30th June last, has been alight since the 16th July, there is only one of the lights enumerated in the notice of 2nd December, 1852, and extinguished this summer, which still remains to be re-lighted, namely, Hvidingso.

TREASURY WARRANT.

WHEREAS by an Act, passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of

postage," certain scales of weight and rates of postage were fixed and made chargeable and payable upon, for, or in respect of letters, newspapers, parliamentary proceedings, and printed papers, transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post.

And whereas by an Act, passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-office," the proviso concerning the maximum weight of letters to be sent by the post, as fixed in and by the said first-mentioned Act is repealed; and in order to prevent packets of an unwieldy bulk, or an inconvenient size, being transmitted by the post, power is given to the Commissioners of Her Majesty's Treasury, at any time or times thereafter, by Warrant under their hands, to fix a maximum weight of letters to be sent by the post, and from time to time to repeal or revoke such maximum weight wholly or in part, and declare any other maximum of weight in lieu thereof; and all letters are to be forwarded, conveyed, and delivered by the post, in conformity with any such warrant, and also in conformity with, and under and subject to, all such orders, conditions, limitations, regulations, and restrictions, as to the form, size, or dimensions thereof, whether in proportion to the weight or otherwise, as the Postmaster-General, with the consent of the Commissioners of Her Majesty's Treasury shall from time to time direct. And by the said Act power is also given to the Postmaster-General to collect and receive the Foreign and Colonial postage charged or chargeable on any letters sent by the post, and also, with the consent of the Commissioners of Her Majesty's Treasury, to require the postage, British, Colonial, or Foreign, of any letters sent by the post, to be pre-paid, either in money or in stamps, as he may think fit, on the same being put into the Post-office; and also, with such consent, to abolish or restrict the pre-payment in money of postage on letters sent by the post, either altogether or on certain letters, and to require the pre-payment thereof to be in stamps, and to refuse to receive or send by the post any letters tendered contrary to any regulations thereby made. And it is also declared and enacted, that it shall be lawful for the Postmaster-General, and any officer of the Post-office, to detain any letters which shall be posted or sent by the post contrary to the regulations of that Act, or the first-mentioned Act, or contrary to the regulations of any Treasury Warrant, to be issued under or by virtue of that Act, or which had been or should be issued under or by virtue of the said first-mentioned Act, and to open such letters and either to return them to the senders thereof, or to forward them to the places of their destination, charged, in either case, with such rates of postage as the Postmaster-General, with the consent of the Commissioners of Her Majesty's Treasury, shall from time to time direct.

Now we, the undersigned, being two of the Commissioners of Her Majesty's Treasury, do, in exercise of the powers reserved to us in and by the said before-mentioned Acts, or either of them, and of all other powers, enabling us in this behalf, by this Warrant under our hands, order and direct, that printed books, printed magazines, printed reviews, printed pamphlets (whether British, Colonial, or Foreign), may from henceforth be transmitted by the post between any part of the United Kingdom and the colony of New Zealand,

subject to the several regulations and rates herein-after contained (that is to say):

On every packet consisting of a single printed book, or printed magazine, or printed review, or printed pamphlet, the several sheets or parts of which, when more than one, shall be sewed or bound together, if not exceeding half a pound in weight, there shall be charged and taken one uniform rate of postage of sixpence.

And on every such packet, if exceeding half a pound, and not exceeding one pound in weight, there shall be charged and taken one uniform rate of postage of one shilling.

And on every such packet, if exceeding one pound and not exceeding two pounds in weight, there shall be charged and taken one uniform rate of postage of two shillings.

And on every such packet, if exceeding two pounds, and not exceeding three pounds in weight, there shall be charged and taken one uniform rate of postage of three shillings.

And for every additional one pound in weight, of any such packet above the weight of three pounds, there shall be charged and taken an additional rate of postage of one shilling, and every fraction of such additional pound shall be charged as an additional pound.

And we further order and direct, that no such packet, if containing more than one printed book or printed magazine or printed review or printed pamphlet, or containing any paper or thing besides a printed book, printed magazine, printed review, or printed pamphlet, or containing any printed book, printed magazine, printed review, or printed pamphlet, the several sheets, or parts of which when more than one shall not be sewed or bound together, or which packet in length or breadth or width or depth shall exceed the dimensions of two feet or twenty-four inches shall be forwarded by the post under the provisions aforesaid.

And we further order and direct, that as to any packet herein before authorised to be sent by the post under the provisions aforesaid, which shall be posted in the United Kingdom, the postage thereof shall in every case be pre-paid at the time of the same being posted not in money, but by being duly stamped with the proper British postage stamp or stamps affixed thereto, which stamp or stamps shall in every case be affixed or appear on the outside of every such packet near the address, and shall be of the value or amount of the postage duty payable thereon, under or by virtue of this warrant, unless any such packet be sent from any department or office in or connected with the public service of Her Majesty, which shall keep a postage account with the General Post-office, in London, in which case the same shall be forwarded post paid, and the postage thereof shall be charged in such postage account; and as to any such packet posted in New Zealand, the postage thereof shall, in every case, be pre-paid either in money or by the proper Colonial postage stamp or stamps being affixed thereto at the time of the same being posted.

And we further order and direct that every such packet shall be sent without a cover or in a cover or envelope, open at the ends or sides, and shall contain printed matter only, with the binding thereof, and there shall be no writing or marks upon the cover or envelope thereof, or upon or within any part of the contents thereof other than the name and address of the person to whom the packet shall be sent, unless any such packet be sent from any department or office in or connected with the public service of Her Majesty, which

shall keep a postage account with the General Post-office in London, in which case the same may, in addition to the name and address of the person to whom it shall be sent, have printed or written thereon, or upon the cover or envelope thereof, the words "On Her Majesty's service," and also the name of the department or public office from which the packet shall be forwarded, together with the name of any public officer employed in or belonging to any such department or office who may be authorized to affix his name to letters and packets sent by the post as a certificate that they are on the public service.

And in order to prevent any obstacles to the due and regular transmission of letters by the post, we further direct that it shall be lawful for any officer of the post-office in the United Kingdom to delay the transmission of any packet posted or forwarded by the post under the provisions of this Warrant, either for the space of twenty-four hours from the time at which (or at his option until the despatch of the mail next after that by which) the same ought otherwise to have been forwarded by him.

And we further direct that nothing hereinbefore contained shall be construed to interfere with or affect the transmission by the post of printed votes and proceedings of the Imperial Parliament, or of printed votes and proceedings of the Colonial Legislatures, nor of printed papers or other printed publications which are allowed to pass by the post under the newspaper privilege.

And we further order and direct that if any packet sent or tendered, or delivered in order to be sent by the post, under the provisions of this present Warrant, shall contain any paper or thing besides a printed book, printed magazine, printed review, or printed pamphlet, and the binding thereof, or shall have any writing or marks upon the same, or upon the cover or envelope thereof, except the name and address of the person to whom it is forwarded, and also as to any such packet sent from any department or office in or connected with the public service of Her Majesty which shall keep a postage account with the General Post-office in London, except the words "On Her Majesty's service," and the name of the department or public office from which the same shall be forwarded, with the name of any public officer employed in or belonging to any such department or office, who may be authorized to affix his name to letters, and packets, sent by the post as a certificate that they are on the public service, or shall not be open at the ends or sides, or shall in length, or breadth, or width, or depth, exceed the dimensions of two feet, or twenty-four inches, or shall contain more than one printed book, or printed magazine, or printed review, or printed pamphlet, or shall contain any printed book, printed magazine, printed review, or printed pamphlet, the several sheets or parts of which, when more than one, shall not be sewed or bound together, or if the postage of any such packet, posted in the United Kingdom, shall not be duly and properly pre-paid by British stamps, when posted (any such packet sent from any department or office in or connected with the public service of Her Majesty which shall keep a postage account with the General Post-office in London, and the postage thereof shall be charged in such account only excepted), or if the postage of any such packet, posted in New Zealand, shall not be duly and properly pre-paid in money, or by colonial stamps, when posted, the same shall and may be detained and opened at any place in the United Kingdom, and, at the option of the Postmaster-General, shall be either returned or given up to

the sender thereof, or be given up to the person to whom it shall be addressed, or be forwarded to the place of its destination; and any such packet, on being so returned, given up, or forwarded, shall be chargeable with the like amount of postage to which it would have been liable as a letter.

And we further direct, that nothing herein contained shall be construed to extend to any packets sent through Egypt, or any foreign country to which a transit rate of postage would be payable thereon.

And we further order and direct, that the term, "by the post," used in this Warrant shall, as to the sea conveyance, include the conveyance by packet-boat or private ship, and that the several other terms and expressions used in this Warrant shall be construed to have the like meaning, in all respects, as they would have had if inserted in the said Act, passed in the fourth year of the reign of Her present Majesty.

And we further direct, that this Warrant, so far as respects any packet hereinbefore authorized to be sent by the post under the provisions aforesaid, which shall be posted in the United Kingdom, shall come into operation on the 1st day of November next, and that so far as respects any packet hereinbefore authorized to be sent by the post, under the provisions aforesaid, which shall be posted in New Zealand, this Warrant shall come into operation on the day of the date hereof.

Provided lastly, and we do hereby declare and direct, that it shall be lawful for the Commissioners for the time being, of Her Majesty's Treasury, or any two of them, by Warrant, under their hands, at any time hereafter, to alter or repeal any of the rates hereby fixed or altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and, from time to time, to appoint at what time the rates that may be payable are to be paid.
