*At the Court at Windsor-Castle,  
28th October, 1853.*

**A** CHAPTER of the Most Ancient and Most Noble Order of the Thistle having been summoned for this day, the following Knights Brethren, in their Mantles and Collars, assembled in St. George's Hall; viz. :—

The Earl of Aberdeen, the Earl of Mansfield, and the Earl of Elgin, attended by the under-mentioned Officers of the Order, in their mantles and wearing their chains and badges; viz. : Sir John-Stewart Richardson, Bart., Secretary of the Order, and Frederic-Peel Round, Esq., Gentleman Usher of the Green Rod.

At three o'clock the Knights Brethren were called over by the Secretary, when (Her Majesty and His Royal Highness the Prince Albert having passed into the Throne-room), they proceeded, together with the Officers of the Order, through the grand reception-room into the Throne-room.

The Queen being seated in Her chair of State, and His Royal Highness the Prince Albert at the table on the right hand of Her Majesty, the Sovereign was pleased to command the other Knights Brethren to take their seats at the table, according to their seniority in the Order, the Officers of the Order standing in their places at the bottom of the table.

The Sovereign was then pleased to signify Her royal pleasure touching the election of a Knight into the Order; whereupon the Knights Brethren proceeded to the election, and the suffrages having been collected by the Secretary (commencing with the junior Knight), were by him, kneeling, presented to the Sovereign, who was pleased to declare that the Right Honourable Thomas, Earl of Haddington, had been duly elected a Knight of the Most Ancient and Most Noble Order of the Thistle.

Then, by command of the Sovereign, the Earl of Haddington was received, at the door of the Chapter-room, by the Earl of Mansfield and the Earl of Elgin, the two junior Knights Brethren present, and conducted between them to Her Majesty, preceded by the Secretary (bearing on a velvet cushion the ensigns of the Order) and by the Gentleman Usher of the Green Rod.

The sword of state being thereupon delivered to the Sovereign, by His Royal Highness the Prince Albert, the senior Knight, the Earl of Haddington, kneeling near the Queen, was knighted

therewith; after which his Lordship had the honour to kiss Her Majesty's hand; the Earl rising, the oath was administered to his Lordship by the Secretary.

The Earl of Haddington, then again kneeling, and the Secretary, on his knee, presenting to Her Majesty the ribband and jewel of the Order, the Queen was graciously pleased to place the same over the Earl's left shoulder.

His Lordship, having again kissed the Sovereign's hand, and after receiving the congratulations of the Knights Brethren, retired.

The Chapter then proceeded to a second election, and the suffrages having been collected as before, and presented to the Sovereign, Her Majesty was pleased to declare, that the Most Noble George-Augustus-Frederick-John, Duke of Atholl, had been duly elected a Knight of the Most Ancient and Most Noble Order of the Thistle, whereupon his Grace was introduced and knighted, and the oath having been administered to his Grace, he was invested with the ribband and jewel in the same manner as the Earl of Haddington had been, and the like ceremonies having been observed, his Grace withdrew.

The Chapter then proceeded to a third election, and the suffrages having been collected as before and presented to the Sovereign, Her Majesty was pleased to declare that the Right Honourable Fox, Lord Panmure, had been duly elected a Knight of the Most Ancient and Most Noble Order of the Thistle, whereupon his Lordship was introduced and knighted, and the oath having been administered to his Lordship, he was invested with the ribband and jewel in the same manner, and the like ceremonies having been observed, his Lordship withdrew.

The Chapter being ended the Knights Brethren were, by command of Her Majesty, again called over by the Secretary, and with the Officers of the Order, retired from the presence of the Sovereign, with the usual reverences.

#### NOTICE TO MARINERS.

(Translation.)

In the middle of the next year the tuns of the Old Weser Channel, which are more clearly specified under IV., will be taken up. On the other hand, the buoys to be laid down in the New Weser Channel, for the purpose of facilitating the entrance into the mouth, will be stationed as follows:—

I. Instead of the four red and two white buoy tuns at present lying in the New Channel, towards the middle of the year 1854 six red and five white

tuns are to be stationed. The red tuns situated on entering, on the starboard side, will retain the buoy form as hitherto; whereas the white tuns situated on the larboard side will have the form of the usual Weser tuns.

- a. The first red tun of the New Weser mouth will then lie in the same direction as the present black key tun, from Wangeroog, but nearer the island, in nine fathoms water, and be distinguished by a golden key.
- b. The second red tun, marked A, will bear S.W. by W.  $\frac{3}{4}$ W. of the Wangeroog Town, and bear a golden pear as mark of distinction.
- c. The third red tun, marked B, will bear W.S.W.  $\frac{1}{4}$ W. of the Wangeroog Town, and bear a round basket as mark of distinction.
- d. The fourth red tun, marked C, comes in the place of the present red tun, No. 1, but will be distinguishable by a golden cross, instead of the present round basket.
- e. The fifth and sixth red tuns, marked severally D and E, will be stationed where the present red tuns, marked severally No. II. and No. III., lie, and be likewise distinguishable by a round basket.

II. The number of the white tuns will be then increased by three additional ones, two of which will be stationed seawards of the present tun, No. 0, and the other above the present tun, No. 1.

- a. The first white tun, marked No. 1, will be stationed on the extreme point of the "Red Sand," in seven fathoms water, and bear S.W. by W. of the Wangeroog Town.
- b. The second white tun, marked No. 2, will bear W.S.W.  $\frac{1}{4}$ W. of the Wangeroog Town.
- c. The third and fourth white tuns, marked severally No. 3 and No. 4, will be stationed in the place of the tuns, No 0 and No. 1, at present lying on the Middle Plate, but in a different form, and, besides this, the tun No. 3 will be distinguishable by a wing.
- d. The fifth white tun, marked No. 5, will be stationed near the Mellum Plate, and bear E.  $\frac{1}{2}$ S. of the sixth red tun, E.

III. As soon as the New Channel, or Fairway, is provided with buoys and beacons as above specified, the station of the light-ship, No. 1, will be removed higher up, and in such a manner that from the first white outward-lying tun a direct passage may be steered up to it in a S.E. course. The present black G, or eighth tun, will then likewise be removed higher up.

IV. The consequence of this alteration in the several positions of the buoys and beacons, the four black tuns, at present lying in the old Weser Channel, namely key A. B. and C., and also the two white tuns, No. I. and No. II., will be taken up at the above-mentioned time, but the other tuns lying below the light ship No. 1, will remain in their present position till further notice.

When the alterations above specified are finally effected, further particulars will be made known to Mariners, but even at the present date, the Chamber of Commerce considers it its duty to direct the attention of those concerned to the proposed alteration.

The Chamber of Commerce, Bremen,  
October 1, 1853.
