*James Booth.*

(Translation.)

#### DECLARATION.

IN virtue of the orders of His Majesty, the Emperor, the Commander-in-Chief of the Imperial troops appoints the ports of Braila and Galatz for the commerce of neutral powers, both as regards exportation and importation. The vessels of such Powers coming from the Black Sea can return freely into that sea after having received their cargoes in the ports above mentioned, on condition always that they abstain, before entering the Black Sea, from touching at any port of the Danube. Consequently these vessels before quitting the ports of Braila and Galatz must present their documents to the Russian Consular Agents, who will furnish them, gratis, with a certificate showing the destination of the ship, and bearing the formal declaration, that if before entering the sea they should disembark corn or provisions upon any point of the right bank of the Danube they will by this contravention incur sequestration. Neutral vessels which wish to ascend the Danube, in order to proceed at once into the Austrian States, and which carry down cargoes destined either for Braila or Galatz, or for exportation by the Black Sea, will be liable to the same formality of a Russian certificate indicating their destination and prohibiting them, under pain of sequestration, from entering into any traffic on the right bank of the Danube.

Neutral Vessels wishing to descend the Danube will not meet with any hindrance, provided that on their passage by Orsova they furnish themselves at the Russian Consulate with a certificate stating that they belong *bonâ fide* to a neutral power, and that their cargo is not destined for one of the Turkish ports of the Danube.
