AT the Court at *Buckingham-Palace*, the 7th day of *April*, 1854,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Report from the General Board of Health, dated the twenty-eighth day of March, one thousand eight hundred and fifty-four, in the words following; that is to say:

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed for the purposes of 'The Public Health Act, 1848,' have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the township of Crumpsall, in the parish of Manchester (union of Prestwich), in the county palatine of Lancaster, the same being a place having a known and defined boundary, (the number of the said petitioners greatly exceeding thirty in the whole), directed Robert Rawlinson, a Superintending Inspector, appointed for the purposes of the said Public Health Act, to visit the said township, and to make inquiry, and to examine witnesses as to the sewerage, drainage and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such township for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said township, or having relation to the purposes of the said Public Health Act; also as to the natural drainage areas, and the existing, municipal, parochial, and other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

"And the said Superintending Inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

"And copies of the said report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said report,

or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed, and the statements which have been received by the said Board have been duly deposited as required by that Act;

"And it appears by the said report, that there is no local Act of Parliament in force within the said township, for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such township, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

"Now, therefore, we, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty that it appears to us to be expedient that:

"1. 'The Public Health Act, 1848,' and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said township of Crumpsall, in the parish of Manchester, in the county palatine of Lancaster, and that such area, places, and parts of places should be and constitute a district for the purposes of the said Public Health Act accordingly.

"2. The Local Board of Health to be elected under the said Public Health Act should consist of nine persons, and that the entire number should be elected for the whole of the said district.

"3. The first election of the said Local Board should take place on the twenty-fifth day of May, in the year of our Lord one thousand eight hundred and fifty-four.

"4. One-third in number of the said Local Board of Health should go out of office on the thirty-first day of March in each year subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed should fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third should go out of office on the day next following.

"5. Every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, should be resident, as in the said 'Public Health Act, 1848,' is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than one thousand pounds, or should be so resident, and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than thirty pounds.

"6. At the first election of the said Local Board, Edward William Binney, of Crumpsall, should perform the duties which it may be requisite for him to perform in conducting the said first election; and in case the said Edward William Binney, from illness, or other sufficient cause, should be unable to discharge such duties, or should be absent, or should refuse to act, then Henry Charlewood, of Crumpsall, should perform such of the said duties as then remain to be performed.

"7. The fourteen days' notice of qualification, required by 'The Public Health Act, 1848,' to be given by owners of property, in order to entitle them to vote at the said first election, should be given to the said Edward William Binney, at his residence, No. 3, Bank-terrace,

Cheetham-street, Crumpsall; or in case he should refuse, or be unable to receive the same, then to the said Henry Charlewood, at his residence, Crumpsall-crescent, within the aforesaid township of Crumpsall.

"Given under our hands and under the seal of the General Board of Health, this twenty-eighth day of March, in the year of our Lord, one thousand eight hundred and fifty-four.

(Signed)

Shaftesbury.
Edwin Chadwick.
T. Southwood Smith."

Now, therefore, Her Majesty having taken the said Report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth, hereby, under and in pursuance of the "Public Health Act, 1848," order and direct that:

1. From and after the date of this Order the "Public Health Act, 1848," and every part thereof, except the section numbered 50 in the copies of that Act, printed by her Majesty's printers, shall be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said township of Crumpsall, in the parish of Manchester, in the county palatine of Lancaster, and that such area, places, and parts of places, shall be and constitute a district for the purposes of the said Public Health Act accordingly.

2. The Local Board of Health to be elected under the said Public Health Act, shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

3. The first election of the said Local Board shall take place on the twenty-fifth day of May, in the year of our Lord, one thousand eight hundred and fifty-four.

4. One-third in number of the said Local Board of Health shall go out of office on the thirty-first day of March in each year, subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third shall go out of office on the day next following.

5. Every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, shall be resident, as in the said "Public Health Act, 1848," is required, and be seised or possessed of real or personal estate, or both, to the value or amount of not less than one thousand pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than thirty pounds.

6. At the first election of the said Local Board, Edward William Binney, of Crumpsall, shall perform the duties which it may be requisite for him to perform in conducting the said first election; and in case the said Edward William Binney, from illness or other sufficient cause, shall be unable to discharge such duties, or shall be absent, or shall refuse to act, then Henry Charlewood, of Crumpsall, shall perform such of the said duties as then remain to be performed.

7. The fourteen days' notice of qualification required by "The Public Health Act, 1848," to be given by owners of property, in order to entitle them to vote at the said first election, shall be

To the QUEEN'S Most Excellent Majesty.

Most Gracious Sovereign,

WE, your Majesty's faithful subjects, the Lord Mayor, Aldermen, and Commons of the city of London, in Common Council assembled, feel it our duty to approach the Throne at this momentous period, with the expression of our sincere devotion to your Majesty's Person and Family, and the tender of our most loyal and earnest support in the War which your Majesty has declared against the Emperor of all the Russias.

For many years we have enjoyed the blessings of Peace, which have carried in their train national prosperity, and developed in all countries, art and science, commerce and civilization.

Our Prayers are offered in confidence, though with deep humility, to the Supreme Disposer of Events, for the success of the Allied Forces in restoring and maintaining the Peace of the World.

Signed by order of Court,

Henry Alworth Merewether.

To which Address Her Majesty was pleased to return the following most gracious Answer:

"I thank you for the renewed expression of your attachment to my Person and Family; and I receive with great satisfaction the assurance of your cordial support in the course which I have felt it right to pursue, in order to re-establish the Peace of Europe on permanent foundations."

[They were all very graciously received, and had the honour of kissing Her Majesty's hand.]

THE Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Consul at Rotterdam, inclosing copy of a Notice to Mariners, issued by the Netherlands Government, a translation of which is subjoined.

(Copy.)

NOTICE TO MARINERS.

THE Minister of Marine gives notice that, in consequence of the giving way of the western point of the sand bank on the Kaloot, Western Schelde, the white buoy stationed, on sailing up from Flushing, has, to prevent misdirection, been removed from that point, and that in lieu thereof, in a more easterly direction upwards, a red buoy has been placed at $3\frac{1}{2}$ fathoms' depth, shewing

*Board of Trade, Whitehall,
Marine Department, April 13, 1854.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received the following Notice to Mariners, issued by the United States Lighthouse Board.

NOTICE TO MARINERS.

*Light-Vessel off the Frying-Pan Shoals,
Cape Fear, N. C.*

A LIGHT-VESSEL will be placed, during the month of April next, off the southern extremity of the Frying-Pan Shoals.

Two lights (each produced by 8 lamps and parabolic reflectors) will be shown from this vessel, at an elevation of about 40 feet above the level of the sea. This vessel has two masts—is about 100 feet long—25 tons, and the top of the gunwale about 10 feet from the water-line.

The hull is painted yellow, with "Frying-Pan Shoals" in large black letters on both sides. The lower masts are painted yellow—the top masts white, with an open work oval day mark, five feet in diameter, painted black, at an elevation of about 55 feet above the water line.

This vessel will be placed in 9 or 10 fathoms water, at the distance of about 19 nautical miles from Bald Head Lighthouse, and about 23 nautical miles from the Federal Point Lighthouse, off the southern extremity of the Shoals making out in about a S. S. E. direction from Cape Fear.

The following magnetic bearings will show the approximate position of this vessel:

From Light-vessel to Bald Head Lighthouse,
N. N. W. $\frac{1}{2}$ W.

From Light-vessel, to Federal Point Lighthouse,
N. by W.

From Light-vessel to centre of outer breakers,
N. N. W. $\frac{1}{4}$ W.

The southern extremity of the breakers, with only 10 feet of water upon them, will be about 4 nautical miles inside of the position of the vessel. A shoal spot with 16 feet water on it, will bear about N. W. $\frac{1}{4}$ N., distant about $2\frac{1}{2}$ nautical miles, and another shoal spot with 18 feet of water on it,

will bear about N. $\frac{1}{4}$ E., distant $1\frac{1}{2}$ nautical miles from the vessel.

The soundings to the eastward of the position of this Light-vessel will be found to be, in general, gradual and uniform, from 10 to about 6 fathoms before deepening, after crossing the outer extremity of the Shoal in the vicinity of the Light-vessel; and the soundings to the westward gradually deepening from the vicinity of the vessel, from 9 and 10 to 15, 17, &c., fathoms.

Sailing vessels of heavy draught should not be run in bad weather into less than 15 to 18 fathoms water in passing these Shoals. Steamers and small sail vessels may be run with safety, under ordinary circumstances of weather, on the line East and West, upon which the Light-vessel will be placed.

Notice will be given of the precise time at which this Light-vessel will be placed in her position and the lights exhibited, accompanied by correct bearings and distances, and the approximate latitude and longitude.

Capt. of Engineers, Inspector 6th
