**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament, held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act passed in the session of Parliament held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council, a scheme, bearing date the twenty-seventh day of April, in the year one thousand eight hundred and fifty-four, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act, passed in the session of Parliament held in the fourth and fifth years of Your Majesty's reign, intituled 'An Act to explain and amend two

'several Acts relating to the Ecclesiastical Commissioners for England,' have prepared, and now humbly lay before Your Majesty in Council, the following scheme for substituting a money payment to the Prebendary of Alrewas, in the cathedral church of Lichfield, for the property belonging to him as such prebendary.

"Whereas, by and under the provisions of the said Acts, the whole of the separate estates and endowments belonging to the said Prebend of Alrewas, will (excepting any right of ecclesiastical patronage), upon the first avoidance of the said prebend, become absolutely vested in us, for the purposes of the said Acts, and the chief of such purposes is that of making better provision for the cure of souls in parishes where such assistance is most required :

"And whereas it was by the same Acts enacted, that by the authority therein provided, and for the purpose of fully carrying into effect any of the provisions thereof, any arrangement might from time to time be made, with the consent in writing under the hand of any prebendary of any cathedral church, for the sale, transfer, or exchange of any lands, tithes, or other hereditaments belonging to such prebendary, or for the purchase of other lands, tithes, or other hereditaments in lieu thereof, or for substituting, in any case, any lands, tithes, or other hereditaments for any money payment, or any money payment for any lands, tithes, or other hereditaments :

"And whereas it has been agreed between us and the Venerable George Hodson, the present holder of the said prebend of Alrewas, that, with a view to sooner carrying into effect the purpose of the said recited Acts hereinbefore particularly mentioned, the following arrangement should be recommended by us to your Majesty in Council :

"We, therefore, with the consent of the said George Hodson, testified by his having signed this scheme, humbly recommend and propose, that, without any conveyance or assurance in the law, other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and after the day of such gazetting, all lands, tithes, and other hereditaments whatsoever (except any right of ecclesiastical patronage) now belonging to the said George Hodson as such prebendary as aforesaid, or to or in which he has or ought to have any estate, right, title, or interest, shall, together with all such estate, right, title, and interest therein (except as aforesaid), be and be held to be, for the consideration hereinafter mentioned, transferred and conveyed by and from the said George Hodson to us as from the twelfth day of October now last past, and shall then and thereupon become and be absolutely vested in us, for the purposes of the said Acts, as from the said twelfth day of October last past, subject only to any legally subsisting lease or leases thereof, or of any part or parts thereof; and that, in consideration of and for such transfer and conveyance, there shall be paid by us to the said George Hodson, during the term of his natural life, the annual sum of two hundred and ninety pounds, by equal half-yearly payments, on the twelfth day of April, and the twelfth day of October; and that two of such half-yearly payments shall be made on the twelfth day of October next, provided that no renewal of any lease, nor any new lease of the said lands, tithes, or other hereditaments, or of any part thereof, shall, since the thirty-first day of March, in the year one thousand eight hundred and fifty-four, have been or shall be granted or made by the said George Hodson; and that if the decease of the said George Hodson, shall happen on any other day than one of the said two half-yearly days of pay-

ment, then a proportionate sum only shall be paid to the representatives of the said George Hodson.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Acts or either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the registrar of the diocese of Lichfield.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of May, in the year one thousand eight hundred and fifty-four, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for

England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' have prepared and now humbly lay before your Majesty in Council, the following scheme for making better provision for the cure of souls in certain parishes.

"Whereas by the said Act it is enacted, that, except as therein otherwise specified, all the monies and revenues to be paid to us, and all the rents and profits of the lands, tithes, and other hereditaments vested and to be vested in us by and under the authority of the same Act, together with all accumulations of interest produced by and arising therefrom, shall be from time to time carried over by us to a common fund, and by payments or investments made out of such fund, or if in any case it be deemed more expedient, by means of an actual conveyance and assignment of such lands, tithes, or other hereditaments, or of a portion thereof, additional provision shall be made by the authority in the same Act provided (that is to say, by Orders of your Majesty in Council, ratifying schemes prepared by us,) for the cure of souls in parishes where such assistance is most required, in such manner as shall, by the like authority, be deemed most conducive to the efficiency of the Established Church; provided always, that in making any such additional provision out of any tithes, or any lands or other hereditaments allotted or assigned in lieu of tithes, so vested or to be vested in us, or out of the rents and profits thereof, due consideration shall be had of the wants and circumstances of the places in which such tithes now arise or have arisen:

"Now, therefore, we humbly recommend and propose, that there shall be paid by us, out of the said common fund, in each and every year, to the incumbent for the time being of each of the benefices or churches described in the first schedule hereunto annexed the fixed annual sum set opposite to the name of such benefice or church in the last column of the same schedule, by equal half-yearly payments on the first day of May and the first day of November in each year; provided nevertheless, that the amount of the payment on the first day of November next in respect of each of the annual sums specified in the said schedule shall be calculated from such date as, according to the circumstances of each case, shall appear to us to be just and reasonable.

"And we further recommend and propose, that the lands and premises particularly described in the second schedule hereunto annexed, with their appurtenances now vested in us for the purposes of the said Act, and all our estate and interest therein, shall without any conveyance or assurance in the law other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the gazetting thereof, be transferred to and become absolutely vested in the Reverend John Armstrong, Rector of the Rectory of Dinder, in the county of Somerset, and his successors in the same rectory.

"And we further recommend and propose, that nothing herein contained shall prevent the further augmentation by us of any of the said benefices or churches, if it shall be deemed fit, when there shall be sufficient means for that purpose; and that if it shall appear to us to be expedient, at any future time, that instead of the annual sum then in course of payment by us to the incumbent of any benefice, or instead of any part of such annual sum, a gross sum equivalent thereto should be substituted, or any land, tithe, or other heredita-

ment should be conveyed to such benefice in fee, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution, or from recommending and

*Wm. L. Bathurst.*

AT the Court at Buckingham Palace, the 8th day of June, 1854,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS Her Majesty's Commissioners for building new churches have, in pursuance of the sixteenth section of an Act, passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled "An Act to amend and render more effectual an Act, passed in the last session of Parliament, for building and promoting the building of additional churches in populous parishes," and of the third section of an Act, passed in the session of Parliament held in the second and third years of Her Majesty's reign, intituled "An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes," duly prepared and laid before Her Majesty in Council, a representation bearing date the second day of May, one thousand eight hundred and fifty-four, in the words following; viz.:

"Your Majesty's Commissioners for building new churches beg leave humbly to represent that having taken into consideration all the circumstances of the parish of Clapham, in the county of Surrey, and in the diocese of Winchester,

it appears to them to be expedient that a particular district should be assigned to the consecrated church of Saint James, situate in the said parish of Clapham, under and by virtue of the power or authority contained in the sixteenth section of an Act, passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled 'An Act to amend and render more effectual an Act, passed in the last session of Parliament, for building and promoting the building of additional churches in populous parishes,' and in the third section of an Act of Parliament, passed in the second and third years of your Majesty's reign, intituled 'An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes,' and that such proposed district should be called or named, 'The District Chapelry of Saint James, Clapham;' and that the boundaries thereof should be those hereinafter mentioned; that is to say: to commence in the centre of the high road leading from London to Clapham about one hundred and twenty feet westward of Manor-street, and to proceed in a westerly direction along the middle of the High-street to the northern end of Park-road; then in a south-easterly direction down the middle of Park-road, as far as the road leading to Park-place; then in a south-westerly direction along the middle of that road to the back of the premises in the Grove; then south-easterly to the end of the garden and premises in the occupation of — Twining, Esquire; then south-westerly, partly by a line drawn through the centre of a footway leading from Park-road to Brixton-lane, and partly by an imaginary straight line drawn from the said footway, averaging about four hundred and eighteen yards, from the south side of the high road leading from Clapham to Tooting, and across Cavendish-road, as far as the boundary line between the parishes of Clapham and Streatham, at the point where a bound stone is placed; then proceeding along the boundary line separating the parish of Streatham from the parishes of Clapham and Lambeth, as far as the end of Bedford New-road, less one hundred and ten yards or thereabouts; then in a south-westerly

direction, by an imaginary line drawn through the gardens at the backs of the houses on the south side of the road leading from London to Clapham, to the southern end of the chapel on the premises known as the Grammar School; and then in a north-westerly direction, partly along the enclosure fence of the said premises, and partly along a passage leading into the High-street to the point where the boundary commenced, as the district chapelry of Saint James, Clapham, is more particularly delineated on the map or plan hereto annexed, and thereon coloured pink.

"Your Majesty's said Commissioners beg leave further to represent that it also appears to them to be expedient that banns of marriage should be published and that marriages, baptisms, and churchings should be solemnized or performed in the said church of Saint James, at Clapham aforesaid; and that the fees to arise therefrom should be paid and belong to the minister or incumbent of such church for the time being.

"That the consent of the Right Reverend Charles Richard, Bishop of the said diocese of Winchester, has been obtained thereto, as required by the Acts and sections hereinbefore mentioned, in testimony whereof he has signed and sealed this representation.

"Your Majesty's said Commissioners therefore humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such Order in respect thereto as to your Majesty, in your royal wisdom, shall seem meet."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of her Privy Council, to approve thereof, and to order, and it is hereby ordered, that the proposed assignment of a district chapelry to the consecrated church of Saint James, in the parish of Clapham, be accordingly made, and the recommendations of the said Commissioners in respect of the publication of banns and the solemnization of marriages, baptisms, and churchings, and the fees to arise therefrom, be carried into effect agreeably to the provisions of the said Acts; and Her Majesty is further pleased to direct that this Order be forthwith registered by the Registrar of the diocese of Winchester.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS Her Majesty's Commissioners for building new churches have, in pursuance of the sixteenth section of an Act of Parliament, passed in the fifty-ninth year of the reign of King George the Third, intituled "An Act to amend and render more effectual an Act, passed in the last session of Parliament, for building and promoting the building of additional churches in populous parishes," and also of the third section of an Act of Parliament, passed in the second and third years of Her Majesty's reign, intituled "An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes," duly prepared and laid

before Her Majesty in Council a representation, bearing date the twelfth day of May, one thousand eight hundred and fifty-four, in the words following; viz.:

"Your Majesty's Commissioners for building new churches beg leave humbly to represent that having taken into consideration all the circumstances of the parish of Bambrough, otherwise Bamburgh, in the county of Northumberland, and in the diocese of Durham, it appears to them to be expedient that a particular district should be assigned to the consecrated church situate at Beadnell, in the said parish of Bamburgh, under and by virtue of the power or authority contained in the sixteenth section of an Act of Parliament, passed in the fifty-ninth year of the reign of King George the Third, intituled 'An Act to amend and render more effectual an Act passed in the last session of Parliament for building and promoting the building of additional churches in populous parishes,' and also in the third section of an Act of Parliament, passed in the second and third years of your Majesty's reign, intituled 'An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes,' and that such proposed district (which is to comprise the townships of Beadnell, Swinhoe, and Tuggal, and such portions of the townships of Preston and Chathill as are within the said parish of Bamburgh) should be named or called "The District Chapelry of Beadnell," and that the boundaries thereof should be those hereinafter mentioned; that is to say: On the east by the German Ocean, on the south by the parish of Embleton, on the west by the parish of Ellingham, and on the north-west and north by the remaining part of the parish of Bamburgh, from which the said district chapelry of Beadnell is separated by the boundary lines which divide the townships of Newham and Fleatham from the said township of Swinhoe and the township of North Sunderland from other part of the said township of Swinhoe and from the township of Beadnell, as such district chapelry of Beadnell is more particularly delineated on the map or plan hereunto annexed, and is thereon coloured green.

"Your Majesty's said Commissioners beg leave further to represent that it also appears to them to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings and burials, should be solemnized or performed in the said church at Beadnell aforesaid, and that the fees to arise therefrom should belong and be paid to the incumbent of such church for the time being.

"That the consent of the Right Reverend Edward, Bishop of the said diocese of Durham, has been obtained thereto, as required by the Acts and sections hereinbefore mentioned, in testimony whereof he has signed and sealed this representation.

"Your Majesty's said Commissioners therefore humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such Order in respect thereto as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, as it is hereby ordered, that the proposed assignment of a district chapelry to

the church at Beadnell, in the parish of Bam-  
brough, otherwise Bamburgh, in the county of  
Northumberland, be accordingly made, and the  
recommendations of the said Commissioners in  
respect of the publication of banns and the solemn-  
ization of marriages, baptisms, churchings, and  
burials, in the said church, and the fees to arise  
therefrom, be carried into effect agreeably to the  
provisions of the said Acts; and Her Majesty, by  
and with the like advice, is pleased to direct that  
this Order be forthwith registered by the Regis-  
trar of the diocese of Durham.

**A**T the Court at *Buckingham Palace*, the  
8th day of *June*, 1854,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS there was this day read at the  
Board, a Report from the General Board  
of Health, dated the seventeenth day of May,  
one thousand eight hundred and fifty-four, in  
the words following; that is to say:

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed  
for the purposes of 'The Public Health Act, 1848,'  
have, in pursuance of the provisions of that Act, upon  
the petition of not less than one-tenth of the in-  
habitants rated to the relief of the poor of and  
within the township of Heanor, in the county of  
Derby (the number of the said petitioners greatly  
exceeding thirty in the whole), directed William  
Lee, a Superintending Inspector, appointed for the  
purposes of the said Public Health Act, to  
visit the said township, and to make inquiry  
and to examine witnesses as to the sewerage,  
drainage, and supply of water, the state of the  
burial-grounds, the number and sanitary condition  
of the inhabitants, and as to any local Acts of  
Parliament in force within such township, for  
paving, lighting, cleansing, watching, regulating,  
supplying with water, or improving the said town-  
ship, or having relation to the purposes of the said  
Public Health Act; also as to the natural drain-  
age areas, and the existing municipal, parochial,  
and other local boundaries, and the boundaries  
which might be most advantageously adopted for  
the purposes of that Act;

And the said Superintending Inspector, having  
previously given the notices directed by the said  
Public Health Act, proceeded upon the said in-  
quiry in the manner directed by that Act, and  
hath reported in writing to the said Board upon  
the said several matters with respect to which he  
was directed to inquire, and upon certain other  
matters with respect to which he deemed it expe-  
dient to report for the purposes of that Act;

And copies of the said report, accompanied by  
a notice, stating that written statements might be  
forwarded to the said Board with respect to any  
matter contained in or omitted from the said re-  
port, or any amendment proposed to be made  
therein, have been duly published and deposited as  
directed by the said Public Health Act, and the  
time for forwarding such statements has now  
elapsed, and the statements which have been re-  
ceived by the said Board have been duly deposited  
as required by that Act;

And it appears by the said report, that there is  
no local Act of Parliament in force within the

said township, for paving, lighting (otherwise than  
for the profit of proprietors or shareholders),  
cleansing, watching, regulating, supplying with  
water, or improving such township, or any part  
thereof, or in anywise relating to the purposes of  
the said Public Health Act;

"Now, therefore, we, the said General Board  
of Health, do hereby, in pursuance of the said  
Public Health Act, humbly report to your Majesty  
that it appears to us to be expedient that:

"1. 'The Public Health Act, 1848,' and  
every part thereof, except the section numbered  
50 in the copies of that Act, printed by your  
Majesty's printers, should be applied to and be in  
force within and throughout the entire area, places,  
and parts of places comprised within the boundaries  
of the said township of Heanor, in the county of  
Derby, and that such area, places, and parts of  
places should be and constitute a district for the  
purposes of the said Public Health Act accord-  
ingly.

"2. The Local Board of Health to be elected  
under the said Public Health Act should consist  
of nine persons, and that the entire number should  
be elected for the whole of the said district.

"3. The first election of the said Local Board  
should take place on the twenty-first day  
of July, in the year of our Lord, one thousand  
eight hundred and fifty-four.

"4. One-third in number of the said Local  
Board of Health should go out of office on the  
thirty-first day of March in each year subsequently  
to that in which the said first election of that  
Local Board takes place; but in case the day so  
appointed should fall on a Sunday, or on a day  
appointed for public fast or thanksgiving, then  
that such one-third should go out of office on the  
day next following.

"5. Every person at the time of his election  
as member of the said Local Board, and so long as  
he shall continue in office by virtue of such election,  
should be resident, as in the said 'Public  
Health Act, 1848,' is required, and be seized or  
possessed of real or personal estate, or both, to  
the value or amount of not less than five  
hundred pounds, or should be so resident, and  
rated to the relief of the poor of some parish,  
township, or place, of which some part is within  
the said district, upon an annual value of not less  
than four pounds.

"6. At the first election of the said Local  
Board, Mr. Henry Frearson, of Heanor afore-  
said, should have the powers and perform the  
duties vested in or imposed upon the chairman of  
the Local Board of Health by 'the Public Health  
Act, 1848,' in relation to the election by owners  
of property and rate payers, and should perform  
all other duties which it may be requisite for him  
to perform in conducting and completing the said  
first election; and in case the said Henry  
Frearson, from illness, or other sufficient cause,  
should be unable to exercise or discharge such  
powers or duties, or should be absent, or should  
refuse to act, then that Mr. John Argyle, of Heanor  
aforesaid, should exercise and perform such of the  
said powers and duties as then remain to be  
exercised or performed.

"7. The fourteen days' notice of qualification,  
required by 'The Public Health Act, 1848,'  
to be given by owners of property, in order to  
entitle them to vote at the said first election,  
should be given to the said Henry Frearson, at  
his residence, at Heanor, situate within the  
aforesaid district; or in case he should re-

fuse, or be unable to receive the same, then to the said John Argyle, at his residence, Parkfield House, likewise within the district aforesaid.

"Given under our hands and under the seal of the General Board of Health, this seventeenth day of May, in the year of our Lord, one thousand eight hundred and fifty-four.

(Signed) *Shaftesbury.*  
*Edwin Chadwick.*  
*T. Southwood Smith."*

L. S.

Now, therefore, Her Majesty having taken the said Report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth, hereby, under and in pursuance of the "Public Health Act, 1848," order and direct that :

1. From and after the date of this Order the "Public Health Act, 1848," and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said township of Heanor, in the county of Derby, and that such area, places, and parts of places, shall be and constitute a district for the purposes of the said Public Health Act accordingly.

2. The Local Board of Health to be elected under the said Public Health Act, shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

3. The first election of the said Local Board of Health shall take place on the twenty-first day of July, in the year of our Lord, one thousand eight hundred and fifty-four.

4. One-third in number of the said Local Board of Health shall go out of office on the thirty-first day of March in each year, subsequently to that in which the said first election of that Local Board takes place ; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third shall go out of office on the day next following.

5. Every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, shall be resident, as in the said "Public Health Act, 1848," is required, and be seised or possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than four pounds.

6. At the first election of the said Local Board, Mr. Henry Frearson, of Heanor aforesaid, shall have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by 'The Public Health Act, 1848,' in relation to the election by owners of property and rate payers, and shall perform all other duties which it may be requisite for him to perform, in conducting and completing the said first election ; and in case the said Henry Frearson, from illness or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then that Mr. John Argyle, of Heanor aforesaid, shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

#### NOTICE TO MARINERS.

Devaar Lighthouse.

THE Commissioners of Northern Lighthouses hereby give notice that a Lighthouse has been built upon the Island of Devaar, at the entrance to the Bay of Campbeltown, in the county of Argyll, the light of which will be exhibited on the night of Monday, 10th July, 1854, and every night thereafter, from the going away of daylight in the evening till the return of daylight in the morning.

*The following is a Specification of the Lighthouse, and the Appearance of the Light, by Mr. DAVID STEVENSON, Engineer to the Commissioners:—*

The Lighthouse is in N. Lat. 55° 25' 45", and W. Long. 5° 32' 16".

The Devaar Light will be known to mariners as a Revolving Light, which shews a bright white light once every half-minute.

The Light is elevated about 120 feet above the level of high water of ordinary spring tides, and may be seen at the distance of about 15 nautic miles, and at lesser distances according to the

state of the atmosphere: to a nearer observer, in favourable circumstances, the light will not wholly disappear between the intervals of greatest brightness. The arc illuminated by this light extends from about S.  $\frac{1}{4}$  E. by compass, to about W. b N., and faces northwards.

And the Commissioners hereby further give notice, that Her Majesty, by Order in Council, dated 29th December, 1853, was pleased to order and direct that, upon the erection and lighting of the said Light upon the Island of Devaar, there should be paid, in respect thereof, for every vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, or being navigated wholly in ballast), and for every foreign vessel which by any Act of Parliament, Order in Council, Convention or Treaty, shall be privileged to enter the ports of the United Kingdom, upon paying the same duties of tonnage as are paid by British vessels, the same not being navigated wholly in ballast, which shall pass or derive benefit from the said light, that is, which shall arrive at or depart from any port or place in the Bay or Loch of Campbeltown, if the burthen of the same shall not exceed fifty tons, sixpence, and if the same shall exceed fifty tons, for each additional fifty tons, or part of fifty tons, sixpence.

And Her Majesty was further pleased to order and direct, by the said Order in Council, that in respect of the said light on Devaar, and in respect of another light in Loch Ryan, on the south side of the basin of the Clyde, erected by the said Commissioners, there shall be paid by every vessel before described, and under the exemptions aforesaid, which shall navigate on a distinct voyage within the great basin of the Clyde, bounded by a line drawn from the Point of Corsewall to Glenarm, in Ireland, on the south-east, and from another line drawn from the Mull of Kintyre to Fairhead, in Ireland, on the north-west, and on all other sides by the coasts of Ireland and Scotland surrounding the said basin, a similar rate of toll to that above set forth, being at the rate of threepence for each of the said lights.

Double the said respective tolls for every foreign vessel not privileged as aforesaid.

Provided always, that vessels arriving at or departing from any port or place within Loch Ryan, or within Campbeltown Loch, and paying the rates for such respective voyages, shall not in addition be liable in payment of the rates for navigating the basin of the Clyde.

The above rates are, by another Order in Council, declared to be subject to the following abatements on payment.

Over-sea vessels, twenty-five per cent.

Coasting vessels, ten per cent.
