TUESDAY, AUGUST 15, 1854.

Buckingham-Palace, August 12, 1854.

THIS day Her Majesty, accompanied by His Royal Highness Prince Albert, proceeded in state from Buckingham-Palace to the House of Peers, where she arrived soon after two o'clock; and was received, on alighting from her state coach, by the Lord Chancellor, the Lord Privy Seal, Sir Augustus Clifford, Bart., C.B., Deputy Great Chamberlain, (in the absence of the Lord Willoughby de Eresby), and the Treasurer of the Household, norroy officiating for Garter King of Arms, and the Yeoman Usher of the Black Rod, and proceeded to the State Robing-room in the customary manner.

Her Majesty was there robed, and the procession moved into the House in the usual order;—the sword of state was borne by the Earl of Aberdeen, K.T., the cap of maintenance by the Marquess of Winchester, and the crown by the Marquess of Lansdowne, K.G.

Her Majesty being seated on the Throne, and His Royal Highness Prince Albert on a Chair on the left side of the Cloth of Estate, the Great Officers of State and others standing on the right and left, James Pulman, Esquire, Yeoman Usher of the Black Rod, was sent with a message from Her Majesty to the House of Commons, commanding their immediate attendance in the House of Peers. The Commons being come thither accordingly, Her Majesty was pleased to give the Royal Assent to

An Act to apply a sum out of the Consolidated Fund, and certain other sums, to the service of the year one thousand eight hundred and fifty-four, and to appropriate the supplies granted in this session of Parliament.

An Act for the further alteration and amendment of the laws and duties of Customs

An Act to render any dealing with securities issued, during the present war between Russia and England, by the Russian Government, a misdemeanour.

An Act to settle the contribution to be made by certain baronies in Roscommon and Galway and the county of the town of Galway to the Midland Great Western Railway of Ireland Company.

An Act for the further amendment of the process, practice, and mode of pleading in, and enlarging the jurisdiction of, the Superior Courts of Common Law at Westminster, and of the Superior Courts of Common Law of the counties palatine of Lancaster and Durham.

After which Her Majesty was pleased to deliver

the following most gracious Speech to both Houses of Parliament :

My Lords and Gentlemen,

I AM enabled by the state of public business to release you from a longer attendance in Parliament.

Gentlemen of the House of Commons,

In closing the session it affords me great pleasure to express my sense of the zeal and energy you have shown in providing means for the vigorous prosecution of the war in which, notwithstanding my efforts to avert it, we are now engaged. This liberality in granting the supplies for the public service demands my warmest thanks; and although I lament the increased burthens of my people, I fully recognize your wisdom in sacrificing considerations of present convenience, and in providing for the immediate exigencies of the war without an addition being made to the permanent debt of the country.

My Lords and Gentlemen,

In cordial co-operation with the Emperor of the French, my efforts will be directed to the effectual repression of that ambitious and aggressive spirit on the part of Russia which has compelled us to take up arms in defence of an ally, and to secure the future tranquillity of Europe.

You will join with me in admiration of the courage and perseverance manifested by the troops of the Sultan in their defence of Silistria, and in the various military operations on the Danube.

The engrossing interest of matters connected with the progress of the war has prevented the due consideration of some of those subjects which at the opening of the session I had recommended to your attention, but I am happy to acknowledge the labour and diligence with which you have perfected various important measures well calculated to prove of great public utility.

You have not only passed an Act for opening the coasting trade of the United Kingdom, and for removing the last legislative restriction upon the use of foreign vessels, but you have also revised and consolidated the whole statute law relating to merchant shipping.

The Act for establishing the direct control of the House of Commons over the charges incurred in the collection of the revenue will give more complete effect to an important principle of the constitution, and will promote simplicity and regularity in our system of public account.

I rejoice to perceive that amendments in the administration of the law have continued to occupy your attention, and I anticipate great benefit from the improvements you have made in the forms of procedure in the superior courts of common law.

The means you have adopted for the better government of the University of Oxford, and the improvement in its constitution, I trust will tend greatly to increase the usefulness and to extend the renown of this great seminary of learning.

I have willingly given my assent to the measure you have passed for the prevention of bribery and of corrupt practices at elections, and I hope that it may prove effectual in the correction of an evil which, if unchecked, threatens to fix a deep stain upon our representative system.

It is my earnest desire that on returning to your respective counties you may preserve a spirit of union and concord. Deprived of the blessings of peace abroad, it is more than ever necessary that we should endeavour to confirm and increase the advantages of our internal situation; and it is with the greatest satisfaction that I regard the progress of active industry and the general prosperity which happily prevails throughout the country.

Deeply sensible of these advantages, it is my humble prayer that we may continue to enjoy the favour of the Almighty, and that, under His gracious protection, we may be enabled to bring the present contest to a just and honourable termination.

Then the Lord Chancellor, by Her Majesty's command, said,

My Lords and Gentlemen,

It is Her Majesty's royal will and pleasure, that this Parliament be prorogued to Thursday the nineteenth day of October next, to be then here holden; and this Parliament is accordingly prorogued to Thursday the nineteenth day of October next.

AT the Court at *Buckingham Palace*, the 11th day of *August*, 1854,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a

scheme, bearing date the thirteenth day of July, in the year one thousand eight hundred and fifty-four, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale of certain property formerly belonging to the prebend of Givendale, in the cathedral church of York, and now vested in us.

"Whereas it is by the said Act (amongst other things) enacted, that notwithstanding the charge by that Act created (being a charge created in favour of the Governors of the Bounty of Queen Anne), all the same and the like powers and rights of ownership as are possessed and enjoyed respecting and over any lands, tithes, rent-charges, tenements, or other hereditaments whatsoever, by any absolute owner thereof, shall be enjoyed by us with respect to and over all or any lands, tithes, rent-charges, tenements, or other hereditaments vested in us under certain Acts therein mentioned (being the Acts under which the property hereinafter described is vested in us), and may, subject to the provisions of the same Acts, and of the now reciting Act, be exercised by us, by proper instruments in writing, duly executed according to law, with a certain proviso respecting the application of every sum of money received as the consideration or purchase money for the sale, transfer, or conveyance by us of any of such lands, tithes, tenements, or other hereditaments, or of any estate or interest therein, and with a further proviso that none of such lands, tithes, tenements, or other hereditaments be sold, transferred, or conveyed, except by the authority of a scheme, and an Order issued by your Majesty in Council ratifying the same:

"And whereas all the lands, tenements, hereditaments, and endowments formerly belonging to the said prebend of Givendale, (except any right of ecclesiastical patronage), became vested in us by virtue of an Order of your Majesty in Council, bearing date the twenty-first day of January, one thousand eight hundred and forty-six, and duly published in the London Gazette of the twenty-seventh day of February in the same year, subject to any legally subsisting lease or leases thereof:

"And whereas application has been made to us for the purchase of all our estate and interest in certain portions of the said lands, tenements, and hereditaments; and, after due consideration, it appears to us to be expedient that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable:

"We, therefore, humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing duly executed according to law, from time to time to sell and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements, hereditaments, or endowments heretofore belonging to the said prebend and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall upon due cal-

ulation and inquiry appear to us to be just and reasonable.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of York.

East India House, August 9, 1854.

NOTICE is hereby given, that the annexed code of regulations for the admission of candidates at the first examination, to be held in January next, for the appointment of Assistant-Surgeons in the service of the East India Company, has been framed by the Board of Commissioners for the Affairs of India, under the provisions of the Act 16 and 17 Vic., cap. 95, sec. 38.

Regulations for the admission of Candidates for the appointment of Assistant-Surgeons in the Service of the East India Company.

ALL natural born subjects of Her Majesty may be candidates for admission into the service of the East India Company as Assistant-Surgeons; they must, however, be between 22 and 28 years of age, and of sound bodily health.

They must subscribe and send in to Dr. Scott, the Physician to the Honourable East India Company, before the 10th day of December, 1854, a declaration to the following effect:

"I (christian and surname at full length), a candidate for employment as an Assistant-Surgeon, in the service of the East India Company, do hereby declare, that I was _____ years of age on the _____ day of _____ last, and that I labour under no constitutional disease or physical disability that can interfere with the due discharge of the duties of a medical officer; and I also attest my readiness to proceed on duty to India within three months of receiving my appointment."

This declaration must be accompanied by the following documents:—

1. Proof of age, either by extract from the register of the parish in which the candidate was born, or by his own declaration, pursuant to the Act 5 and 6 William 4th, cap. 62.

2. A diploma in surgery or a degree in medicine, provided an examination in surgery be required for such degree, from somebody competent by law to grant or confer such diploma or degree.

3. A certificate of having attended two courses of lectures, of six months each, on the practice of physic, and of having attended for six months the practice and clinical instruction of the physicians at some hospital, containing at least on an average one hundred in-patients; or of having attended one course of lectures of six months on the practice of physic, and clinical instruction for twelve months.

4. A certificate of having attended for three months the practical instruction given at one of the public asylums for the treatment of the insane.

5. A certificate of having attended for three months one of the institutions, or wards of a hospital, especially devoted to the treatment of ophthalmic disease.

6. A certificate of having attended a course of lectures on midwifery, and of having conducted at least six labours.

7. A certificate of having acquired a practical knowledge of cupping.

Candidates may also, at their option, send in certificates of attendance at any hospitals, or on any courses of lectures in addition to the above. Attendance on a course of military surgery is recommended.

Candidates producing satisfactory certificates will be admitted to an examination to be held in January, 1855.

The examination will include the following subjects:

1. Surgery in all its departments.
2. Medicine, including the diseases of women and children, therapeutics, pharmacy, and hygiene.
3. Anatomy and physiology, including comparative anatomy.
4. Natural history, including botany and zoology.

The examination will be conducted—

1. By means of written questions and answers.
2. By object examinations and experiments, when the subject admits of such tests.
3. By practical examination at the bedside of the patient, and by dissections and operations on the dead body.
4. By vivâ voce examination.

The persons who shall be pronounced by the examiners to be the best qualified in all respects, shall be appointed to fill the requisite number of appointments as Assistant-Surgeons in the East India Company's Service.

All Assistant-Surgeons are required to subscribe to the military or medical, and medical retiring funds at the presidencies to which they may be respectively appointed, and to the Military Orphan Society also, if appointed to Bengal.

All Assistant-Surgeons who shall neglect or refuse to proceed to India under the orders of the Court of Directors, within three months from the date of their appointments, will be considered as having forfeited them, unless special circumstances shall justify a departure from this regulation.

Candidates may apply to Dr. Scott, 13, Stratton-street, for further information, if needed.

N.B. The certificates and notices as to examination herein contained apply only to the examination to be held in January next.

Regulations regarding the requirements of candidates for future examinations will be issued after the first examination.
