*Admiralty, March 19, 1855.*

A DESPATCH, of which the following is a copy, has been received from Rear-Admiral Sir Edmund Lyons, Bart., G.C.B., Commander-in-Chief of Her Majesty's Ships and Vessels in the Mediterranean and Black Sea.

PROCEEDINGS AT KERTCH.

*Royal Albert, off Sevastopol,  
February 27, 1855.*

SIR,  
WITH reference to my letter of the 20th instant (No. 135), reporting the highly creditable

proceedings of the blockading squadron off Kertch, under the command of Captain Giffard, of Her Majesty's ship *Leopard*,

2. I have now the honour to enclose copies of two letters which I have received from that active and intelligent officer, reporting his further proceedings, and of his having, in conjunction with His Imperial Majesty's steamer *Fulton*, captured and destroyed ten 50 cwt. 6-inch guns, and burnt seven large boats, two ranges of barrack buildings, also a quantity of military stores and provisions, near the Boghaz of the Kouban Lake, on the 22nd instant; and I beg leave to call their Lordships' particular attention to the fact that this gallant service was performed during weather which must have rendered its accomplishment exceedingly difficult, and that Vice-Admiral Bruat and I consider that it reflects the highest credit on Captain Giffard, Captain Lebris, of the *Fulton*, and the officers and men of both nations employed on the occasion.

3. The enemy appears to have lost a considerable number of men on the occasion, whereas no casualties have occurred on our side.

I am, &c.,

ED. LYONS,

Rear-Admiral and Commander-in-Chief.

To the Secretary of the Admiralty,  
London.

Enclosure.

*Her Majesty's steam-frigate Leopard,*  
*off Kertch, February 25, 1855.*

REPORTING THE CAPTURE OF ENEMY'S GUNS, AND  
DESTRUCTION OF MILITARY STORES.

SIR,

I HAVE the honour to inform you that on the 22nd instant, His Imperial French Majesty's ship *Fulton* having gone to Kaffa to reconnoitre, I proceeded towards Anapa in Her Majesty's ship *Leopard*, but on passing the Boghaz of the Kouban Lake, we observed numbers of troops crossing the passage in boats, from Anapa to Taman, so I ran in and anchored off the passage in  $4\frac{1}{2}$  fathoms.

The troops had landed, but we opened fire on them and drove them to the hills.

I sent a division of boats, under Lieutenant Graham, to examine the buildings on the points, which proved to be guard-houses, barracks, store-houses, and stables, some of which were burnt, but a heavy snow-storm coming on I recalled the boats.

Lieutenant Graham reporting he had seen some guns and other military stores, which he had not time to destroy, and which the enemy were transporting from Anapa to Kertch, I again proceeded there on the 24th instant, in company with the *Fulton*.

A few rounds of shot and shell drove the Cossacks and other troops, 400 or 500 in number, to the hills; when the boats under Lieutenant Graham landed, and Monsieur de Bris, in the *Fulton* took up a position, to the north-west, to check the advance of the enemy, who soon after brought some field batteries on the hills and opened a heavy fire of shot and shell upon the ships and boats.

The very accurate fire of the *Fulton* drove them from two positions, and the *Leopard's* shell from a third, after which they retreated behind the hills.

After three hours' work the boats returned, having captured and destroyed ten new and handsome 50 cwt. 6-inch guns and burnt seven large boats, two ranges of barracks and buildings, also a quantity of military stores and provisions.

The *Fulton* received one shot in her hull, but I am happy to say no casualties occurred.

The loss of the enemy must have been considerable.

I have, &c.,

(Signed) GEO. GIFFARD, Captain.

Rear-Admiral Sir Edmund

*Lyons, Bart., G.C.B.,*

AT the Court at *Buckingham Palace*, the 28th day of *February*, 1855,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of February, in the year one thousand eight hundred and fifty-five, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale of certain property formerly belonging to the prebend of Bilton, in the cathedral and metropolitan church of York, and now vested in us.

"Whereas it is by the said Act (amongst other things) enacted, that notwithstanding the charge by that Act created (being a charge created in favour of the Governors of the Bounty of Queen Anne), all the same and the like powers and rights of ownership as are possessed and enjoyed respecting and over any lands, tithes, rent-charges, tenements, or other hereditaments whatsoever, by any absolute owner thereof, shall be enjoyed by us with respect to and over all or any lands, tithes, rent-charges, tenements, or other hereditaments vested in us under certain Acts therein mentioned (being the Acts under which the property herein-after described is vested in us), and may, subject to the provisions of the same Acts, and of the now reciting Act, be exercised by us, by proper instruments in writing, duly executed according to law, with a certain proviso respecting the application of every sum of money received as the consideration or purchase money for the sale, transfer, or conveyance by us of any of such lands, tithes, tenements, or other hereditaments, or of any estate or interest therein, and with a further proviso that none of such lands, tithes, tenements, or other hereditaments be sold, transferred, or conveyed, except by the authority of a scheme, and an Order issued by your Majesty in Council ratifying the same:

"And whereas all the lands, tenements, hereditaments, and endowments formerly belonging to the said prebend of Bilton (except any right of ecclesiastical patronage), became vested in us by virtue of an Order of your Majesty in Council, bearing date the thirtieth day of January, in the year one thousand eight hundred and fifty-four, and duly published in the London Gazette of the thirty-first day of the same month,

subject to any legally subsisting lease or leases thereof :

"And whereas application has been made to us for the purchase of all our estate and interest in certain portions of the said lands, tenements, and hereditaments; and, after due consideration, it appears to us to be expedient that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable :

"We, therefore, humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing duly executed according to law, from time to time to sell and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements, hereditaments, or endowments heretofore belonging to the said prebend of Bilton, and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of York.

*Wm. L. Bathurst.*

**A**T the Court at *Buckingham Palace*, the 28th day of *February*, 1855,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the "spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of February, in the year one thousand eight hundred and fifty-five, in the words following; that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale of certain property formerly belonging to the Dean and Chapter of the cathedral church of Peterborough, and now vested in us.

"Whereas it is by the said Act (amongst other things) enacted, that notwithstanding the charge by that Act created (being a charge created in favour of the Governors of the Bounty of Queen Anne), all the same and the like powers and rights of ownership as are possessed and enjoyed respecting and over any lands, tithes, rent-charges, tenements, or other hereditaments whatsoever, by any absolute owner thereof, shall be enjoyed by us with respect to and over all or any lands, tithes, rent-charges, tenements, or other hereditaments vested in us under certain Acts therein mentioned (being the Acts under which the property hereinafter described is vested in us), and may, subject to the provisions of the same Acts, and of the now reciting Act, be exercised by us, by proper instruments in writing duly executed according to law; with a certain proviso respecting the application of every sum of money received as the consideration or purchase-money for the sale, transfer, or conveyance by us of any of such lands, tithes, tenements, or other hereditaments, or of any estate or interest therein, and with a further proviso that none of such lands, tithes, tenements, or other hereditaments be sold, transferred, or conveyed, except by the authority of a scheme, and an Order issued by your Majesty in Council ratifying the same :

"And whereas under the provisions of an Order of your Majesty in Council, bearing date the twenty-ninth day of March, in the year one thousand eight hundred and fifty-four, and duly published in the London Gazette, on the second day of the following month of May, all the lands, tenements, hereditaments, and endowments, formerly belonging to the said Dean and Chapter, (except such portion thereof, as by such Order is excepted), became vested in us subject to any legally subsisting lease or leases of the same.

"And whereas application has been made to us for the purchase of all our estate and interest in certain portions of the said lands, tenements, and hereditaments; and, after due consideration, it appears to us to be expedient that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable :

"We, therefore, humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell, and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements, hereditaments, or endowments heretofore belonging to the said Dean and Chapter of Peterborough, which are so vested in us under the provisions of the said Order as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable :

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every

part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Peterborough.

NOTICE TO MARINERS.

*Lighthouse on Cape La Higuera.*

FROM the 1st of next April, the new lighthouse erected on the above-mentioned Cape, at the mouth of the river Vidasoa, will be lighted during the same hours of the night (from sunset to sunrise) as the light on Mount Igueldo, instead of the light at present existing on that place. This lighthouse lies on the western coast of the creek of the town of Tuenterrabia, in—

43° 23' 35" N. Latitude, and

4° 25' 17" E. Longitude from the Naval Observatory of San Fernando.

Its apparatus is of the fifth catadioptrical order, with a *permanent* light of a natural colour, and its range of about 7 miles, when the state of the atmosphere will allow it.

The elevation of the light above the level of the sea is of 312 Castilian feet.

The new lighthouse on Cape La Higuera is the first of the lights on the northern coast of Spain on the Ocean, and is therefore combined with the French lights of the port of Socoa, which is a permanent one, and of the Biarritz Lighthouse, which is of the second order, with eclipses every 30", and the range whereof extends to the mouth of the canal of Pasages.

These two lots are within two miles from the town of Carmarthen, and coal and lime are to be obtained within an easy distance.

Lot 3.—A desirable and compact farm-house, farm, and lands, called Cwmhowell, situate in the parish of Llansawel, containing, by admeasurement, 308A. 2R., now in the occupation of John Jones as yearly tenant, at the low rent of £50.

Lots 3 and 4, which are within one mile of the town of Llansawel, adjoin each other, forming a very compact estate bounded by a river on the east, and by another on the west, both of which are excellent trout streams.

The buildings on both farms are new and complete, and an excellent road, leading from the town of Llansawel to Llanybyther, passes through the property.

There are several parcels of thriving oak and ash on this estate; and many eligible spots might be selected for planting which would yield an ample return.

The above property is capable of great improvement, and would repay the outlay.
