To enable the Corporation to borrow and take up at interest, on the credit of the said harbour tolls and duties, and with and upon such further or collateral security as aforesaid, any sum which may be required for the purpose of paying any contribution which may at any time become due from them under the provisions of the Acts hereinbefore mentioned, or either of them, or of an award made in pursuance of " The Nene Valley Drainage and Navigation Improvement (Amendment) Act, 1854."

To authorize and require that when and so often, from time to time, as the harbour tolls and duties for the time being levied, assessed and received by the Corporation, and charged with the payment of any principal sum or sums of money, borrowed under the provisions and for the purposes of " The Nene Valley Drainage and Navigation Improvement Act, 1852," and " The Nene Valley Drainage and Navigation Improvement (Amendment) Act, 1854," or either of them, or under the provisions of the said intended Act, and then remaining due, shall not in any year be sufficient, after payment of all other lawful charges thereon (except such principal sum or sums), to pay the whole amount of interest then due, for or in respect of all principal sums for which the securities or security shall be then subsisting thereon; as well as to provide a clear surplus or sinking fund of five hundred pounds to be applied in discharge of one or more mortgages, as directed by the statute of eleventh and twelfth Victoria, chapter one hundred and forty-three, section sixty-two, and (subject thereto) by " The Nene Valley Drainage and Navigation Improvement (Amendment) Act, 1854," section one hundred and sixty-nine, the said Corporation shall in aid of the said harbour tolls and duties, pay out of the borough fund and borough rates of the borough of Wisbech, or partly out of such borough fund and partly out of such borough rates, all or so much of the said interest as the said harbour tolls and duties shall from time to time be insufficient to pay and satisfy as aforesaid; and shall also set apart, pay and apply as and for or (as the case may be) towards a sinking fund, to be applied as last hereinbefore mentioned, the sum of five hundred pounds, or such smaller sum as together with the clear surplus of the said tolls and duties in that year applicable towards such sinking fund, shall amount to five hundred pounds; and to charge such payments in aid of the said harbour tolls and duties, upon the said borough fund and borough rates accordingly.

To provide for the ultimate repayment by means of the said harbour tolls and duties, of all sums of money which shall be advanced and paid out of the borough fund of the said borough, or out of the real estates of the said corporation, in aid of such harbour tolls and duties, by virtue of the provisions of the said intended Act. To authorize the levying of borough rates for all or any of the purposes of the said intended Act. And it is proposed by the said intended Act, if it shall be found necessary or expedient so to do, to alter, amend, enlarge or repeal the powers and provisions of the several Acts of Parliament hereinafter mentioned, or any of them; that is to say: Local and Personal Acts, 50th George the Third, cap. 206; 10th and 11th Vict., cap. 197; 11th and 12th Vict., cap. 143; 15th and 16th Vict., cap. 128; and 17th and 18th Vict., cap. 82.
