

the year one thousand eight hundred and fifty-five, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament, held in the sixth and seventh years of your Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme for compensating certain spiritual persons whose emoluments have been diminished by reason of proceedings under the said Act.

"Whereas the said Act, together with the Acts therein recited, authorize the assigning at any time, and from time to time, to the incumbent of any church or chapel whose fees, dues, or other emoluments shall be diminished by or in consequence of any proceeding under the provisions of the first-mentioned Act, of such an annual sum as shall, upon due inquiry, appear to be a just and reasonable compensation for such diminution.

"And whereas by certain duly gazetted Orders of your Majesty in Council for confirming certain schemes prepared by us, pursuant to the same Act, certain new parishes have been duly constituted, and the perpetual curates thereof respectively have become entitled to receive certain fees, dues, or other emoluments arising therein, and we deem it just and reasonable that compensation should be made to the incumbents of the churches or chapels hereinafter mentioned whose fees, dues, or other emoluments have been diminished by or in consequence of such proceedings, and that the annual sums hereinafter mentioned should be assigned to such incumbents.

"Now, therefore, we humbly recommend and propose, that, in respect of the new parishes mentioned in the first column of the schedule hereunto annexed, there shall be paid by us, to the several incumbents named and described in the second column of the same schedule, so long as they shall respectively remain such incumbents, and no longer, the annual sums mentioned in the third column thereof by way of such compensation as aforesaid, by equal half-yearly payments, on the first day of May and the first day of November in each year, and that the payment to be made in each case on the first day of November next shall be a sum calculated at the annual rate applicable to such cases from the day on which the fees, dues, and other emoluments became so as aforesaid receivable by the perpetual curates of such new parishes respectively.

"And we further recommend and propose, that there shall be paid by us to the Reverend William Quekett, formerly the incumbent of the chapelry district of Christ Church, in Saint George's-in-the-East, in the county of Middlesex, and in the diocese of London, the sum of eighty-one pounds eight shillings and fourpence, by way of compensation for the loss of fees, dues, and other emoluments sustained by him when incumbent of the said district, by reason of the formation thereof of the new parish of Saint Mary in Saint George's-in-the-East.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act or of any other Act of Parliament."
