PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the last session of Parliament, intituled "An Act for the better Local Management of the Metropolis," it is enacted, that each of the parishes mentioned in either of the schedules A and B to the said Act, which at the time of the passing of the said Act contained more than two thousand rated householders, shall be divided into Wards; and that it shall be lawful for such person or persons as may be appointed for that purpose, as in the said Act provided, to determine and set out, on or before the 10th day of October in this present year, the number, extent, limits, and boundary lines of such wards; but so, nevertheless, that no ward shall contain less than five hundred rated householders, and that the whole number of wards in any parish shall not exceed eight; and that the person or persons setting out such wards in any parish, shall apportion among the several wards the number of vestrymen to be elected for such parish, and shall, in assigning the number of vestrymen to each ward, have regard, as far as in his or their judgment it is practicable, as well to the number of persons rated to the relief of the poor in each ward as to the aggregate amount of the sums at which all such persons are rated; and that the number of vestrymen assigned to each ward shall be a number divisible by three; and that a copy of the particulars of such division and apportionment shall be forthwith transmitted to one of Her Majesty's Principal Secretaries of State, and also to the Vestry Clerk of the parish to which such division and apportionment relate; and that if Her Majesty, by the advice of Her Privy Council, approve of such division and apportionment, the particulars thereof shall be published in the London Gazette; and that the parish shall, after such publication, be deemed to be divided into such wards so determined and set out, and such division shall continue to be in force until the same be altered, as in the said Act provided; and that the number of vestrymen assigned to each ward shall be the number to be elected for such ward until altered as aforesaid:
