*War Department, November 16, 1855.*

LORD PANMURE has received from the Field-Marshal Commanding-in-Chief, the following copy of a letter by Major Daubeny, commanding the 62nd Regiment, addressed to Colonel Haly, C.B., commanding the 2nd Brigade of the 2nd Division of the Army in the Crimea, and forwarded to Viscount Hardinge by General Sir James Simpson, G.C.B.

*Camp, Sevastopol,  
October 22, 1855.*

SIR,

IN bringing to the notice of Major-General Windham, C.B., the names of the Officers and men of the 62nd Regiment, who distinguished themselves at the assault of the Redan on the 8th September last, I omitted to mention the name of Staff Assistant-Surgeon O'Callaghan, who is attached to the 62nd Regiment; his attention to the wounded was not confined to men of his own regiment on that day, but was extended to Officers and men of all regiments who happened to be brought past him; he accompanied the regiment as far as the fifth parallel, and volunteered to remain behind after the regiment was ordered back to camp, to assist in attending to, and bringing in, the wounded from the front at dusk. Many Officers have spoken in high terms of his conduct and exertions in behalf of the wounded on that day; and requesting that his services may be brought to the notice of the commander-in-Chief,

I have, &c.,

(Signed) J. DAUBENEY,  
Major, commanding 62nd Regiment.

*To Colonel Haly, C.B.,  
Commanding 2nd Brigade, 2nd Division.*

AT the Court at Windsor, the 19th day of October, 1855.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and

"Revenues," and of another Act passed in the session of Parliament held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the ninth day of August, in the year one thousand eight hundred and fifty-five, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act, passed in the session of Parliament, held in the fourth and fifth years of your Majesty's reign, intituled 'An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,' have prepared, and now humbly lay before your Majesty in Council the following scheme for substituting a money payment to the Prebendary of Moughtreff, otherwise Mochtre, in the collegiate church of Brecon, for the property belonging to him as such prebendary.

"Whereas by and under the provisions of the said Acts, the whole of the separate estates and endowments belonging to the said Prebend of Moughtreff, otherwise Mochtre, will (excepting any right of ecclesiastical patronage), upon the first avoidance of such prebend, become absolutely vested in us, for the purposes of the said Acts, and the chief of such purposes is that of making better provision for the cure of souls in parishes where such assistance is most required:

"And whereas it was by the same Acts enacted, that by the authority therein provided, and for the purpose of fully carrying into effect any of the provisions thereof, any arrangement might from time to time be made, with the consent in writing under the hand of any prebendary of any collegiate church, for the sale, transfer, or exchange of any lands, tithes, or other hereditaments belonging to such prebend, or for the purchase of other lands, tithes, or other hereditaments in lieu thereof, or for substituting, in any case, any lands, tithes, or other hereditaments for any money payment, or any money payment for any lands, tithes, or other hereditaments:

"And whereas it has been agreed between us and the Reverend Jeremiah Jackson, the present holder of the said prebend, that, with a view to

sooner carrying into effect the purpose of the said recited Acts herein-before particularly mentioned, the following arrangement should be recommended by us to your Majesty in Council :

We, therefore, with the consent of the said Jeremiah Jackson, testified by his having signed this scheme, humbly recommend and propose, that, without any conveyance or assurance in the law, other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and after the day of such gazetting, all lands, tithes, and other hereditaments whatsoever (except any right of ecclesiastical patronage) now belonging to the said Prebend of Moughtreff, otherwise Mochtre as aforesaid, or to or in which he has or ought to have any estate, right, title, or interest, shall, together with all such estate, right, title, and interest therein (except as aforesaid), be and be held to be, for the consideration herein-after mentioned, transferred and conveyed by and from the said Jeremiah Jackson to us, and shall then and thereupon become and be absolutely vested in us, for the purposes of the said Acts, subject only to any legally subsisting lease or leases thereof, or of any part or parts thereof; and that, in consideration of and for such transfer and conveyance, there shall be paid by us to the said Jeremiah Jackson, the sum of nine hundred pounds sterling; provided that no renewal of any lease, nor any new lease, of the said lands, tithes, or other hereditaments, or of any part thereof, shall since the thirty-first day of December, in the year one thousand seven hundred and eighty-six, have been or shall be granted or made by the said Jeremiah Jackson or by his predecessors in the said prebend.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Acts, or either of them, or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of St. David's.

#### TREASURY WARRANT.

WHEREAS by an Act, passed in the fourth year of the reign of Her present Majesty, intituled, "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury from time to time by Warrant under their hands, to alter and fix any of the rates of British or inland postage, payable by law on the transmission by the post of foreign or colonial letters, or newspapers, or any other printed papers, and to subject the same to rates of postage, according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time by Warrant as aforesaid, to alter or repeal any such altered rates and to make and establish any new or other rates in lieu thereof.

And whereas it is expedient, that regulations should be made for the transmission by the post of the letters hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the power or authority in us, for such purpose vested, in and by the said Act, and of all other powers enabling us in this behalf, do by this Warrant (under the hands of two of us, the said Commissioners by the authority of the statute in that case made and provided) order and direct, that on every letter, not exceeding half an ounce in weight, transmitted by the post, between any place in the United Kingdom and any port in the East Indies (direct or through any other colony or through any foreign country), there shall be charged and taken in lieu of any rates of British postage, now payable by law on such letters, an uniform British rate of sixpence.

And we do further order and direct, that on every letter, not exceeding half an ounce in weight, transmitted by the post between any port in the East Indies and any other of Her Majesty's colonies, or any foreign country through the United Kingdom (whether through any colony or foreign country, or not) there shall be charged and taken in lieu of any rates of British postage, now payable by law on such letters, the rates of British postage following (that is to say).

For the conveyance of every such letter between the East Indies and any part of the United Kingdom, a rate of sixpence, and for the conveyance of every such letter between the port in the United Kingdom, of the departure or arrival of the packet or ship conveying the same, and the colony or foreign country to or from which the same shall be forwarded, such a further or additional rate of postage as shall from time to time be charged and payable for British postage on letters posted or delivered at the port in the United Kingdom, of the departure or arrival of the packet or ship conveying the same, and transmitted direct between such port and any such colony or foreign country.

And we do further order and direct, that on every letter transmitted, as is mentioned in this Warrant, exceeding half an ounce in weight, there shall be charged, taken, and paid progressive and additional rates of postage as follows (that is to say):

On every such letter exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every such letter exceeding one ounce, and not exceeding two ounces in weight, four rates of postage.

On every such letter exceeding two ounces, and not exceeding three ounces in weight, six rates of postage.

And on every such letter exceeding three ounces, and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces, there shall be charged and taken two additional rates of postage, and every fraction of an ounce above the weight of four ounces, shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause, shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding half an ounce in weight.

And we direct that in all cases in which any letter in respect of which any rate of postage is chargeable by this Warrant, shall pass through a foreign country, any foreign postage payable thereon shall be charged and paid thereon in addition to the British postage.

And we do further order and direct that nothing in this Warrant contained shall in any wise prejudice or affect the privilege granted by the said recited Act in favour of petitions and addresses forwarded to Her Majesty by the post; nor the privilege granted by the same Act to Members of each House of Parliament to receive by the post petitions and addresses to Her Majesty; and petitions addressed to either House of Parliament, not exceeding thirty-two ounces in weight, exempt from postage; nor shall anything in this Warrant contained, in anywise prejudice or affect the privilege which seamen and soldiers employed in Her Majesty's service, and seamen and soldiers employed in the service of the East India Company, now by law enjoy, of sending and receiving by the post letters not exceeding half an ounce in weight, subject to the regulations and restrictions in respect of the same.

And we do further order and direct that nothing in this Warrant contained shall be deemed or construed to extend to any letters or packets posted in or addressed to France, or any foreign country through France, and transmitted between France, or foreign countries through France, and the East Indies, all which last-mentioned letters and packets shall be charged and chargeable with the same rates of postage as if this Warrant had not been signed.

And we do further order and direct that nothing herein contained shall be deemed or construed to repeal, alter, or affect any of the rates of postage fixed on books, publications, or works of art, by a certain Warrant under the hands of two of the Commissioners of Her Majesty's Treasury, bearing date the 23rd day of January, 1855, which respective rates shall continue payable and in force as if this Warrant had not been signed.

And we do further order and direct that the term "by the post," used in this Warrant shall, as to the sea conveyance, include the conveyance by any British or Colonial or foreign packet-boat, (packet-boats belonging to, or employed by or under the Government or Post Office of the United States of America, and French Mediterranean packet boats excepted) and also the sea conveyance by any private ship; and that the term "East Indies" used in this Warrant, shall be construed to mean every post or place in Asia, within the limits of the charter of the East India

Company (China, the Mauritius, Java, Borneo, and Australia excepted); and that the several other terms and expressions used in this Warrant shall be construed to have the like meaning in all respects, as they would have had if inserted in the said recited Act.

And we further direct that this Warrant shall come into operation on the first day of February, 1856.

Provided lastly, and we hereby declare and direct, that it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any two of them, by Warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time appoint at what time the rates that may be payable are to be paid.

NOTICE is hereby given, that application will be made to Parliament, in the ensuing session, for an Act to alter, amend, enlarge, or repeal certain of the provisions of an Act of the 10th year of Her Majesty, cap. 3, entitled "An Act to divide the parish and rectory of Doddington otherwise Dornington, into three separate and distinct parishes and rectories, and to endow the same out of the revenues of that rectory, and to make provision for the further division of such rectories and parishes, and for other purposes con-

nected therewith," and particularly such of the powers and provisions contained in that Act, as relate to the further division of the future parishes and rectories of Doddington and March in that Act mentioned, into a greater number of parishes and rectories, and to provide for the better and further division of such parishes and rectories of Doddington and March, and for the expense of erecting churches and parsonage houses in such future parishes and rectories of Doddington and March, and in the additional parishes and rectories to be created under the provisions of the proposed Act, and of providing sites for the same respectively, and glebe lands for such respective parishes, and for the apportionment and disposition of the tithes or commutation charges of such future parishes of Doddington and March, so as to provide funds for the endowment of the proposed additional rectories and parishes.

And it is intended to vest the whole amount of the tithes or commutation rents, and other emoluments of each of the said future parishes of Doddington and March, in trustees upon trust for the purposes of the proposed Act.

And it is intended to remove or dispense with all such consents on the part of future rectors or incumbents of the said parishes of Doddington and March, in the said Act mentioned, as interfere with the objects and purposes thereof, or as might interfere with the objects and purposes of the proposed Act.

And notice is further given, that it is intended to apply for powers to levy rates and to receive fees and pew rents, and to alter existing rates, fees, and pew rents, and to sell, dispose of, or to let the pews and sittings in any of the additional churches or chapels within the said future parishes of Doddington and March, or within any additional

parishes to be created under the powers of the proposed Act, and to confer, vary, or extinguish exemptions from rates, fees, and pew rents, and other powers, rights, and privileges, and to grant additional powers for raising or borrowing money for carrying into full and complete effect the several purposes of the proposed Act.

Printed copies of the proposed Act will be deposited in the Private Bill Office of the House of Commons on or before the 31st day of December next.

Dated this 7th day of November, 1855.
