AT the Court at *Buckingham Palace*, the 25th day of *February*, 1856,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS Her Majesty's Commissioners for building new churches have, in pursuance of the sixteenth section of an Act of Parliament passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled "An Act to amend and render more effectual an Act passed in the last session of Parliament, for building and promoting the building of additional churches in populous parishes," as enlarged by the third section of an Act passed in the session of Parliament holden in the second and third years of Her Majesty's reign, intituled "An Act to make better provision for the assignment of Ecclesiastical Districts to Churches or Chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes;" and also in pursuance of the ninth section of an Act passed in the session of Parliament holden in the eighth and ninth years of Her Majesty's reign, intituled "An Act for the further amendment of the Church Building Acts," duly prepared and laid before Her Majesty in Council, a representation, bearing date the thirty-first day of January, one thousand eight hundred and fifty-six, in the words following, viz.:

"Your Majesty's Commissioners for building new churches beg leave humbly to represent that having taken into consideration all the circumstances of the parish of Tamworth, in the county of Stafford, and in the diocese of Lichfield, and of the parish of Polesworth, in the county of Warwick, and in the diocese of Worcester, it appears to them to be expedient to unite and consolidate certain contiguous portions of the said parishes, and to form the same into one consolidated chapelry for all ecclesiastical purposes for the consecrated church of the Holy Trinity, situate at Wilnecote, in the said parish of Tamworth, under and by virtue of the power or authority contained in the ninth section of an Act of Parliament, passed in the eighth and ninth years of your Majesty's reign, intituled 'An Act for the further amendment of the Church Building Acts,' and that such proposed consolidated chapelry should be named or called 'The Consolidated Chapelry of Wilnecote,' and that the boundaries thereof should be those hereinafter mentioned; that is to say:

"The boundary line commences at the junction of Kettlebrook with the river Tame, and proceeds in a south-easterly direction along the middle of that brook as far as the watercourse which separates the township of Bolehall and Glascote from the township of Amington and Stonydelph; then proceeds north-easterly up the middle of such watercourse as far as the turnpike-road leading from Tamworth to Polesworth, and proceeds along the middle of such road, until it reaches the parish of Polesworth; then proceeds southerly along the boundary line, separating the parish of Tamworth from the said parish of Polesworth as far as Watling-street-road, then crosses that road and proceeds south-westerly along a watercourse until it reaches the boundary-line of the said parish of Tamworth, then proceeds southerly and westerly

along the boundary-line separating the said parish of Tamworth from the parish of Kingsbury until it reaches the River Tame, and then proceeds northerly along the middle of that river as far as Kettlebrook, to the point where the boundary-line of the said consolidated chapelry of Wilnecote commenced, as the same is more particularly delineated on the map hereto annexed, and is thereon coloured pink and green.

"That the consents of the Right Reverend John, Bishop of the said diocese of Lichfield, of Charles Ashe A'Court Repington, of Amington Hall, in the said parish of Tamworth, a General in the Army, patron of the parish church of the said parish of Tamworth, of the Right Reverend Henry, Bishop of the said diocese of Worcester, and of the Right Honourable Robert Monsey, Baron Cranworth, Lord High Chancellor of Great Britain, patron in right of the Crown of the parish church of the said parish of Polesworth, have been severally obtained to the formation of the said consolidated chapelry of Wilnecote, as required by the Act and section hereinbefore mentioned, in testimony whereof they have severally signed and sealed this representation.

"Your Majesty's said Commissioners beg leave further to represent that it has been mutually agreed between the said Charles Ashe A'Court Repington and Robert Monsey, Baron Cranworth, as such respective patrons as aforesaid, testified as aforesaid (with the approbation of your Majesty's said Commissioners, testified as hereinafter mentioned, and of the said John, Bishop of Lichfield, and Henry, Bishop of Worcester, testified as aforesaid), that the right of presentation and appointment of an incumbent or perpetual curate, to serve the said church of the Holy Trinity, at Wilnecote aforesaid, should be vested in, belong to, and, whenever occasion may require, be exercised by, the vicar or incumbent for the time being of the parish church of the said parish of Tamworth.

"Your Majesty's said Commissioners beg leave further to represent that having taken into further consideration the circumstances of the said parish of Tamworth, it appears to them to be expedient that a particular district should be assigned to the consecrated church of Saint Leonard, situate at Wigginton, in the said parish of Tamworth, under and by virtue of the power or authority for this purpose contained in the sixteenth section of an Act of Parliament passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled 'An Act to amend and render more effectual an Act passed in the last session of Parliament for building and promoting the building of additional churches in populous parishes,' as enlarged by the third section of an Act of Parliament made and passed in the second and third years of your Majesty's reign, intituled 'An Act to make better provision for the assignment of Ecclesiastical Districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes,' and that such proposed district should be named or called 'The District Chapelry of Wigginton,' and that the boundaries thereof should be those hereinafter mentioned; that is to say:

"The boundary line commences at the junction of the turnpike-road leading from Tamworth to Burton-upon-Trent and Ashby-de-la-Zouch, and proceeds in a north-easterly direction along the middle of the latter road as far as the boundary line of the parish of Tamworth, and then proceeds northerly along the boundary line separating that parish from Statfold Liberty as far as Haunton; then proceeds westerly and northerly along the

boundary line, separating the said parish of Tamworth from Haunton and Harlaston Lordship, until it reaches the parish of Elford; then westerly, southerly, and south-westerly along the boundary line, separating the said parish of Tamworth from the said parish of Elford as far as the River Tame; then proceeds south-westerly along the middle of that river to the point where the Trent Valley Railway crosses the same, and then proceeds south-easterly along the middle of that railway as far as Windmill-lane; then north-easterly along the middle of Windmill-lane into the turnpike-road leading from Tamworth to Burton-upon-Trent, and proceeds south-easterly along the middle of such turnpike-road to the junction of the same with the road leading to Ashby-de-la-Zouch, at the point where the boundary line of the said district chapelry of Wigginton commenced, as the same is more particularly delineated on the map hereto annexed and is thereon coloured yellow.

"Your Majesty's said Commissioners beg leave further to represent to your Majesty, that it also appears to them to be expedient that banns of matrimony should continue to be published, and that marriages, baptisms, churchings, and burials should continue to be solemnized or performed in Saint Leonard's Church at Wigginton aforesaid, and that the fees to arise therefrom should be paid and belong to the minister or incumbent of such church for the time being.

"That the consent of the said John, Bishop of the said diocese of Lichfield, has been obtained thereto, as required by the two Acts and sections lastly hereinbefore mentioned, in testimony whereof he has signed and sealed this representation.

"Your Majesty's said Commissioners therefore humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such Order in respect thereto as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, and it is hereby ordered, that the consolidated chapelry therein mentioned for the consecrated church of the Holy Trinity at WILNECOTE, in the parish of Tamworth, be accordingly formed, and that the agreement mentioned in the said representation in respect of the right of presentation and appointment of an incumbent or perpetual curate to serve the said church, be carried into effect, agreeably to the provisions of the said Acts, and that the right of presentation and nomination to the said church shall be vested in, belong to, and, whenever occasion may require, be exercised by, the vicar or incumbent for the time being of the parish church of the said parish of Tamworth, he being the person named in such agreement; and it is further ordered, that the proposed assignment of a district chapelry to the consecrated church of Saint Leonard at WIGGINTON, in the said parish of Tamworth, be accordingly made, and that the recommendations of the said Commissioners in respect of the publication of banns and the solemnization of marriages, baptisms, churchings, and burials, in the said church of Saint Leonard, and the fees to arise therefrom, be carried into effect agreeably to the provisions of the said Acts; and Her Majesty is further pleased to direct that this Order be forthwith registered by the Registrars of the several dioceses of Lichfield and Worcester.

L. HOUSTON, Administrator-General of Berbice.

Master of the Rolls.—Tuesday, the 11th day of March, in the 19th year of the reign of Her Majesty Queen Victoria, 1856, between Joseph Shaw, Plaintiff; Thomas Lee and Rebecca his wife, Defendants.

FORASMUCH as the Right Honourable the Master of the Rolls was this present day informed by Mr. Small, of Counsel for the plaintiff, that the plaintiff having exhibited his Bill in this Court against the defendants, it appears by the affidavits of John Hirst, filed the 29th day of February, 1856, that he served several summonses on the 1st day of March, 1855, at the dwelling-house of the said defendant Thomas Lee, situate at Southwite, near Huddersfield, in the county of York, that the door of the said house was locked, and he served the said summonses by thrusting them under the door of the said house; that

warrants to apprehend the said defendant Thomas Lee were issued, and that he endeavoured to apprehend the said Thomas Lee, but he ascertained that he had absconded and left this country, and gone to Australia; that a few days previous to the time when he went to serve the above-mentioned summonses he was at the Huddersfield Railway Station, when he saw the said defendant Thomas Lee in the custody of one of sub-bailiffs of the County Court, that they were on the platform when he first saw them; in a few minutes after the time when he first saw them the said sub-bailiff came to him and asked him if he had seen the said defendant Thomas Lee leave the Station, as he had escaped from his custody, but deponent told him that he had not seen him since they were together; that the said bailiff went in search and pursuit of the said Thomas Lee, but he was not able to find him. It is therefore ordered, that the defendant Thomas Lee do appear to the plaintiff's Bill on or before the 6th day of April next, and it is ordered that the plaintiff do cause a copy of this Order, together with a notice thereof to the effect set forth at the foot of the General Order of this Court in that behalf, to be inserted in the London Gazette within fourteen days from the date hereof, and in two newspapers published in the West Riding of the county of York, namely the Huddersfield Chronicle and the Huddersfield Examiner, on or before the 28th March instant.

Notice.—Thomas Lee, take notice, that if you do not appear, pursuant to the above Order, the plaintiff may enter an appearance for you; the Court may afterwards grant to the plaintiff such relief as he may appear to be entitled to on his own showing.

KAYE and SON, No. 4, Symond's-inn, Chancery-lane, Middlesex, Agents for Edwin Sykes, of Huddersfield, Plaintiff's Solicitor.

In Chancery.—Between George Ormerod, Plaintiff; William Jones, Defendant.

TAKE notice, that this Honourable Court will be moved before the Right Honourable the Master of the Rolls, on Tuesday, the 15th day of April, 1856, or so soon after as Counsel can be heard, by Mr. Hobhouse, of Counsel for the plaintiff, that the Bill, filed in this cause on the 20th day of July, 1855, may be ordered to be taken pro confesso against the above-named defendant, William Jones, pursuant to the orders of this Honourable Court, bearing date the 8th day of May, 1845.—Dated this 11th day of March, 1856.

Yours, &c.
