"Your Majesty's Commissioners for building new churches beg leave humbly to represent that having taken into consideration all the circumstances of the parish of Saint Anne, Westminster, in the county of Middlesex, and diocese of London, it appears to them to be expedient that a particular district should be assigned to the consecrated church of Saint Mary the Virgin, situate in Crown-street, in the said parish of Saint Anne, Westminster, under and by virtue of the power or authority for this purpose, contained in the sixteenth section of an Act, passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled 'An Act to amend and render

' more effectual an Act passed in the last session of Parliament, for building and promoting the building of additional churches in populous parishes,' or under and by virtue of any and every other power or authority in this behalf vested in your Majesty's said Commissioners by the Church Building Acts, and that such proposed district should be named or called 'THE DISTRICT CHAPELRY OF SAINT MARY, CROWN-STREET, SOHO, WESTMINSTER,' and that the boundaries thereof should be those hereinafter mentioned; that is to say :

"The district chapelry of Saint Mary, Crown-street, Soho, Westminster, is bounded on the north, by the parish of Saint Marylebone, on the east, by the parish of Saint Giles-in-the-fields, on the south-east, and partly on the south, by the parish of Saint Martin-in-the-fields, and on other part of the south and west, by the remaining part of the said parish of Saint Anne, Westminster, from which the said district chapelry is separated by a line commencing in the middle of Castle-street, opposite to Little Newport-street, and from thence proceeding north-westerly and northerly along the middle of Little Newport-street to the southern end of Hayes-court, then northerly along the middle of that court, and across King-street into Grafton-street, and along the middle of that street into Soho-square, then along the middle of the carriage way on the eastern side of that square, to the northern side thereof, then westerly along such carriage way as far as Charles-street, then northerly along the middle of Charles-street, into the middle of Oxford-street, to the boundary line separating the said parish of Saint Anne, Westminster from the parish of Saint Marylebone, as the said district chapelry is more particularly delineated on the map hereto annexed, and is thereon coloured blue.

"Your Majesty's said Commissioners beg leave further to represent, that it also appears to them to be expedient that banns of matrimony should be published, and that marriages, baptisms and churchings should be solemnized or performed in the said church of Saint Mary, and that the fees to arise therefrom should be paid and belong to the minister or incumbent of such church for the time being.

"That the consent of the Right Honourable and Right Reverend Charles James, Bishop of the said diocese of London, has been obtained thereto, as required by the Act and section hereinbefore mentioned, in testimony whereof he has signed and sealed this representation.

"Your Majesty's said Commissioners therefore humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such Order in respect thereto as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, and it is hereby ordered, that the proposed assignment of a particular district to the consecrated church of Saint Mary the Virgin, situate in Crown-street, in the parish of Saint Anne, Westminster, to be called "THE DISTRICT CHAPELRY OF SAINT MARY, CROWN-STREET, SOHO, WESTMINSTER," be accordingly made, and that the recommendations of the said Commissioners in respect of the publication of banns and the solemnization of marriages, baptisms and churchings, in the said church, and in respect of
