Published by Authority.

FRIDAY, JANUARY 2, 1857.

AT the Court at *Windsor*, the 29th day of
December, 1856,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the session of Parliament holden in the third and fourth years of Her Majesty's reign, chapter one hundred and thirteen, and of the Act of the session of Parliament holden in the sixteenth and seventeenth years of Her Majesty's reign, chapter fifty, duly prepared and laid before Her Majesty in Council, a scheme, bearing date the thirteenth day of November, in the year one thousand eight hundred and fifty-six, in the words following, that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the session of Parliament holden in the third and fourth years of your Majesty's reign, chapter one hundred and thirteen, and of the Act of the session of Parliament holden in the sixteenth and seventeenth years of your Majesty's reign, chapter fifty, have prepared and now humbly lay before your Majesty in Council, the following scheme for effecting an exchange of the patronage of the perpetual curacy of Saint Paul, Buttershaw, in the county of York, and diocese of Ripon, for the patronage of the perpetual curacy of Saint Michael and All Angels, Shelf, in the same county and diocese ; and for augmenting the income of the minister or incumbent of the said last-mentioned perpetual curacy.

"Whereas it was by the said first-mentioned Act enacted, that, except as therein otherwise specified, all the monies and revenues to be paid to us, and all the rents and profits of the lands, tithes, and other hereditaments vested and to be vested in us, by and under the authority of the same Act, together with all accumulations of interest produced by, and arising therefrom, should be, from time to time, carried over by us to a common fund, and by payments or investments made out of such fund, or, if in any case it be deemed more expedient, by means of an actual conveyance and assignment of such lands, tithes, or other hereditaments, or of a portion thereof, additional provision should be made by the authority in the same Act provided (that is to say, by duly gazetted Orders of your Majesty in Council, ratifying schemes prepared by us), for the cure of souls in parishes where such assistance

is most required, in such manner as should, by the like authority, be deemed most conducive to the efficiency of the Established Church; provided always, that in making any such additional provision out of any tithes, or any lands or other hereditaments allotted or assigned in lieu of tithes so vested or to be vested in us, or out of the rents and profits thereof, due consideration should be had of the wants and circumstances of the places in which such tithes now arise or have arisen.

"And whereas it was by the secondly mentioned Act enacted, that it should be lawful for any bishop, by the authority aforesaid, to assign and transfer by way of exchange only, and not otherwise, the patronage of any benefice or benefices of which he should be seised in right of his see to any person for the patronage of any other benefice or benefices, and that from and after the publication of the scheme and Order in Council effecting such transfer, the benefice or benefices and patronage thereby purporting to be transferred and exchanged, should be and remain thereby duly vested in the respective bishop or other person, party to such exchange, without any transfer, conveyance, or assurance in the law other than the said scheme and Order so published in the Gazette as aforesaid; provided that in every such case we should, before submitting such scheme for the consideration and approval of your Majesty in Council, make due inquiry into the circumstances of the proposed exchange, and into the equal or relative value of the benefice or benefices and patronage proposed to be thereby transferred, and should certify the same to your Majesty, with such particulars thereof as might be necessary to show that such exchange was made in conformity with the intentions of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, chapter seventy-seven.

"And whereas the Right Reverend Charles Thomas, Bishop of Ripon, is seised in right of his see, of the patronage of the said perpetual curacy of Saint Paul, Buttershaw, and Charles Hardy, of Odsall House, near Bradford, in the county of York aforesaid, Esquire, is seised in fee simple of, or well entitled to the patronage of, the said perpetual curacy of Saint Michael and All Angels, Shelf.

"And whereas, the said bishop and the said Charles Hardy have signified to us their desire that the patronage of the said benefices may be exchanged as hereinafter recommended and proposed.

"And whereas in part of the arrangement for the aforesaid exchange, it was agreed that a sum of one thousand and one hundred pounds, three pounds per centum Consolidated Bank Annuities, should be, and the same accordingly has been, transferred by the said Charles Hardy, to our account, and into our names, in the books of the Governor and Company of the Bank of England, and that the sum of three thousand pounds should be, and the same accordingly has also been, paid to us by the said Charles Hardy, to be respectively held and disposed of by us as part of the aforesaid common fund, but upon the understanding and condition that the income of the minister or incumbent of the said perpetual curacy of Saint Michael and All Angels, Shelf, should be augmented by an annual sum of one hundred and thirty-three pounds, to be payable out of the said common fund in manner hereinafter mentioned.

"And whereas we have made due inquiry as to the circumstances of the proposed exchange and the relative value of the said benefices and patronage, and we do hereby certify to your Majesty that the value of the patronage of the said perpetual curacy of Saint Michael and All Angels, Shelf, when the income of the same perpetual curacy shall have been augmented as hereinbefore and hereinafter mentioned, will be equivalent as nearly as may be to the value of the patronage of the said perpetual curacy of Saint Paul, Buttershaw.

"Now, therefore, with the consent of the Right Reverend Charles Thomas, Bishop of Ripon, and of the said Charles Hardy, in testimony whereof they have respectively signed and sealed this scheme, we humbly recommend and propose that immediately from and after the publication in the London Gazette of an Order of your Majesty in Council ratifying this scheme, and without any further or other assurance or conveyance in the law, the patronage of the said perpetual curacy of Saint Michael and All Angels, Shelf, shall be assigned and transferred from the said Charles Hardy, his heirs, and assigns, and shall become and be absolutely vested in, and shall and may from time to time be exercised by, the Bishop of Ripon and his successors, bishops of the said see, and that in exchange for the same the patronage of the said perpetual curacy of Saint Paul, Buttershaw, shall be assigned and transferred from the said bishop and his successors, and shall in like manner become and be absolutely vested in the said Charles Hardy, his heirs and assigns, and that the patronage of the said last mentioned perpetual curacy shall and may from time to time be exercised by the said Charles Hardy, his heirs and assigns.

"And we further recommend and propose that there shall be paid by us out of the common fund in the first-named Act mentioned to the minister or incumbent for the time being of the said perpetual curacy of Saint Michael and All Angels, Shelf, the annual sum of one hundred and thirty-three pounds by equal half-yearly payments on the first day of May and the first day of November in every year.

"And we further recommend and propose that if a vacancy in the incumbency of the said perpetual curacy of Saint Michael and All Angels, Shelf, shall happen on any other day than the first day of May or the first day of November, the amount hereby recommended to be made payable shall be duly apportioned between and paid to the minister or incumbent making the vacancy, or his representatives and the minister or incumbent succeeding to the same perpetual curacy.

"And we further recommend and propose, that

nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the herein-mentioned Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Ripon.

C. C. Greville.

At the Court at Windsor, the 29th day of December, 1856,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act passed in the session of Parliament held in the fifth and sixth years of Her Majesty's reign, intituled "An Act for enabling Ecclesiastical Corporations, aggregate and sole, to grant leases for long terms of years," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-seventh day of November, in the year one thousand eight hundred and fifty-six, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act passed in the session of Parliament held in the fifth and sixth years of your Majesty's reign, intituled 'An Act for enabling Ecclesiastical Corporations, aggregate and sole, to grant leases for long terms of years,' have prepared, and now humbly lay before your Majesty in Council, the following scheme, for determining the portion of the improved value to be made payable to us in a certain lease of a coal mine, about to be granted by the perpetual curate of Saint James, Over Darwen, in the parish of Blackburn, and county of Lancaster.

"Whereas by the said last-recited Act it was enacted, that it should be lawful for any Ecclesiastical Corporation, aggregate or sole (with certain exceptions, which do not include perpetual curates), from time to time, with the consent or consents thereby required, to grant or demise by lease, in manner thereafter mentioned, any mines, minerals, quarries, or beds, belonging to such corporation, together with the right of working or of opening and working the same.

"And whereas by the same Act it was further enacted, that in case of any lease of mines,

minerals, quarries, or beds, granted thereunder, such portion of the improved value accruing under such lease as by the authority provided in the first-recited Act should be determined, not being more than three-fourth parts nor less than one moiety of such improved value, should forthwith, and from time to time as the same should accrue, be paid to us, and should be subject to the provisions relating to monies payable to us.

"And whereas, with the consent required by the said Act, and otherwise in accordance with the provisions thereof, it is proposed by the Reverend Charles Greenway, the present perpetual curate of Saint James, Over Darwen, to grant or demise by lease a certain bed of coal, situate at Over Darwen, in the parish of Blackburn aforesaid, belonging to him as such perpetual curate.

"And whereas the improved value to accrue under the lease so proposed to be granted as aforesaid will, according to the meaning of the same Act, be the whole of the rents, royalties, or other reservations, which will become payable by virtue of such lease.

"Now, therefore, we humbly recommend and propose that three-fourth parts of the whole net amount of the reservation or reservations to be made in the said lease so to be granted, whether consisting of rent, royalty, or otherwise, shall, by such lease, be made directly payable to us; and that we shall have all the like remedies in respect of such three-fourth parts of any such reservation as aforesaid, as if the same were a separate rent reserved to us as lessors or grantors and reversioners of the premises comprised in such lease, independently of the rights and remedies of the said Charles Greenway, and his successors, perpetual curates of Saint James, Over Darwen, in respect of the remaining one fourth part thereof, without any priority or preference between us and the perpetual curates of Saint James, Over Darwen, for the time being: And, further, that we shall have full benefit and advantage, either jointly with, or separately from, the said Charles Greenway and his successors, perpetual curates of Saint James, Over Darwen, for the time being, of all or any of the covenants, conditions, and agreements in the said lease to be contained on the lessee's part, in like manner as if we had been grantors, lessors, and reversioners as aforesaid, and as in such lease shall be expressed; and that, for effectuating such objects, the said lease shall and may be framed in such manner, and contain all such clauses and provisions, as we shall approve, and shall have full force accordingly, any rule of law, statute, or custom to the contrary notwithstanding.

"And we further recommend and propose, that we be authorised to apply from time to time, if we shall think fit, all or any part of the monies which shall be received by us by virtue or on account of the reservation or reservations aforesaid (after deducting therefrom all costs, charges, and expenses which we may have incurred in respect of the premises), towards making better provision for the cure of souls within the present limits of the perpetual curacy of Saint James, Over Darwen.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Acts, or of any other Act of Parliament.

And whereas notice of the said scheme has been given to the said Charles Greenway, as such per-

petual curate as aforesaid, in accordance with the provisions of the first-recited Act, and he has made no objection thereto.

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Manchester.

C. C. Greville.

AT the Court at *Windsor*, the 29th day of December, 1856,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Report from the General Board of Health, dated the tenth day of December, one thousand eight hundred and fifty-six, in the words following; that is to say:

"To the Queen's Most Excellent Majesty.

"The General Board of Health, appointed for the purposes of 'The Public Health Act, 1848,' has, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the township of Bradford, in the parish of Manchester, in the county palatine of Lancaster, the same being a place having a known and defined boundary (the number of the said petitioners exceeding thirty in the whole), directed Alfred Lamerte Dickens, a Superintending Inspector, appointed for the purposes of the said Public Health Act, to visit the said township, and to make enquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such township for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said township, or having relation to the purposes of the said Public Health Act; also as to natural drainage areas, and the existing municipal, parochial, and other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act.

"And the said Superintending Inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board on the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act.

"And copies of the said report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the

time for forwarding such statements has now elapsed but none have been received by the said Act.

"And it appears by the said report that there is no local Act of Parliament in force within the said township for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such township or any part thereof, or in anywise relating to the purposes of the said Public Health Act.

"Now, therefore, the General Board of Health does hereby, under my hand, as President of the said Board, and under its Seal of Office, and in pursuance of the said Public Health Act, humbly report to your Majesty that it appears expedient that :

"1. 'The Public Health Act, 1848,' and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said township of Bradford, in the parish of Manchester, in the county palatine of Lancaster, and that such area, places, and parts of places should be and constitute a district for the purposes of the said Public Health Act accordingly.

"2. The Local Board of Health to be elected under the said Public Health Act should consist of nine persons, and that the entire number should be elected for the whole of the said district.

"3. The first election of the said Local Board should take place on the fifth day of February, in the year of our Lord, one thousand eight hundred and fifty-seven.

"4. One-third in number of the said Local Board of Health should go out of office on the twenty-fifth day of March in each year, subsequently to that in which the said first election of that Local Board takes place, but, in case the day so appointed should fall on a Sunday or on a day so appointed for public fast or thanksgiving, then that such one-third should go out of office on the day next following.

"5. Every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election should be resident as in the said 'Public Health Act, 1848,' is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than three hundred pounds, or should be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than fifteen pounds.

"6. At the first election of the said Local Board, Richard Johnson, Esq., of the Bradford Iron Works, within the said township, shall have the powers and perform the duties which it may be requisite for him to perform in conducting the first election, and in case the said Richard Johnson, from illness or from other sufficient cause, shall be unable to discharge such duties, or shall be absent, or shall refuse to act, then John Crook, Esq., of Higher Ardwick, Manchester, shall perform such of those duties as then remain to be exercised or performed.

"7. The fourteen days' notice of qualification required by 'The Public Health Act, 1848,' to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said Richard Johnson, at the Bradford Iron Works, or in case he shall refuse or be unable to receive the same, then to the said John

Crook, at his place of business, at Bradford aforesaid.

"Given under my hand, and under the seal of the General Board of Health, this tenth day of December, in the year of our Lord, one thousand eight hundred and fifty-six.

L. S.

(Signed)

W. Cowper."

Now, therefore, Her Majesty having taken the said report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth hereby, under and in pursuance of "The Public Health Act, 1848," order and direct that :

1. From and after the date of this Order, "The Public Health Act, 1848," and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said township of Bradford, in the parish of Manchester; in the county palatine of Lancaster, and that such area, places, and parts of places, shall be and constitute a district for the purposes of the said Public Health Act accordingly.

2. The Local Board of Health to be elected under the said Public Health Act, shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

3. The first election of the said Local Board shall take place on the fifth day of February, in the year of our Lord one thousand eight hundred and fifty-seven.

4. One-third in number of the said Local Board of Health shall go out of office on the twenty-fifth day of March, in each year, subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third shall go out of office on the day next following.

5. Every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, shall be resident, as in the said "Public Health Act, 1848," is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than three hundred pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than fifteen pounds.

6. At the first election of the said Local Board, Richard Johnson, Esq., of the Bradford Iron Works, within the said township, shall perform the duties which it may be requisite for him to perform in conducting the said first election; and in case the said Richard Johnson, from illness, or other sufficient cause, shall be unable to discharge such duties, or shall be absent or refuse to act, then John Crook, Esq., of Higher Ardwick, Manchester, shall perform such of the said duties as remain to be performed.

7. The fourteen days' notice of qualification, required by "The Public Health Act, 1848," to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said Richard Johnson, at the Bradford Iron Works, within the aforesaid district of Bradford; or in case he shall refuse, or be unable to receive the same, then to the said John Crook, at his place of business, at Bradford aforesaid.

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intitled "An Act to amend the laws concerning the burial of the dead in England, beyond the limits of the metropolis, and to amend the Act concerning the burial of the dead in the metropolis;" it is enacted, that in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-ground or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification; it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require), that after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time, as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered; provided also, that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation, shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish;

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament, held in the sixteenth and seventeenth years of Her Majesty's reign, intitled "An Act to amend the laws concerning the burial of the dead in England, beyond the limits of the metropolis, and to amend the Act concerning the burial of the dead in the metropolis;" it is enacted, that in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-ground or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification; it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require), that after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time, as circumstances may require: provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the *London Gazette*, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within the parishes affected by such representation, one month before such representation is so considered; provided also, that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation, shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish;

And whereas the Right Honourable Sir George Grey, Bart., one of Her Majesty's Principal Secretaries of State, after giving to the Incumbents and the Churchwardens of the parishes hereinafter mentioned, ten days' previous notice of his intention to make such representation, has made a representation stating that, for the protection of the public health, no new burial-ground should be opened in the undermentioned parishes without the previous approval of one of Her Majesty's Principal Secretaries of State, and that burials should be discontinued therein, with the following modifications;
