THE QUEEN'S LEVEES.

NEW REGULATIONS

TO BE OBSERVED WITH REGARD TO THE QUEEN'S LEVEES AT ST. JAMES'S PALACE,

Issued by Her Majesty's Command, February 6, 1858.

The Noblemen and Gentlemen, who propose to attend Her Majesty's Levees, at St. James's Palace, are requested to bring with them two large cards, with their names *clearly written* thereon, one to be left with The Queen's Page in Attendance in the Corridor, and the other to be delivered to the Lord Chamberlain, who will announce the name to the Queen.

PRESENTATIONS.

Any Nobleman or Gentleman who proposes to be presented to the Queen must leave at the Lord Chamberlain's Office, *before twelve o'clock*, two clear days before each Levee, a card with his name written thereon, and with the name of the Nobleman or Gentleman by whom he is to be presented. In order to carry out the existing regulation that no presentation can be made at a Levee excepting by a person actually attending that Levee, it is necessary that a letter from the Nobleman or Gentleman who is to make the presentation, stating it to be his intention to be present, should accompany the presentation card above referred to, which will be submitted to the Queen, for Her Majesty's approbation. It is Her Majesty's command, that no presentations shall be made at the Levees, except in accordance with the above regulations.

It is particularly requested, that in every case the names be *very distinctly written* upon the

cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to The Queen.

ADDRESSES.

Notice is hereby given, that all persons having petitions or addresses to present to Her Majesty at the Levees are to send a card having on it their names, a statement of the object of such Petitions or Addresses, and the names of the persons from whom they come, to the Lord Chamberlain's Office, *before twelve o'clock* on the day *but one previous* to each Levee; and that two other cards, having on them precisely what is written upon that sent to the Lord Chamberlain's Office, are to be taken to the Levee; one of the two cards to be delivered to the Page in the Corridor, and the other to the Lord Chamberlain, who will read its contents to Her Majesty; and, on these occasions, no other statement is to be addressed to Her Majesty.

A Deputation to present an Address is not to exceed four persons.

The state apartments will not be open for the reception of Company coming to Court, until half-past one o'clock.

AT the Court at *Buckingham Palace*, the 26th day of *February*, 1858,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the eleventh and twelfth years of Her Majesty, chapter thirty-seven, and of an Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the twenty-eighth day of January, in the year one thousand eight hundred and fifty-eight, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eleventh and twelfth years of your Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, have prepared, and now humbly lay before your Majesty in Council the following representation

for altering the boundaries of the Chapelry District of Haverthwaite, in the county of Lancaster and diocese of Carlisle.

"Whereas by the authority of an Order of your Majesty in Council, bearing date the seventeenth day of April, one thousand eight hundred and forty-four, and duly published in the London Gazette, on the twenty-third day of July following, the said Chapelry District was duly assigned out of the parish of Colton, in the same county and diocese.

"And whereas it has been made to appear to us to be expedient that the boundaries of such Chapelry District should be altered so as to include within them a portion of the adjacent parish of Cartmel in the same county and diocese.

"Now therefore, with the consent of the Honourable and Right Reverend Henry Montagu, Bishop of Carlisle; the Reverend Samuel Thomas Clarke, incumbent of the parish church of the said parish of Colton, and, as such incumbent, patron of the said Chapelry District of Haverthwaite; the Reverend Richard Heighway Kirby, incumbent of the same Chapelry District; the Most Noble William, Duke of Devonshire, patron of the parish church of the said parish of Cartmel, during the subsistence and by virtue of a certain lease of the inappropriate rectory of the same parish, granted to him, the said Duke when Earl of Burlington, by the late Bishop of Chester for certain lives therein specified; the Right Reverend John, Bishop of Chester, patron in right of his see of the last-mentioned church, in reversion expectant on the determination of such lease as aforesaid; and the Reverend Robert Curteis Hubbardsty, incumbent of such last-named parish church, in testimony whereof they have respectively signed and sealed this representation, we beg leave to represent that it appears to us to be expedient that the boundaries of the said Chapelry District of Haverthwaite should be altered so as to include therein all that part of the township of of Upper Holker, in the parish of Cartmel, in the county of Lancaster and diocese of Carlisle, situate on the north and west of an imaginary line extending along the middle of so much of the road leading from Cartmel to Brow Edge, as is south of the Gravel Pits near Outley Mosses, being in length about eight hundred and eighty paces, and of a certain occupation road leading thence by Outley Mosses aforesaid, to Grass Garth and Striders, and across the road leading from Low Wood to Holker, and along the middle of the streams or waters called Striders Beck and Skelwith Pool.

"And we humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such Order in respect thereto as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, and it is hereby ordered, that the proposed alteration of the boundaries of the said Chapelry District of Haverthwaite, by including within them a portion of the adjacent parish of Cartmel, in the said county of Lancaster, should be accordingly made and effected, agreeably to the provisions of the said first-mentioned Act; and Her Majesty is further pleased to direct that this Order be forthwith registered by the Registrar of the diocese of Carlisle.

NOTICE is hereby given to all persons interested therein, that preparations are now making for the intended distribution of proceeds from the slave brigantine, name unknown, captured on the 7th June, 1856, by Her Majesty's ship Teazer.

Agents or other persons having any just and legal demand, unliquidated, against the said proceeds are required to transmit the particulars of any such demand to the Registrar of the High Court of Admiralty, in order that the same may be examined, taxed, and allowed by that Officer, and paid under the sanction of the Judge of the said Court.

Agents and all other persons holding powers of attorney, prize orders, assignments, or other instruments, by virtue of which they may be legally entitled to claim the share belonging to any captor, are requested, with as little delay as possible, to transmit the same, accompanied by the usual documents, to the Prize Branch of the Department of the Accountant-General of the Navy, Admiralty, Somerset-House.

Due notice will be given, by future advertisements in the London Gazette, of the date proposed for the commencement of distribution; and, at the same time, the amount of an individual's share in the respective classes will be announced.

ADMIRALTY NOTICE respecting LIGHTS and FOG SIGNALS to be carried and used by Sea-going Vessels, to prevent Collision.

By the Commissioners for executing the Office of Lord High Admiral of the United Kingdom of Great Britain and Ireland, &c.

BY virtue of the power and authority vested in us, we hereby revoke, as from and after the thirtieth day of September, 1858, the regulations made and published by us on the first day of May, 1852, relating to the Lights to be carried by Sea-going Vessels to prevent collision: And we hereby make the following regulations, and require and direct that the same be strictly observed and carried into effect on and after the first day of October, 1858.

STEAM VESSELS.

All Sea-going Steam Vessels, when under Steam, shall, between sunset and sunrise, exhibit the following Lights:

1. A White Light at the Foremast Head.
A Green Light on the Starboard side.
A Red Light on the Port side.

2. The Mast-head Light shall be so constructed as to be visible on a dark night, with a clear atmosphere, at a distance of at least 5 miles, and shall show an uniform and unbroken light over an arc of the horizon of 20 points of the compass, and it shall be so fixed as to throw the light 10 points on each side of the ship, viz.: from right ahead to 2 points abaft the beam on either side.

3. The Green Light on the Starboard side and the Red Light on the Port side shall be so constructed as to be visible on a dark night, with a clear atmosphere, at a distance of at least 2 miles, and show an uniform and unbroken light over an arc of the horizon of 10 points of the compass, and they shall be so fixed as to throw the light from right ahead to 2 points abaft the beam on the Starboard and on the Port sides respectively.

4. The side Lights are to be fitted with inboard screens projecting at least 3 feet forward from the light, so as to prevent the lights from being seen across the bow.

5. Steam Vessels under Sail only, are not to carry their masthead Lights.

FOG SIGNALS.

All Sea-going Steam Vessels, whether propelled by paddles or screws, when their steam is up, and when under way, shall in all cases of Fog use as a Fog Signal a Steam Whistle, placed before the Funnel at not less than 8 feet from the deck, which shall be sounded once at least every five minutes; but when the steam is not up, they shall use a Fog Horn or Bell, as ordered for Sailing Ships.

SAILING VESSELS.

1. All Sea-going Sailing Vessels when under-way or being towed, shall, between sunset and sunrise, exhibit a Green Light on the Starboard side and a Red Light on the Port side of the vessel, and such Lights shall be so constructed as to be visible on a dark night, with a clear atmosphere, at a distance of at least 2 miles, and shall show an uniform and unbroken light over an arc of the horizon of 10 points of the compass, from right a-head to 2 points abaft the beam on the Starboard and on the Port sides respectively.

2. The Coloured Lights shall be *fixed* whenever it is practicable so to exhibit them; and shall be fitted with inboard screens projecting at least 3 feet forward from the Light, so as to prevent the Lights being seen across the bow.

3. When the Coloured Lights cannot be fixed (as in the case of small vessels in bad weather), they shall be kept on deck between sunset and sunrise, and on their proper sides of the vessel, ready for instant exhibition, and shall be exhibited in such a manner as can be best seen on the approach of, or to, any other vessel or vessels in sufficient time to avoid collision, and so that the Green Light shall not be seen on the Port side, nor the Red Light on the Starboard side.

FOG SIGNALS.

All Sea-going Sailing Vessels, when under-way, shall, in all cases of Fog, use when on the Starboard Tack a Fog Horn, and when on the Port Tack shall Ring a Bell. These signals shall be sounded once at least every five minutes.

PILOT VESSELS.

Sailing Pilot Vessels are to carry only a White Light at the mast head, and are to exhibit a Flare-up Light every 15 minutes, in accordance with Trinity House regulation.

VESSELS AT ANCHOR.

All Sea-going Vessels when at anchor in roadsteads or fairways, shall between sunset and sunrise exhibit where it can best be seen, but at a height not exceeding 20 feet above the hull, a White Light in a Globular Lantern of 8 inches in diameter, and so constructed as to show a clear, uniform, and unbroken light all round the horizon, at a distance of at least one mile.

Given under our hands this 24th day of February, 1858.

*Charles Wood.
R. S. Dundas.*

By command of their Lordships,
W. G. Romaine, Secretary.

The following Diagrams are intended to illustrate the use of the Lights carried by vessels at sea, and the manner in which they indicate to the vessel which sees them the position and description of the vessel which carries them :—

FIRST.—When both Red and Green Lights are seen :

A sees a Red and Green Light ahead ;—A knows that a vessel is approaching her on a course directly opposite to her own, as B ;

If A sees a White masthead Light above the other two, she knows that B is a steam-vessel.

SECOND.—When the Red, and not the Green Light, is seen :

A sees a Red Light ahead or on the bow ;—A knows that either,
1, a vessel is approaching her on her port bow, as B ;

or, 2, a vessel is crossing in some direction to port, as D D D.

If A sees a White masthead Light above the Red Light, A knows that the vessel is a steam-vessel, and is either approaching her in the same direction, as B, or is crossing to port in some direction, as D D D.

THIRD.—When the Green, and not the Red Light, is seen :

A sees a Green Light ahead or on the bow ; A knows that either,
1, a vessel is approaching her on her starboard bow, as B ;

or, 2, a vessel is crossing in some direction to starboard, as D D D.

If A sees a White masthead Light above the Green Light, A knows that the vessel is a steam-vessel, and is either approaching her in the same direction as B, or is crossing to starboard in some direction, as D D D.
