No 166 of 1858.

THE Right Honorable the Governor-General is pleased to direct the publication of the following despatch from the Deputy Adjutant-General of the Army, dated 18th May, 1858, forwarding a report of the operations of the Shahjehanpore Brigade, under the command of Brigadier-General Jones, C.B., against the enemy, on the 15th instant:—

No. 56.

Major D. D. Muter, Deputy Assistant Adjutant-General, Shahjehanpore Brigade, to the Chief of the Staff.

Camp, Shahjehanpore, May 15, 1858.

SIR,

I AM directed by Brigadier-General Jones, commanding Shahjehanpore Brigade, to inform you that the enemy, led by the Moulvie, attacked his position, at Shahjehanpore, at 12 o'clock this day.

The intelligence was, that the rebels in great force would attack us at daylight, and in three columns. The Brigadier-General therefore took up his position at 2 o'clock, A.M. The enemy did not attack till 12 o'clock, when he opened fire from the ridge that runs along the left bank of the nullah on the Mohumdee side of Shahjehanpore. His guns were too far to produce any effect, but his cavalry, of which he had a very large force, crossed this nullah a few miles up, and charged on our guns with considerable loss to themselves, but none to us. The troops will bivouac to-night on the ground they occupy.

The enemy have not all withdrawn, and the Brigadier-General remains out in the field. He has directed me to write and forward this express.

Had the information been positive, something might have been done to capture the rebels' guns, but an attack on the city and on the left flank was looked for, and cautious measures adopted.

A strong patrol of Mooltanee cavalry have crossed the nullah, and the Brigadier-General awaits intelligence of the enemy's movements.

I have, &c.,

D. D. MUTER, Major,
Deputy Assistant Adjutant-General,
Shahjehanpore Brigade.

No. 57.

Brigadier-General John Jones, C.B., Commanding Shahjehanpore Brigade, to the Chief of the Staff.

Camp, Shahjehanpore, May 16, 1858.

SIR,

IN continuation of the express of yesterday, I have to inform you, that the troops have this morning been withdrawn to camp.

The enemy is said to have retreated to Mohumdee. His loss is reported as considerable. A chief of importance is among the killed, but it has not yet been ascertained who he is.

There can be no doubt that several of the chief rebels led the attack yesterday, and it is the general opinion that they have been much disheartened by the result.

Further intelligence will be sent express when it is received by me, and I have considerable bodies of cavalry out.

As far as I can make out, the enemy opened with 8 guns.

I have, &c.,

JOHN JONES, Brigadier-General,
Commanding Shahjehanpore Brigade.
