AT the Court at Windsor, the 11th day of January, 1859,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament, held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England" it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with

the advice of Her Privy Council, from time to time, to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit ;

And whereas certain Orders in Council have been made, directing the discontinuance of burials in the churchyards and burial-grounds hereinafter mentioned from the time mentioned in such Orders respectively ; and whereas it seems fit to Her Majesty, by and with the advice of Her Privy Council, that the time for discontinuing burials in the said churchyards and burial-grounds be postponed ;

Now, therefore, Her Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that the time for the discontinuance of burials in such churchyards and burial-grounds be postponed as follows ; viz. :

and such period has since been extended to the first of May, one thousand eight hundred and fifty-nine, and it seems fit that the said Order be varied; now, therefore, Her Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that from and after the said first day of May, burials be discontinued in the churchyard of Luddenden, in the parish of Halifax, with the exception of vaults and brick or stone graves, which were in existence on the first day of January, one thousand eight hundred and fifty-eight, whether walled to the surface of the ground or not, provided that, when required, they be opened without disturbing soil that has been already buried in, and that each coffin be separately entombed in an air-tight manner.

Each tender for sugar must specify the mark and landing number of each cask, the ship in which imported, and the country or place of its growth or produce, and an average sample of sugar (not less than 2 lbs. for each import mark) must be produced by the parties tendering, and not an average of different marks or several imports, and any parcel that is found not to be of the same mark or average quality as the samples tendered and accepted, will be rejected by the officers.

Samples of the soap (not less than a bar), must be produced by the parties tendering.

Each tender for tobacco must specify the several trade marks and numbers, and the countries or places of its growth or produce, and a fresh drawn dock sample of each cask or package must be produced by the parties tendering, and any cask or package that is found not to be of the same mark, number, or quality as the sample tendered and accepted, will be rejected by the officers.
