CONTRACTS FOR PEPPER, VINEGAR, WHEAT, AND SPLIT PEAS.

Department of the Comptroller for Victualling and Transport Services, Somerset-House, April 23, 1859.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Thursday the 12th May next, at half past one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores, at Deptford, the undermentioned articles; viz.:

Pepper, 5 tons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Vinegar, 20,000 gallons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Wheat, 3,000 quarters; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Split Peas, 500 quarters; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Tenders may be made for the whole or any portion of the articles.

Their Lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole or for such part thereof only as they may deem fit, or for a greater quantity, or of not contracting for any, and also an unlimited power of selection.

The pepper to be exempted from the Customs' duties, and parties tendering are to state where it is lying.

Samples of the pepper (not less than 2 lbs.), and of the wheat and peas (not less than 2 quarts of each), must be produced by the parties tendering.

Samples of the vinegar (not less than a quart), which the parties tendering may purpose to supply, must accompany their tenders, as the delivery will be required to be made in accordance with the samples which may be accepted, and the vinegar tendered to be No. 20, trade denomination.

The vinegar to be delivered in good, sound, strong, and substantial casks, which are to be retained as long as required by the said Commissioners or their officers without payment therefor, but are to be taken back from the said Victualling Stores (when emptied) by and at the expense of the contractor.

A proportional part of the price per bushel of wheat will be paid for any weight exceeding 60 lbs. per bushel.

The samples produced by persons whose tenders are not accepted are requested to be taken away by them immediately after the contracts have been decided.

No tender will be received unless made on the printed form provided for the purpose, and which may be obtained on application at the said Office, or to the Officer conducting the Packet Service at Liverpool, or to the Collector of Customs at Bristol.

The conditions of the revised contracts, to which particular attention is called, may be seen at the said Office, and at Liverpool and Bristol.

No tender will be received after half past one o'clock on the day of treaty, and it will not be

required the hatt party tendering, or an agent on his behalf, should attend at the Office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for _____," and must also be delivered at Somerset-House.

CONTRACTS FOR WINE, SUGAR, SOAP, AND COCOA.

Department of the Comptroller for Victualling and Transport Services, Somerset-House, April 30, 1859.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland, do hereby give notice, that on Thursday the 12th May next, at half past one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores, at Deptford, the undermentioned articles; viz.:

Wine (White) Marsala, 1,000 gallons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Sugar, 200 tons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Soap, 100 tons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Cocoa, 100 tons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Tenders may be made for the whole or any portion of the articles.

Their lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole, or for such part thereof only as they may deem fit, or for a greater quantity, or of not contracting for any, and also an unlimited power of selection.

The wine, sugar, and cocoa to be exempted from the Customs' duties, and parties tendering are to state where they are respectively lying.

Samples of the wine, in pints from each cask, must be produced by parties tendering, and not samples only for each import mark.

Each tender for sugar must specify the mark and landing number of each cask, the ship in which imported, and the country or place of its growth or produce, and an average sample (not less than 2 lbs. for each import mark) must be produced by the parties tendering, and not an average of different marks or several imports, and any parcel that is found not to be of the same mark or average quality as the samples tendered and accepted, will be rejected by the officers.

Samples of the soap (not less than a bar), and of the cocoa (not less than 2 lbs.), must be produced by the parties tendering.

The samples produced by persons whose tenders are not accepted, are requested to be taken away by them immediately after the contracts have been decided.

No tender will be received unless made on the printed form provided for the purpose, and which may be obtained on application at the said office,

or to the Officer conducting the Packet Service at Liverpool, or to the Collector of Customs at Bristol.

The conditions of the revised contracts, to which particular attention is called, may be seen at the said office, and at Liverpool and Bristol.

No tender will be received after half past one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for _____," and must also be delivered at Somerset House.

National Newspaper League Company, Limited.

NOTICE is hereby given, that the Annual General Meeting of the Shareholders of the National Newspaper League Company, Limited, will be held at Radley's Hotel, New Bridge-street, Blackfriars, in the city of London, on Wednesday the 11th day of May, next, 1859, at two o'clock in the afternoon precisely, for the purposes following, viz.:

1st. To receive the accounts and balance sheets of the Company, and the auditors' report thereon.

2nd. To receive the report of the directors on the state and prospects of the Company.

3rd. To elect six directors in the room of those who retire.

4th. To elect trustees and auditors, and

5th. To transact the other ordinary business of the Company.

And notice is hereby given, that there will also be submitted to the said Meeting, the following motion, of which due notice has been given to the directors, viz.:

That this meeting is of opinion that the directors should be relieved from their pledge not to publish the Dial Newspaper until 20,000 Shareholders are obtained, and hereby releases them from that obligation accordingly.

And notice is hereby further given, that after the termination of the said Ordinary General Meeting of the Company, an Extraordinary General Meeting will be held for the purpose of considering the following special resolutions, viz.:

1st. That although the directors sincerely hope never to make more than the first call of two pounds whilst the shareholders are legally liable to the extent of ten pounds, they would have it resolved, in order to protect all shareholders who have subscribed or who may subscribe for ten pound shares from any possible inconvenience as well as to induce persons more readily to join the enterprise, that should at any future time the capital arising from the first deposit be found insufficient, no call be made at any one time beyond five shillings per share, and that for each call so to be made, three months' notice be given.

2nd. That no salaried officer of the Company, shall at any time be eligible for the office of director.

3rd. To enable the directors from time to time, as to them may appear expedient, to appoint other duly qualified persons to be directors with them, but so as not to increase at any one time the number of directors in all beyond thirty.

Dated this 28th day of April, 1859.

By order of the Board.

Henry Blake, General Manager.

The Western Bank of London, Hanover-square.

THE following are the Special Resolutions which it is proposed to submit for the adoption of the Shareholders, at a General Meeting, to be held on Thursday, the 19th day of May, at one o'clock precisely:

1. That this meeting do approve and confirm the Provisional Agreement bearing date the 27th day of April, 1859, made between this Company on the one hand, and the London and County Bank on the other hand, for the transfer to the London and County Bank, of the business and goodwill of this Company, and for the sale to them of the banking premises of this Company.

2. That in order to carry the said agreement into effect, it is expedient that this Company be voluntarily wound up, under the provisions of the Joint Stock Companies Acts, 1856, 1857, and the Joint Stock Banking Companies Act, 1857, and the Joint Stock Companies Amendment Act, 1858, and this Meeting doth require that this Company be voluntarily wound up accordingly.

3. That for the purpose of winding up the affairs and distributing the property of this Company, the following persons be, and they are hereby appointed, liquidators of this Company.

[The names will be supplied by the meeting.]

4. That the liquidators be instructed to adopt and carry into effect the said agreement with the London and County Bank, with power to make therein such variations of detail as they may think necessary.

5. That the consideration of the remuneration of the liquidators be postponed to some future meeting.
