Their Lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole, or for such part thereof only as they may deem fit, or for a greater quantity, or of not contracting for any; and also an unlimited power of selection.

A separate tender must be given for the beef, and a separate tender for pork, and every tender must specify where the meat is intended to be cured.

Tenders for pork, of the cure of the United States of America, will not be admitted.

Persons tendering for more than one Port must give a separate tender for each Port.

The beef and pork to be delivered into the respective Stores as follows, viz. :—One-third of each quantity for each place by the 31st day of January, 1860; another third thereof by the 20th

day of March, 1860; and the remainder thereof by the 15th day of May, 1860, or any greater portion, or the whole, at any earlier period, if preferred by the party tendering, and to be paid for by bills payable in seven days from and after the respective dates thereof.

Parties tendering are desired to take special notice that the use of wooden hoops is abolished, and that iron hoops only will be required for the casks, in accordance with the conditions of the revised form of contract.

A form of the tender may be obtained, and the conditions of the revised contracts, to which particular attention is called, may be seen at this office, at the Victualling Yards at Gosport and Plymouth, or by applying to the Agent Victualler at Haul-bowline, or to the Collectors of Her Majesty's Customs at Bristol, Limerick, Belfast, Waterford, and Newry, or to the Secretary to the Postmaster-General at Dublin, or to the Commander conducting the Packet Service at Liverpool, or to the Resident Agent for Transports at Leith.

No tender will be admitted for a less quantity than 100 tierces, or 100 barrels.

No tender will be received after half past one o'clock on the day of treaty, nor any noticed, unless made on the printed form provided for the purpose; but it will not be necessary that the party tendering, or an agent appointed by him, should attend at this Office, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Bills in payment for any beef or pork delivered into Her Majesty's Stores will be sent to parties upon transmitting the usual certificates of receipt.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner of the envelope the words "Tender for Salt Meat," and "Comptroller for Victualling," and must also be delivered at Somerset-House.
