No. 1.

GENERAL ORDER.

Fort William, June 3, 1859.

No. 804 of 1859.

HIS Excellency the Governor-General in Council is pleased to direct the publication of the following report from Captain Cleveland, commanding Field Detachment, of an attack on, and dispersion of, a body of rebels in the district of Gonda.

No. 2.

Captain G. Cleveland, 98th Regiment, commanding the Column, to Major Dillon, Brigade-Major, Camp Rumwarpore, three coss north of Gonda.

SIR,

April 13, 1859.

FOR the information of Brigadier Horsford, C.B., commanding Field Force, Trans Gogra, I have the honour to make the following report. On arrival at Rumwarpore yesterday, I at once directed the Oude Police Sowars to proceed at a smart pace towards Durzie Gown, bearing S.S.W. to reconnoitre and gain information of the movement of Gojadhur Sing's Force, that had moved in that direction from this on the 11th instant, at 2 P.M., the Sowars returned with a Zimindar from the direction of Durzie Gown, who reported to me that the rebels were near there and about three coss distant, and numerically strong. I marched the column without delay, leaving a standing camp, protected by 100 rank and file Moradabad Levy. The distance proved to be beyond what I had been informed, and the column did not reach the Gonda and Fyzabad Road till 5½ P.M. I halted the column and moved forward with Sowars, to observe their position and to examine the country. The rebels were reported to be about 3,000 infantry and 400 cavalry, and I saw them scattered in all directions, the majority of them clustered together and protected by jungle

and the "Tyree" River. I was informed that I could only get my artillery near them by moving along the road towards Fyzabad, and breaking off to the right when clear of the jungle and river. I pushed on my guns accordingly, supported by 1st Company Rifle Brigade, 1st Company Punjaub Infantry and 25 Sowars, and placed this portion of my force under the charge of Captain Freemantle, Rifle Brigade, and 2nd in command on the field, conceiving that my presence would be much required with the Moradabad Levy. I advanced the levy, flanked by Police Sowars, to within 300 yards of the jungle, halted and galloped forward to take a glance at the nature of the jungle, and observed the jungle dotted with the rebels, armed with the ordinary musket and bayonet, and under cover, and sections here and there. Returning speedily I advanced a line of skirmishers consisting of four companies, with the same strength in support: the rebels were firing during this interval when the skirmishers pressed forward, cleared the jungle and drove the rebels across the river, which was knee deep at that part, which they had made for, with the object of crossing. The evening being now far advanced, and darkness gradually commencing, I retired my skirmishers without any man being touched. Withdrawing to the road, I threw out a chain of sentries and picquets to protect the guns and supports on their return along the Fyzabad Road towards Gonda.

I beg to forward, enclosed, a report from Captain Freemantle, 2nd Rifle Brigade. My best thanks are due to that officer, as well as the officers in command of the separate detachments and the men under them. I am also indebted to Assistant-Commissioner King, accompanying the column, and my thanks are due to him, for his assistance given.

I have the satisfaction of bringing to the Brigadier's notice the very steady behaviour of the Moradabad Levy, who did their work well, and I would beg expressly to mention, it was the first time the levy has been under fire.

Ensign and Adjutant Gill, Moradabad Levy, I would wish particularly to bring to the Brigadier's notice, who, though in a very weak state from sickness, accompanied the column and rendered me every assistance.

I attach a casualty return, which is small; the enemy must have suffered, yet I am unable to say to what extent, owing to darkness overtaking us.

I have omitted mentioning the force I marched from camp with, and I herewith enter it in the margin.*

The column returned to camp at midnight, being nine hours under arms.

I have, &c.

G. CLEVELAND, Captain,
98th Regiment, Commanding the Column.

No. 4.

Captain Fitzroy Freemantle, Rifle Brigade, to Captain Cleveland, 98th Regiment, Commanding Field Detachment.

Rumwarpore, April 13, 1859.

SIR,

I HAVE the honour to report that I marched with the detachments, as per margin,† in obedience to your orders, to outflank the rebels at Dursi talao.

I followed the Fyzabad Road for a mile and a half after leaving your force, and then turned to my right through a very dense jungle. I pushed on the Punjaub Rifles in front of the guns; but owing to the darkness, which was fast coming on, and the excessive badness of the road, I made but slow progress. After proceeding about three quarters of a mile the ground became more open, though the plain was surrounded by jungle on all sides.

At 6½ P.M., I saw a rebel vidette on the top of a hill, and had just ordered the Punjaub Rifles to form company, when the rebels opened fire upon us from the bushes on the top of the hill at a distance of 40 yards.

Upon the first shot being fired, the Oude Police Cavalry turned round and ran away, carrying away a section of the Punjaub Rifles, and creating some confusion.

I ordered the Punjaub Rifles to move to the left, and a section of the Rifle Brigade to the right of the guns, which opened fire with grape at this short range and in a few minutes completely silenced the rebels' fire. I then advanced to the

† 2 Horse Artillery guns; 1 Company Rifle Brigade; 1 Company 5th Punjaub Rifles; 25 Oude Police Cavalry.

top of the hill, where I found their camp, but no men were to be seen. I did not think it advisable to follow them, as it was now quite dark, the moon being completely hidden by clouds, and the jungle very dense.

I returned by a different road, making a long detour to avoid the jungle.

The troops behaved remarkably well; and I beg especially to bring to your notice the great steadiness showed by the Horse Artillery in a trying moment, when the Oude Police Cavalry retired so precipitately and broke through them.

I received every assistance from officers commanding detachments, viz., Lieutenant Robinson, Horse Artillery, who brought his gun into action with great gallantry, and set an example of cool bravery, which was well followed by his men. Lieutenant Browne, 5th Punjaub Rifles, whose horse was wounded, and Ensign Myers, Rifle Brigade.

I was much indebted to Mr. King, Assistant Commissioner, who made himself most useful during the skirmish, and after it was over, in obtaining guides to lead us out of the jungle by which we were surrounded.

I have, &c.

FITZROY FREMANTLE, Captain,
Rifle Brigade.

No. 8.

*Brigadier A. H. Horsford, C.B., Commanding
Trans Gogra, to the Deputy Assistant Adjutant-General Oude Force.*

*Dated Camp Bhurtpore,
April 27, 1859.*

Sir,

I HAVE the honour to report, for the information of Major-General Sir Hope Grant, K.C.B., commanding Oude Division, that having received intelligence of the movement of a body of rebels of between 2000 and 3000 in number to the westward, with a view to cross the Kowreealla River and enter the Khyryghur jungles, I assembled the force named in the margin,* at Nanpara, and proceeded to endeavour to prevent the enemy from carrying out his intentions.

I had previously ascertained that all the boats on the Kowreealla had been withdrawn by the police on the right bank of that river, and was therefore aware, that from its depth and width, if time was not given the rebels to construct rafts, they could not cross.

My object being to prevent the enemy from breaking to the southward, I marched to the Gurwa River (between which and the Kowreealla River the rebels were reported to be) in a north-westwardly direction, leaving Pudnaha on my right; this led me through a track of dense forest, and over very difficult ground; but with the assistance of bildars to prepare the way for the guns, all obstacles were overcome, and I succeeded in reaching the left bank of the Gurwa River on the 25th instant at 8 A.M., having left my last encampment at 3 A.M.

I here ascertained that the enemy, in perfect ignorance of our approach, were assembled between the Gurwa and Kowreealla Rivers, and as my object, as I have previously stated, was to prevent them from breaking to the southward, I detached a body of cavalry to the only ford in that direction by which they could cross, and I

passed the Gurwa with my force, and so disposed it as to cover as much ground as possible with the purpose of driving the enemy into the apex of the triangle formed by the two rivers.

The main body of the cavalry were moved considerably to the right to endeavour to close the only line of retreat open to the enemy, due north, but unfortunately the denseness of the jungle prevented the cavalry from acting quite as I intended. They, however, succeeded in cutting up many stragglers.

My advance with the infantry and guns was a perfect surprise to the enemy, who offered but little resistance; but here, again, the jungle favoured their retreat, however upwards of 200 were killed during the day.

The greater part of the rebels fled to the northward, but a small force of cavalry and infantry were driven into the jungle, near the junction of the two rivers.

As soon as the troops had somewhat rested, after a severe day's work, and the great heat of the day had passed, I proceeded to clear this jungle; in the meantime, however, a body of about 40 sowars dashed across the open from this jungle, as their only means of escape, but of these only three got away.

The infantry went through the jungle and destroyed a few of the enemy, but from arms of all descriptions picked up, it was conjectured that the rebels must have swam across into the jungles on the opposite banks of the river.

It is now stated that Oomrow Sing has but very few followers with him, his force having dispersed and gone towards the hills.

During these operations, the troops have made long and fatiguing marches through a country covered with forest and traversed by several rivers; on the 25th they were under arms from 2 A.M. until 8 P.M., but both their health and spirit have been excellent. I have received every aid from Colonel Hill, C.B., 2nd Battalion Rifle Brigade, commanding the infantry; from Majors Moir, C.B., Bengal Horse Artillery, and Hughes, 1st Punjaub Cavalry, the former commanding the artillery, the latter the cavalry.

I beg to thank the following officers, who efficiently commanded their respective detachments:—

Lieutenant Danvers, 1st Punjaub Cavalry.

Lieutenant Godby, 1st Sikh Cavalry.

Captain Grant, Kemaon Battalion.

Lieutenant Lane, 2nd Battalion Rifle Brigade; and Lieutenant Forlong, 5th Punjaub Rifles.

I have also to thank Major Dillon, 2nd Battalion Rifle Brigade, my Major of Brigade; Captain Hoste, 5th Punjaub Rifles, Brigade Quartermaster; Lieutenant Sadlier, 61st Regiment, commanding District Police; and Lieutenant Campbell, 79th Highlanders, my Orderly Officer.

Captain Steel, Deputy Commissioner, who has accompanied the force, has rendered very important services.

I subjoin a list of casualties, and beg to state that about 50 or 60 horses were captured during the day.

I have, &c.

Commanding Trans Gogra.

No. 243.

IN my Report of yesterday, I omitted to state that a body of 50 sowars of 5th Police Cavalry, and 250 jezailchees, whom I had requested Lieutenant Sadlier, 61st Regiment, Divisional Commandant, to direct to watch a ford north of that by which I crossed the Gurwa, to attack the rebels, did good service by repulsing parties of the enemy who attempted to pass the river to the eastward, after their defeat.

No. 833 of 1859.

HIS Excellency the Governor-General in Council is pleased to publish the following report from Lieutenant-Colonel Gordon, commanding detachment Field Force, of an action with a body of rebels near the Nanpara jungle on the 1st ultimo.

No. 12.

Lieutenant-Colonel G. Gordon, Commanding
Detachment Field Force, to Major Dillon, Major of Brigade, Brigadier Horsford's Column
Nanpore.

Camp, Kukra Ghat, near Seoghur,
May 2, 1859.

SIR,

I HAVE the honour to report for the information of Brigadier A. Horsford, C.B., commanding, that yesterday while Captain Grant, Commandant 1st Regiment Hodson's Horse, was patrolling between this and Khulkaloe Ghat, on the right bank of the Raptee, we heard of a body of rebels (said to be 200 in number), being located about eight miles to the west of my camp. On receiving this information, about 12 noon, a party, 100 of Her Majesty's 53rd, 200 1st Regiment of Seikhs, and the cavalry present in camp were at once got ready, and we went in pursuit. We came upon them on the edge of the Nanpara jungle, when in the course of a pursuit of some five miles, 14 of the rebels were overtaken and shot.

My party entered the jungle in skirmishing order, but from its denseness, and the difficulty of passing through it, owing to the great quantity of thorny underwood, the skirmishers soon got into detached and independent parties.

I am informed by Mr. R. M. King, of the Civil Service, that these rebels, who are straggling parties of Gujador Sing's Force, have made westward. Another party of some 250 went last night from near Khulkaloe Ghat to the Churda jungles.

I am much indebted to Mr. King for the information he has given with regard to the movements of the rebels, and his personal assistance in accompanying me during my recent tours.

My best thanks are due to all who accompanied me, (the fatigues of the day being great, and the distance marched not less than 17 or 18 miles), but more especially to Captain Cox, Lieutenant Eyre, my Detachment Staff, and Ensign Hibbert, of Her Majesty's 53rd Regiment, and also to Subadar Mirza Hydur Ally, of the 1st Regiment Sikh Infantry, on whom the brunt of the pursuit fell.

My best thanks are also due to Captain Grant, who, before he joined me, had patrolled some 25 miles.

No. 834 of 1859.

HIS Excellency the Governor-General in Council is pleased to publish the following report from Lieutenant-Colonel Gordon, commanding Detachment Field Force, attached to Brigadier Horsford's Column, of the proceedings of the force from the 3rd to the 5th May, 1859, in pursuit of the rebels near the village of Balapoor:

No. 15.

Lieutenant-Colonel G. Gordon, Commanding Detachment Field Force, to Major Dillon, Major of Brigade, Brigadier Horsford's Column, Trans Gogra.

*Camp Balapoor Tal,
May 5, 1859.*

SIR,

I HAVE the honour to report, for the information of Brigadier A. Horsford, C.B., that, having heard on the 2nd instant from Mr. Assistant Commissioner King, that a body of rebels were in the jungle, east of Bhinga, I crossed the Raptée, at Kukra Ghat, on the following morning, and proceeded through the jungle, in the direction of Musha, encamping about four miles south-west of that place at 11 A.M.

Here, while pitching my camp, I was informed that some of the enemy's videttes had been seen on the edge of the jungle. I immediately sent off spies to bring correct information of their position; but the men did not return till between four and five o'clock, P.M., and their only information then was, that they had all gone westward through the jungle. On learning this, I directed Captain Grant, Commandant 1st Regiment Hodson's Horse,

to send out a small patrol, and to follow himself with the rest of the cavalry, and watch the movement of the enemy during the night.

Lieutenant Anderson (Brigade-Major to Hodson's Horse), the officer in command of the patrol, came upon the rebels, 300 in number, about five miles from the camp, and was received by a volley of musketry. As the patrol had no fire-arms, and were a small party, they returned to camp. On the morning of the 4th I started in pursuit, and followed them with the column as far as Balapoor Tal, where I was informed they had taken to the jungle, with the view of making the Corunnea Sota en route for Sonar.

I encamped at Balapoor about 10 A.M., and marched again between 12 and 1 o'clock P.M., with the force as per margin,* towards the Corunnea Sota, where, from information obtained from Captain Grant, I had every reason to suppose that I should overtake the enemy.

After a very hot and fatiguing march of fourteen miles, six of which lay through a dense jungle, the rest over hills and through deep and narrow ravines, we came upon their outlying picket and attacked it, killing three of them.

As the signal had been now given to the rest, I well knew not a moment was to be lost. I therefore pushed on with all possible speed, and after following the path for about four miles over hillocks, through ravines and thick jungle, and meeting detached parties numbering in all some 700 or 800 men, I came on debouching into the valley, upon the main body, then in full flight over the plain and through the jungle on our right, but now out of musket range.

As the evening was fast closing in, and their numbers were greater than I had anticipated, I thought it prudent to halt and bivouac here for the night; placing the men under a fair shelter of some cowsheds, and taking all necessary precautions to guard the camp against surprise.

In the course of pursuit we killed from 25 to 30 men, besides capturing a quantity of camp baggage, fire-arms, and tattoos.

The only casualty on our side was, that one man, 1st Sikh Infantry, received a slight bayonet wound.

I regret to say, that during a false alarm in the night, occasioned by a herd of buffaloes rushing towards our camp, one man, 1st Sikh Infantry, and two Kahars, were severely wounded by the discharge of fire-arms by some men of my party, who suddenly awakened, fired in the direction of the rush.

I have to thank Captain Walter, commanding left wing, Her Majesty's 53rd Regiment, who accompanied me on this occasion, leading the column in the latter part of the evening, also Lieutenant Bell and Dr. Ashton, of the same corps, and Lieutenant Unwin, 1st Sikh Infantry.

I beg especially to bring to the notice of the Brigadier commanding, the services of Captain Grant.

This officer, though already having been eighteen hours in the saddle, volunteered to serve in this expedition, and point out the position of the rebels whom he had traced on the previous night to the foot of the pass.

Also Lieutenant Eyre, Her Majesty's 53rd Regiment, my Detachment Staff, whose exertions on this occasion were most praiseworthy.

I have again to thank Mr. R. M. King, Assistant Commissioner, who was forward in the whole business, and acted as my extra orderly officer.

* Detachment 50 men. 53rd Regiment on Elephants. 216 men 1st Sikh Infantry.

Amongst the native force, I beg particularly to mention Lall Singh, 1st Sepoy, Grenadier Company, and Mahomed Ally Havildar, and Peer Buksh Sepoy, both of Light Company. These three men, all of 1st Sikh Infantry, were first up and attacked the picket.

Having sent directions for provisions to be forwarded to the foot of the range of hills for camp, I marched on the following morning by the same route which I had traversed the previous day to my camp at Balapoor, which I reached at 10 A.M.

A prisoner taken on my return informed me that the force I had pursued was the Nusserabad Brigade, under Debi Singh, and numbered not less than 1500 men. Our previous information had led me to estimate their force at 700 men.

I consider that the effect on the rebels will be most beneficial as showing them that crossing the hills and getting into the ravines and jungle on the other side will not afford them that security which they have hitherto relied on.

I have, &c.

G. GORDON, Lieut.-Colonel,
Commanding Detachment Field Force.

P.S.—I enclose Captain Grant's Report of Patrol.

No. 16.

Captain W. C. Grant, Commanding 1st Hodson's Horse, to the officer Commanding Detachment Field Force.

SIR,

I HAVE the honour to report to you the proceedings of the reconnaissance which you ordered me to make on the evening of the 3rd instant.

Leaving your camp at 7½ P.M., I proceeded in a north-east direction, skirting the jungle to the villages of Hanipore, eight miles. Leaving the villages of Hanipore on our right, we proceeded six miles further, taking a line nearly in the centre of the two belts of jungle. Arrived at the village of Neortivea, we heard news of a body of rebels, said to be 2000 strong, who were at a povel (Tal) near the village of Balapoor, about four miles in our front. I at first thought of attacking them at once, but having with me only 120 Sowars, of whom not more than 18 were armed with fire-arms of any description, and these so inadequately supplied with ammunition as not to have more than one or at most two rounds in possession for each weapon. It being moreover pitch dark, and none of us being in the least acquainted with the country, I decided on bivouacking where I was until daylight, and sent an express off to you at once, acquainting you with the intelligence I had received concerning the position of the enemy. During the night my picquets captured all who approached. Most of them were villagers running away themselves from the enemy, and these I discharged in the morning, one man however confessed himself to belong to the rebel ranks, and as he had a British officer's regulation sword in his possession, I directed him to be disposed of at once.

At the dawn of day, we started at once and found traces of the enemy at Balapoor Khal; advancing rapidly at a trot, we must have entered the jungle in our front shortly after they had done so. Here, however, as we afterwards ascertained, they had turned off to the north-east towards Kalapoorwah, whilst we crossed their rear

and proceeded straight on Bhojpoor; my object being to get to the end of the jungles before they did, and either to prevent them advancing into the plain or to cut them up if they did so. At Bhojpoor, where both belts of jungle meet and end, we could hear no accounts of the enemy, but seeing a very suspicious looking body of men of about 30 sowars and 140 foot on the plain, who retreated precipitately at our approach, we gave chase and pursued them to Muttea before we discovered that they were a body of Jezailchees and police sowars who had been invited to co-operate with us from Kulkulla.

Taking our new friends with us, and having evidently overrun the scent of our proper enemies, we returned through the north-east belt of jungle, keeping as close as we could to the foot of the mountains, we passed two tracks leading towards the Koronia Sota, at both of which I left a picquet of sowars, and at length on arriving near Gigelee, heard that the rebels, whose numbers were variously stated at from 1000 to 2000, had undoubtedly taken the road to the Sonar Valley, crossing the Dundua Mountain by the Pass of Koronia Sota, the main path towards which enters the jungle nearly at the back (or north-east) of the village of Gigelee. With this information I returned to camp, then moved to Chickenee, leaving the picquets I had placed still standing, one at Bhojpoor, and one at each of two pathways leading to the Pass of Koronia Sota before mentioned.

I have, &c.,

W. C. GRANT, Captain,
Commanding 1st Hodson's Horse.

SIR,

No. 27 of 1859.

I HAVE the honour to forward duplicate of latter portion of copy of my report of operations before Gwalior on 17th of June, 1858, the original of which appears to have miscarried and only a copy of the first part of my report seems to have reached the Major-General, then in command of the Rajpootana Field Force, of which this brigade formed a detached portion.

I was not aware of the miscarriage of this latter portion of my report, until I saw the publication of the first portion, or should have earlier forwarded a duplicate, as the services of a portion of this brigade are mentioned in this latter portion of my report, which I am most anxious to bring to the notice of the Major-General.

I also take this opportunity of supplying a few omissions, which I regret to say occurred in my first report.

I have, &c.,

Commanding Brigade Punjab Field Force.

Camp Sepree, 25th July, 1858.

SIR,

No. 44 of 1858.

IN accordance with the wishes of Major-General Sir Hugh Rose, K.C.B., conveyed to me in your note, dated Pachesi, 11th July, that I should furnish an official statement of all the circumstances of the charge made by a squadron of the 8th Hussars, on the 17th of June, and evidence should be officially recorded.

I have the honour to state that on the afternoon of the 17th June, the enemy having been driven from the heights, we advanced through the pass which runs by the large canal or nullah, in the direction of Gwalior, some 200 or 300 of the enemy's cavalry being formed in front of Gwalior. I advanced with a squadron of the 8th Hussars, under Captain Heneage, and a division of guns, under Lieutenant LeCocq, Bombay Artillery, into the open ground beyond the Pass, leaving orders that a company of the 10th Regiment Native Infantry, and a division of guns under an escort of gunners, should secure the mouth of the Pass, and a squadron of the 1st Bombay Lancers should move up in the open ground in support.

The squadron of the 8th Hussars advanced out of the Pass in file, and formed line at a gallop. After advancing about 300 yards, I ordered the squadron to charge. The squadron then charged, broke the enemy, and pursuing them closely, entered their own camp along with them. The camp was soon cleared, and the 8th followed the fugitives, now increased by large numbers of panic-stricken infantry, from the camp into the ground beyond, and never stopped until all who remained had taken shelter in the outskirts of the town itself.

In so doing the 8th took five guns, cutting down the gunners, the Ranee of Jhansi also lost

her life in the *melée*. All this took place under a heavy fire from the guns of the fort, and from several field guns in position round the town, and from which was opened a converging fire upon the squadron.

During the charge, Colonel Raines, of Her Majesty's 95th Regiment, brought up a portion of his regiment and took up a position on the left flank of Lieutenant LeCocq's division of guns; I having sent him an order to that effect by Cornet Goldsworthy, 8th Hussars.

I shall next record the statement of Captain Heneage who commanded the squadron, and also some evidences collected by him as to further particular and details."

Statement and evidences collected by Captain Heneage.

Captain Heneage's squadron of 8th Hussars was ordered by Brigadier Smith to attack some 200 or 300 of the enemy's cavalry who were threatening our guns. They advanced out of the Pass in file and formed line at a gallop. After advancing some 300 yards they were ordered to charge, which they did and were upon the enemy in a moment, many of whom were cut down, and the rest flew towards the town; the ground here being very rough and intersected with small nullahs, about one-third of the squadron was obliged to diverge to the right, under Lieutenant Harding, the remainder, under Captain Heneage, with Captain Poore and Lieutenant Reiley, going a little to the left, and continuing the attack came shortly into the midst of the enemy's camp, where they took 3 guns, cutting down the gunners, and completely clearing the camp of the enemy's troops, under a continuous fire from the guns of the fort, and small field guns on the right and left. After passing through the camp, and crossing the road from Gwalior to Moorar, the squadron came upon a large force of the enemy's cavalry and infantry, in a disorganized mass, who were trying to escape from the camp into the fort. Many of them made a stand, but the 8th never slackened their pace, and, dashing into the midst of them, cut them down by scores, the Ranees of Jhansi being amongst the slain; 2 guns were taken here.

The whole of the ground over which the charge had been made being now completely cleared of the enemy, Captain Heneage withdrew his squadron at an easy pace, and was shortly joined by the detachment under Lieutenant Harding, which had charged through the right of the camp, cutting down many of the enemy's gunners and infantry, and had taken 4 guns. Lieutenant Harding was shot at by a dismounted sowar, who missed him, but the shot struck his charger in the eye and completely destroyed it. He was attacked at the same time by two of the enemy's infantry, whom he cut down and killed.

Captain Heneage, then halted and reformed his squadron in front of the supports of artillery, cavalry, and infantry, which had meanwhile come up, and was then ordered by Brigadier Smith, to form his men in single rank in order to show a large front.

The squadron of the 8th being then formed in single rank on the right flank of artillery and infantry, the squadron of lancers in second line we again advanced in order to secure the enemy's guns; after that Captain Heneage was obliged to relinquish the command of the squadron, in consequence of the heat of the sun and great exhaustion. Captain Poore assumed the command, and remained with the squadron until the guns were brought away.

Colonel Hicks, of the Bombay Artillery,

charged with the squadron through the camp, Lieutenant Reily upon the return of the squadron from the charge, was obliged to dismount from his horse and died almost immediately from the effects of the sun and exhaustion. Assistant-Surgeon Sheilock charged with the squadron, was wounded by a musket ball in the shoulder, he was ready and active in affording his assistance when required.

Cornet Goldsworthy was on my left, and in front of the squadron, when preparing to charge, and was about to charge with them, when I, in consequence of the very great necessity of having support up quick, ordered him to go back and bring up the horse artillery and infantry, to a spot which I had pointed out to him, which he did; this officer gave me much assistance, both on the 17th and 19th, in carrying my orders and other matters.

Several of the enemy's guns remained in our possession after the charge, but from want of horses and exhaustion of men, only two could be got away, and it was only through the exertion and skill of Lieutenant LeCocq, and the men of his division (the right division of the 3rd troop under the personal superintendence of Lieutenant-Colonel Blake) that this could be effected.

One of the enemy's guns had a limber and a pair of wheel horses. The broken harness was lashed up in the best way circumstances would admit of, and a leading pair of our own horses hooked to the gun was sent to the rear; the wheel horses were got to move with great difficulty, being completely done up, and one severely wounded.

The other gun had no limber, but Colonel Blake having taken back one of his own guns to the entrance of the Pass, left the gun within it, and sending back the limber, the enemy's was hooked on it and brought to the entrance of the Pass, when our gun was lashed to the muzzle and thus drawn off.

These operations were conducted with great coolness and steadiness, under four cross fires from the fort and guns in different directions on the place.

This being effected and seeing the enemy collecting upon our flanks, and having too small a force at my disposal to warrant my advancing further or to enable me to hold my position, if I had done so, we retired across the plain by alternate squadrons and re-entering the Pass, took up a position for the night, as stated in my former report of the operations during the 17th.

*Dated Camp, Godowlie,
12th November, 1858.*

SIR,

WITH reference to my report to you on the taking of Gwalior on the 19th June last, I beg to correct an impression I was then under, that the guns alluded to in the 5th paragraph, were found by the 10th Native Infantry abandoned, the words should have been "captured from the enemy by the 10th Native Infantry," which I was not cognizant of when I addressed you on the proceedings of that day.

I am informed by Lieutenant Sexton, to whose charge I gave one of the captured guns, which was afterwards turned on the rebels and alluded

to in the 3rd paragraph of the same report, that he received great assistance from Lieutenant Read, 10th Native Infantry, who made some good practice in pointing and firing the said gun. I therefore beg to bring Lieutenant Read's name to your favourable notice.

I have, &c.,

T. R. RAINES, Lieutenant-Colonel,
Her Majesty's 95th Regiment.

While the infantry skirmishers were feeling their way through the Pass leading to Gwalior, their progress was checked for a time by the fire of two or three guns, which the enemy had brought into the Pass. Lieutenant-Colonel Blake therefore proposed taking a division of his guns on to the heights on our right, which was accordingly done and the result was most successful; by firing at low elevation, round shot and shrapnell were dropped on the enemy's guns near, obliging them to retire precipitately to another position, and by thus advancing and coming into action on every occasion of their making a stand, they were at length fairly driven out of the Pass, which was thus made clear for the advance of our force.

Extract from letter from Colonel Blake, Commanding 3rd Troop Horse Artillery, dated 12th November, 1858.

"In that part of your report of bringing away the two captured guns, you mention that it was done 'under four cross-fires.' I think it would be well to mention the number of from 16 to 18 guns.

Colonel De Salis wishes to mention the zeal and intelligence evinced by Major Chetwode, when in command of a detached portion of the 8th Hussars, on the 17th June.

Lieutenant Jenkins, 8th Hussars, was on one occasion employed by me in carrying orders to bring up supports which he executed to my satisfaction.

No. 846 of 1859.

Fort William, June 14, 1859.

HIS Excellency the Governor-General in Council is pleased to direct the publication of the following report of operations against the rebels in the Kurwania Sota by the force under the command of Lieutenant Millet, commanding 2nd Jezailchees, on the 13th ultimo.

2. His Excellency in Council entirely agrees with the Commander-in-Chief, in considering this affair to reflect credit upon Lieutenant Millet and the troops employed on this occasion.

No. 26.

Lieutenant A. H. Millet, Commanding 2nd Jezailchees, to Major J. L. Vaughan, Commanding Field Column, Sidhonia Ghaut.

*Camp Sidhonia Ghaut,
Banks of the Raptee, Oude, May 14, 1859.*

SIR,

I HAVE the honour to forward the subjoined report of the operations carried out yesterday against the rebels in the Kurwania Sota by the force under my command.

Agreeably with your orders, based upon information brought to you during the night, I proceeded early yesterday morning to Khulkulla (twelve miles), and thence moved, with the detachments marginally noted,* to Khoodawah (distance six miles), on the left bank of the Raptee.

As I reached Khoodawah from the westward, Lieutenant Stewart, Adjutant of 5th Punjaub Infantry, with a force as per margin,† joined me by the direct road from this camp.

The junction having been thus happily effected at 7.30 A.M., and it being probable that the rebel force was still in the place where the spy had seen it on the 12th instant, I determined upon advancing at once to the attack.

The enemy were reported to consist of 50 cavalry and from 400 to 500 sepoys, all under the command of collector Khooda Buksh Khan,‡ and were said to be encamped in the bed of the Kurwania Sota, immediately under the hills which separate the Sonar Valley from the plains of the Raptee.

The distance from Khoodawah to the Kurwania Sota is six miles, the path leading the entire way through dense jungle.

We advanced in the order given in the margin,§ having a small advanced guard and flanking parties from the 5th Punjaub Infantry.

After advancing half a mile through the jungle, we met 12 rebel sowars, who at once turned and fled towards the Kurwania Sota. The advanced guard fired, but without killing any of the rebels.

It being evident that the sowars whom we had just seen would give the alarm to the enemy, and it being most necessary that I should obtain early information as to the movements of the rebels, I ordered up half the cavalry from the rear, and sent them ahead under Native Commandant Meer Jaffir Khan, of the 2nd Jezailchees, with orders, however, to the latter not to commit himself in any unequal fight with the enemy.

When we had arrived within two miles of the Kurwania Sota, one of our sowars brought back a report from Meer Jaffir Khan, urging the rapid advance of the infantry, and stating that the enemy had fallen in to the sound of the bugle, and appeared inclined to show fight.

Continuing our advance as rapidly as possible, we soon reached our advanced cavalry; and looking over an intervening rise in the ground, I perceived a body of rebels collected in a flat basin of the Sota, to the number of fully 400 men.

Allowing a few moments for the enemy to collect, under cover of the rising ground I detached

* 16 sabres of the 14th Oude Police Cavalry, and 160 of the 2nd Regiment Jezailchees.

† 26 sabres of 1st Punjaub Cavalry, and 120 of 5th Punjaub Infantry (Rifles).

‡ Assisted by General Shere Khan.

§ 120 of 5th Punjaub Infantry; 160 of 2nd Jezailchees; 26 of 1st Punjaub Cavalry; 16 of 4th Oude Police Cavalry.

20 men of the 9th Company 5th Punjaub Infantry, to the right, and as many to the left, to crown the hills on either side of our advance, so as to prevent any small bodies of the enemy from getting round our flanks.

The 8th Company 5th Punjaub Infantry, and No. 10 Company 2nd Jezailchees, were ordered to move steadily forward in reserve, whilst I attacked with No. 9 Company of 5th Punjaub Infantry, and No. 9 Company of the Jezailchees.

These preliminary arrangements were speedily effected, and we at once moved over the brow of the rise to the attack.

The enemy gave us a heavy volley of musketry as we showed ourselves over the intervening rise; and then, not liking the confident rush nor the wild joyous shouts of our men, they commenced a rapid retreat, but at first in good order, towards Sonar.

The pursuit was at once pressed with all speed, and many of the rebels soon sought protection in the intricate nullahs to the right and left. They were, however, everywhere followed up by parties of our infantry and destroyed in all directions. In one small ravine on the right no less than 21 rebels were killed. At the same time the central pursuit was carried on with unremitting vigour, all ranks vying with each other to overtake the flying enemy. On this central path alone, I counted 44 dead rebels, and the slaughter was also heavy on our left.

After continuing the pursuit for three miles over most difficult ground, I found that the enemy was utterly dispersed; and, as the heat and their exertions were telling on our men, and we were going farther and farther from water, I stopped the pursuit. You will be glad to know that our loss consisted of but 1 man killed and 2 wounded, whilst I can safely put down the enemy's loss at certainly over 80, and the general impression is that 100 would be nearer the mark.

After giving the men a short rest in the Kurwania Sota, I marched back to Khoodawah, where the men ate their dinners.

From Khoodawah we proceeded to Bhojpoor (3½ miles) where the column separated, the Police Cavalry and the Jezailchees returning to Khulkulla, and the Punjaub Cavalry and Infantry coming to this camp, which they reached at 9 P.M.

The gallantry and exertions of all under my command merit my warmest thanks, and I am especially indebted to Lieutenant Stewart for the great assistance which he rendered to me throughout the day.

All behaved admirably, and I cannot, without injustice to the rest, particularize the forward gallantry of individuals.

During the day the troops from Khulkulla marched 35 miles, and those from the camp 48 miles, and much of this under a more than usually hot sun.

I may here mention that the rebels killed were all either officers or sepoy, and that they were all armed (i. e., the sepoys) with percussion muskets.

Amongst the slain are 2 sabadars, 1 jemadar, and 2 "Captain sahebs."

I have this morning heard that those rebels who escaped from yesterday's fight have fled beyond Sonar into Dang, and I conceive that they are not likely to give us any more trouble in this direction.

I HAVE the honour to report, for the information of Lieutenant-Colonel Gordon, commanding the force, that in accordance with his orders I patrolled yesterday with 50 men on the road to Mussa. On arrival at that place I could get no information, so went on 2 coss further, when I heard that the rebels were looting a village (Lollpore) near the jungle. I immediately pressed on, drove them out of the village, and killed, as far as I could judge, 30 rebels, captured an elephant and some bullocks. The rebels were reported to be in force (1000 infantry, 400 or 500 sowars) in the jungle in front of Lollpore. I had 1 sowar wounded.

I HAVE the honour to transmit, for submission to his Excellency the Commander-in-Chief, the accompanying report, dated Camp Bhanpore, the 27th ultimo, from Major J. Murray, commanding Jât Horse, and the troops at Doomureeagunge on the River Raptee.

2. From the information I had received, I was apprehensive that the rebels would push from the borders of Oude, eastward, between Doomureeagunge and Bhanpore Thannah. I therefore immediately ordered Major Murray, with a detachment from Lotun, to move and take post at Doomureeagunge, where he arrived on the 24th April, and I reinforced him with a party of 100 men of the 9th and 20th Punjab Infantry from Bustee; and on the 26th idem Major Murray came across the body of rebels, some 1,500 strong, still called the Nusseerabad Brigade, and though they were very superior in numbers, he immediately most gallantly attacked them, defeating and routing them with considerable loss, driving them westward, to the borders of Oude, over the Koanee river, as detailed in his report.

3. I would beg to recommend to the particular notice of his Excellency Lord Clyde, the zeal, gallantry and steadiness of the officers and men in this action, under the immediate command of Major Murray.

SIR,

No. 43.

I HAVE the honour to report for the information of Brigadier Rowcroft, C.B., that I marched from Bhowaneegunge Bazar with the force, as per margin,* yesterday morning skirting the jungle on the left bank of the Khoanee Nuddee, with the intention of co-operating with Captain Renny's column, in an attack on the Nusseerabad Brigade and other rebels, concealed in the heavy jungle on the right bank of the river. On reaching Sunker-pore, it was reported that a foraging party of rebel sowars were plundering the adjacent villages. I immediately detached a troop of Jât Horse, under Ensign Hennessy, who killed seven sepoys mounted on horses and ponies, a few others escaping into the jungle which was close at hand.

I now moved on to Durriapore, where I was fortunately reinforced with the detachments as per margin,† from Bustee. Here I intended halting until I could learn something of Captain Renny's movements.

At 1 o'clock, my videttes reported that the rebels had crossed the Khoanee Nuddee, and were marching down in great numbers on my camp. I at once advanced and found them drawn up in a very formidable position, their centre division in a village, supported by a column of infantry in rear, at least 1000 strong, with divisions of cavalry and infantry about 300 yards on either flank, and a dense jungle immediately in their rear and flanks; the whole under the command of Gunga Singh and Dabee Deen. The infantry were dressed in Khakee, and manœuvred with much precision, throwing out skirmishers, &c.

After reconnoitring, I feigned a retreat, in the hope of drawing them away from the jungle, to enable my cavalry to act, but this movement not having the desired effect, I determined upon an attack, and formed the infantry into two divisions, covered by a line of skirmishers, with cavalry on either flank and 25 sabres in reserve.

The enemy opened a heavy fire from their three divisions as I advanced, and at the same time made a bold attempt to turn my right flank, which was promptly checked by the cavalry under Ensign Hennessy. When within 50 yards of the village, the skirmishers, gallantly led by Lieutenant Sadlier, 20th Punjab Infantry, carried the place with a rush, on which a panic seized the main body, who fled precipitately into the jungle. Their right division was at the same time dispersed by the cavalry and a company of infantry on our left. I immediately pursued with all my infantry driving them across the river, and only desisted, when from the thickness of the jungle, and their having fled in three different directions, all traces of them had disappeared.

It is impossible to form anything like a correct estimate of their loss, as they suffered most in the pursuit, but it must have been considerable. Many threw away their arms and ammunition, and 20 men and several horses were drowned in re-crossing the river. I am glad to say our loss was only—20th Punjab Infantry, 3 men wounded; Jât Horse, 1 horse killed and 2 wounded.

* Jât Horse.—1 European officer, 159 sabres. 20th Punjab Infantry.—2 European officers, 5 native officers, 180 rank and file.

† 9th Punjab Infantry.—2 native officers, 62 rank and file. 20th Punjab Infantry.—1 native officer, 44 rank and file.

I am particularly indebted to Lieutenant Currie, 2nd in command 20th Punjaub Infantry, for his able management of the infantry, and my best thanks are also due to Lieutenant Sadlier, and Ensign Hennessy, the two other officers in the field, for their good and gallant services.

I cannot speak too highly of the steadiness and bravery of my small detachment, all young soldiers, and who were opposed to a disciplined force at least five times their number and holding a very strong position.

There are now no rebels in this side the Khoanee Nuddee.

I have, &c.,

J. J. MURRAY, Brevet-Major,
Commanding Troops at Doomureeagunge.

P.S.—I have just heard that the rebels fled in the direction of Captain Renny's column, and were attacked by him this forenoon.

I HAVE the honour to report, for the information of Brigadier Rowcroft, C.B., that, on the 29th ultimo, when my force was encamped at Bhowaneegunge, Subadar Narain Singh, commanding the Military Police at this place, received information that a party of rebels were crossing the Raptée at Gowra Ghat, six miles east of this. He at once started with 50 Military Police Infantry (Sikhs) and 4 sowars of my regiment, and pushing on ahead with the sowars caught up the rebels, 32 in number, mostly armed with muskets, making for the Sunkurpore jungle. The Subadar followed, and, in a measure, kept them in check with the sowars, when, fortunately, the infantry came up, and a skirmish ensued, which resulted in the death of 10 rebels. The rest managed to escape into the jungle.

A Sikh had his arm fractured with a musket shot, and a sowar, Kullian Singh by name, of the 4th troop of my regiment, who was on vidette duty near the jungle, on seeing the rebels approach charged them single-handed, and, I regret to say, was shot in the head, his horse being also wounded. He is in a very precarious state, but, having lived so long, may possibly recover. I feel it my duty to bring him to the Brigadier's notice, as such an act of bravery appears to me to be deserving of the Order of Merit. The Subadar also reports favourably of Nadan Sing Naick, who killed two men. The Subadar deserves much praise, and, I believe this is not the first occasion of his having distinguished himself since he came here. He frequently called upon the rebels to throw down their arms and be pardoned, but they replied that "they would sooner die."

They had come from the neighbourhood of Towleewa, intending to join the Nusseerabad Brigade.

HIS Excellency the Governor-General in Council is pleased to direct the publication of the following report from the Major-General commanding the Oude Division, of an action with a body of rebels at the Jerwah Pass on the 21st May, 1859.

No. 41.

Major-General J. Hope Grant, Commanding Oude Division, to the Adjutant-General of the Army.

*Camp Ruttenpore,*SIR, No. 239. *May 24, 1859.*

I HAVE the honour to report, for the information of his Excellency the Commander-in-Chief, that Colonel Pinckney's move into Nepaul, having had the desired effect of driving the rebels under the Nana, Bala Rao, and Mummoo Khan into the jungles in the north-east of Oude, I broke up my camp at Burgudwa, at midnight on the 20th and 21st instant; and arrived soon after sunrise at the jungle covering the entrance to the Jerwah Pass, with Lieutenant-Colonel Walker's field force, as per margin.*

I there received information that the Nana and Bala Rao, with 2 guns and 2000 men were at the mouth of the Pass; and Mummoo Khan with 500 followers a little to the west, on the same ground where I met Bala Rao's force on the 4th of January last.

I therefore ordered the cavalry and artillery to encamp, and sent Colonel Brasyer with the wing of the regiment of Ferozepore against Mummoo Khan's party, whilst I myself moved on the Jerwah Pass, with the 7th Punjaub Infantry. The rebel infantry I found occupying the spurs of the mountain stretching into the jungle, on either side of the mouth of the Pass, whilst their two

Staff.—Lieutenant R. Biddulph, Deputy Assistant-Adjutant-General; Major Wolseley, Deputy Assistant-Quartermaster-General; Major Wilmot, Deputy Judge Advocate-General; Cornet Torrens, Acting Aide-de-Camp; Captain Haig, Sub-Assistant Commissary-General.

guns, which were thus completely protected, opened fire from the gorge of the Pass.

I therefore sent a company of the Sikhs under Lieutenants Gordon and Lewes, to climb up the hills to the left, and drive away their infantry from their right flank; this detachment advanced accordingly, driving back the rebels until they reached the summit of the ridge.

The remainder of the regiment, under Captain Stafford, cleared the right, but owing to the extreme heat, and the troops having marched about 20 miles, we were unable to inflict any great loss on the rebels. We killed about 50 of them, and took their 2 guns and 32 prisoners.

Lieutenant-Colonel Brasyer in his advance met with no opposition, the party under Mummoo Khan dispersing in the hills and jungle upon his approach. The regiment of Ferozepore were too tired to pursue, having made a forced march of nearly 30 miles to join me, which they did a few hours before we left Burgudwa.

I received every assistance from Lieutenant-Colonel Walker, 2nd Dragoon Guards, and the officers commanding the corps engaged, as before mentioned; also from the officers of my staff, one of whom, Cornet Torrens, Acting Aide-de-Camp, was slightly wounded.

Major Bruce, C.B., Chief of Police, who has accompanied me since I left Lucknow, has kept me accurately informed of the movements of the rebels.

I yesterday proceeded to Ghururbeer, at the top of the first range of hills. The Pass is of a most difficult nature, and the last mile and a half is up a steep precipice. I found that I could not cross even my small force of infantry, under six days; and I therefore abandon the idea of crossing the hills.

We found several rebels in the Pass in a dying state, unable to cross over from wounds or starvation; also camels and bullocks abandoned, and an elephant and several camels dead, showing the difficulties the rebels must have had in crossing even in their disorganized state, without baggage or supplies.

Seven camels were brought back by the force, and an elephant was captured on the 21st.

From intelligence since received, the rebels have not yet ceased their flight, and they are now said to be crossing the second range, so that I consider there is no probability of their attempting to re-enter Oude this season.

I have, &c.

J. HOPE GRANT, Major-General,
Commanding Oude Division.

No. 556.—FORWARDED, in original, by

Officiating Adjutant-General of the Army.

R. J. H. BIRCH, Major-General,
Secretary to the Government of India.

AT the Court at *Osborne House, Isle of Wight*,
the 12th day of *August*, 1859,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners
for England have, in pursuance of the
Act of the third and fourth years of Her Majesty,
chapter one hundred and thirteen, and of the Act
of the fourth and fifth years of Her Majesty,
chapter thirty-nine, duly prepared and laid before
Her Majesty in Council, a scheme, bearing date
the twenty-eighth day of July, in the year one
thousand eight hundred and fifty-nine, in the
words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for
England, in pursuance of the Act of the third and
fourth years of your Majesty, chapter one hundred
and thirteen, and of the Act of the fourth and
fifth years of your Majesty chapter thirty-nine,
have prepared, and now humbly lay before your
Majesty in Council, the following scheme for the
re-endowment of the See of Durham with real
estates.

"Whereas it was by the said recited Acts,
enacted that by the authority therein provided,
(that is to say, by a scheme prepared by us and an
Order of your Majesty in Council ratifying the
same), and for the purpose of fully carrying into
effect, any of the provisions of the same Acts, or

of the said first recited Act, any arrangements
might from time to time be made, with the con-
sent in writing, under the corporate seal of any
bishop, for the sale, transfer, or exchange of any
lands, tithes, or other hereditaments belonging to
the see of such bishop, or for the purchase of
other lands, tithes, or other hereditaments in lieu
thereof, or for substituting in any case any lands,
tithes, or other hereditaments for any money pay-
ment, or any money payment for any lands, tithes,
or other hereditaments.

"And whereas, under the provisions of two
several Orders of your Majesty in Council, bearing
date respectively, the thirteenth day of August,
one thousand eight hundred and fifty-five, and the
fourth day of April, one thousand eight hundred
and fifty-six, and duly published in the London
Gazette, on the twenty-fifth day of September,
one thousand eight hundred and fifty-five, and the
twenty-second day of April, one thousand eight
hundred and fifty-six, and in consideration of
certain money payments particularly mentioned in
such Orders respectively, all the lands, tenements,
hereditaments, and endowments, formerly belong-
ing to the Bishoprick of Durham (except certain
portions thereof, in such last-mentioned Order
particularly described, and excepting any right
of ecclesiastical patronage), became vested in us,
subject to any legally subsisting lease or leases
thereof.

"And whereas it has been arranged, and
agreed by and between us, and the Right Reverend
Charles Thomas, Bishop of Durham, that in lieu
of such money payments, so payable by us, to the
said bishop as aforesaid, he shall, in right of his
see, be put into possession in fee simple of real
estates, sufficient together with the lands, tene-
ments, and hereditaments mentioned and described
in the schedule annexed to the last-mentioned
of the said Orders in Council, and with the proceeds
of any sums of stock or cash standing to the credit
of the bishop, in right of his see, to secure to such
bishop a clear annual income (after deducting
rates, taxes, and other outgoings, including costs
of management), of the amount, which by the
provisions of the said Act of the sixth and seventh
years of the reign of His late Majesty, chapter
seventy-seven, it is contemplated, shall be enjoyed
by the Bishop of Durham and his successors.

"And whereas we are seized in fee of certain
lands, tenements, and hereditaments, more par-
ticularly described in the schedule hereunto
annexed.

"And whereas one of the purposes of the said
recited Acts, is to provide a fund for making
better provision for the cure of souls, and we are
of opinion, that it would ultimately conduce as
well to the improvement of the said fund, as to the
permanent benefit of the said bishoprick, that the
said lands, tenements, and hereditaments specified
in such schedule, should be dealt with in the
manner hereinafter mentioned, the same being
convenient for the permanent endowment of the
Bishoprick of Durham.

"Now, therefore, we humbly recommend and
propose, (with the consent of the said Charles
Thomas, Bishop of Durham, testified by his
having signed this scheme and sealed the same
with his episcopal seal), that from, and after the
day of the due publication in the London Gazette
of an Order of your Majesty in Council, ratifying
this scheme, and without any conveyance or
assurance in the law, other than such duly gazetted
Order, the lands, hereditaments, and premises

referred to, or set forth in the schedule hereto annexed, with their appurtenances and all our right, title, estate, and interest therein, (save and except, and always reserved unto us our successors, and our and their lessees, tenants, and assigns, all and singular the mines, quarries, and beds of coal, stone, clay, sand, minerals, and metaliferous substances of all descriptions, therein or thereunder, with full and exclusive authority to sink, win, work, get up, and carry away the same in, under, out of, and from the said lands, hereditaments, and premises, or any other lands, hereditaments, and premises, according to the course and practice at present or hereafter to be used or adopted in the county of Durham, or according to the most approved mode, which may from time to time be used or invented, and to enter upon, take, use, and occupy, from time to time, and for such time, and in such manner as we, our successors, lessees, tenants, and assigns shall think fit, so much of the said lands, hereditaments, and premises as we shall deem necessary, proper, or convenient, for all or any of the aforesaid purposes, making full compensation for any injury thereby occasioned, and save and except and always reserved full and

exclusive authority for us, our successors, lessees, tenants, and assigns, or persons acting under our authority, and whether in reference or respect to lands held by, or under us, or any other property, to make, grant, and use, any way or ways, upon, across, under, or through the said lands, hereditaments, and premises, for the purposes aforesaid,) shall be and become conveyed and transferred from us to the said bishop and his successors, and shall be and become absolutely vested in the bishop and his successors for ever, in right of the said see of Durham, in as full and ample a manner as if such last-mentioned estates had formed part of the ancient possessions of the same see, and that the money payments heretofore payable by us to the said bishop, under the provisions of the hereinbefore recited Orders in Council, shall cease from and after such due publication of an Order of your Majesty in Council ratifying this scheme.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matter aforesaid, in conformity with the provisions of the said recited Acts, or of any other Act of Parliament."

NOTICE TO MARINERS.

Board of Trade, Marine Department, September 1, 1859.

THE Right Honourable the Lords of the Committee of Privy Council for Trade and Foreign Plantations have received, from the Secretary of State for Foreign Affairs, through Her Majesty's Chargé d'Affaires at Vienna, the subjoined copy of a translation of a Notice to Mariners, warning them not to anchor their vessels in the neighbourhood of the New Electric Cable between Sicily and the coast of Calabria.

Translation.

The following notice has been transmitted to us by the direction of the Central Electric Telegraph in Sicily, and we publish it for the guidance of navigators:—

“ Navigators are informed that two electric cables unite Calabria to Sicily. The points of immersion on the Sicilian Coast are the Tower of Ganzirri, at the entrance of the Phase, and the citadel of Messina. On the Tower of Ganzirri the words ‘Royal Electric Telegraph’ are written in black letters on a white ground, and during the night a green signal light is kept burning.

“ The present notice is given in order to prevent all approach or anchorage in the vicinity of the above-named points.”

War-Office, September 2, 1859.
