MEMORANDUM.

5th Regiment of West York Militia.

The Queen has been graciously pleased to accept the resignation of the Commission held by Lieutenant Charles Broomhead.

War-Office, 21st October, 1859.

THE Queen has been graciously pleased to signify Her intention to confer the decoration of the Victoria Cross on the undermentioned Officers and Private Soldier of Her Majesty's Indian Military Forces, whose claims to the same have been submitted for Her Majesty's approval, on account of Acts of Bravery performed by them in India, as recorded against their several names; viz.:

Regiment.	Rank and Name.	Act of Bravery for which recommended.
5th Bengal European Cavalry	Major Charles John Stanley Gough Date of Acts of Bravery, 15th and 18th August, 1857, and 27th January, and 23rd February, 1858	First, for gallantry in an affair at Khurkowdah, near Rhotuck, on the 15th of August, 1857, in which he saved his brother, who was wounded, and killed two of the Enemy. Secondly, for gallantry on the 18th of August, when he led a Troop of the Guide Cavalry in a charge, and cut down two of the Enemy's Sowars, with one of whom he had a desperate hand to hand combat. Thirdly, for gallantry on the 27th of January, 1858, at Shumshabad, where, in a charge, he attacked one of the Enemy's leaders, and pierced him with his sword, which was carried out of his hand in the mêlée. He defended himself with his revolver, and shot two of the Enemy. Fourthly, for gallantry on the 23rd of February, at Meangunge, where he came to the assistance of Brevet-Major O. H. St. George Anson, and killed his opponent, immediately afterwards cutting down another of the Enemy in the same gallant manner.
60th Bengal Native Infantry	Brevet-Captain Robert Haydon Shebbeare Date of Act of Bravery, 14th September, 1857	For distinguished gallantry at the head of the Guides with the 4th column of assault at Delhi, on the 14th of September, 1857, when, after twice charging beneath the wall of the loopholed Serai, it was found impossible, owing to the murderous fire, to attain the breach. Captain (then Lieutenant) Shebbeare endeavoured to re-organize the men, but one-third of the Europeans having fallen, his efforts to do so failed. He then conducted the rear-guard of the retreat across the canal most successfully. He was most miraculously preserved through the affair, but yet left the field with one bullet through his cheek, and a bad scalp wound along the back of the head from another.
19th Madras Native Infantry	Captain Herbert Mackworth Clogstoun Date of Act of Bravery, 15th January, 1859	For conspicuous bravery in charging the Rebels into Chichumbah with only eight men of his Regiment (the 2nd Cavalry Hyderabad Contingent), compelling them to re-enter the Town, and finally to abandon their plunder. He was severely wounded himself, and lost seven out of the eight men who accompanied him.
72nd Bengal Native Infantry	Lieutenant Harry Hammon Lyster Date of Act of Bravery, 23rd May, 1858	For gallantly charging and breaking, singly, a skirmishing square of the retreating Rebel Army from Calpee, and killing two or three Sepoys in the conflict. Major-General Sir Hugh Henry Rose, G.C.B., reports that this Act of Bravery was witnessed by himself and by Lieutenant Colonel Gall, C.B., of the 14th Light Dragoons.

Regiment.	Rank and Name.	Act of Bravery for which recommended.
Madras Engineers ...	Lieutenant Harry North Dalrymple Prendergast Date of Acts of Bravery, 21st November, 1857, and other occasions.	For conspicuous bravery on the 21st of November, 1857, at Mundisore, in saving the life of Lieutenant G. Dew, 14th Light Dragoons, at the risk of his own, by attempting to cut down a Velaitee, who covered him (Lieutenant Dew) with his piece, from only a few paces to the rear. Lieutenant Prendergast was wounded in this affair by the discharge of the piece, and would probably have been cut down, had not the rebel been killed by Major Orr. He also distinguished himself by his gallantry in the actions at Ratgurb and Betwa, when he was severely wounded. Major-General Sir Hugh Rose, in forwarding his recommendation of this Officer, states:—"Lieutenant Prendergast, Madras Engineers, was specially mentioned by Brigadier, now Sir Charles Stuart, for the gallant act at Mundisore, when he was severely wounded; secondly, he was 'specially mentioned' by me when acting voluntarily as my Aide-de-Camp in the Action before besieging Ratgurb, on the Beena river, for gallant conduct. His horse was killed on that occasion. Thirdly, at the Action of 'the Betwa,' he again voluntarily acted as my Aide-de-Camp, and distinguished himself by his bravery in the charge, which I made with Captain Need's Troop, Her Majesty's 14th Light Dragoons, against the left of the so-called Peishwa's Army, under Tantia Topee. He was severely wounded on that occasion."
3rd Bombay European Regiment	Private Frederick Whirlpool Date of Acts of Bravery, 3rd April and 2nd May, 1858	For gallantly volunteering on the 3rd of April, 1858, in the attack of Jhansi, to return and carry away several killed and wounded, which he did twice under a very heavy fire from the wall; also, for devoted bravery at the Assault of Lohari on the 2nd of May, 1858, in rushing to the rescue of Lieutenant Doune, of the Regiment, who was dangerously wounded. In this service, Private Whirlpool received seventeen desperate wounds, one of which nearly severed his head from his body. The gallant example shewn by this man is considered to have greatly contributed to the success of the day.

MEMORANDUM.

Ensign Everard Aloysius Lisle Philipps, of the 11th Regiment of Bengal Native Infantry, would have been recommended to Her Majesty for the decoration of the Victoria Cross, had he survived, for many gallant deeds which he performed during the Siege of Delhi, during which he was wounded, three times. At the assault of that city, he captured the Water Bastion, with a small party of men; and was finally killed in the streets of Delhi on the 18th of September.
