"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four, section sixteen; of the Act of the second and third years of your Majesty, chapter forty-nine, section three; and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, section one; have prepared and now humbly lay before your Majesty in Council the following representation as to the assignment of a district chapelry to the consecrated church of Saint Paul, situate in the parish of Clifton, in the county of Gloucester, and in the diocese of Gloucester and Bristol.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of Saint Paul, situate at Clifton aforesaid.

"Now, therefore, with the consent of the Right Reverend Charles, Bishop of Gloucester and Bristol, testified by his having signed and sealed this representation, we humbly represent that it would, in our opinion, be expedient that all that part of the said parish of Clifton, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto also annexed, should be assigned to the said church, and the same should be named 'The District Chapelry of Saint Paul, Clifton.'

"And with the like consent of the said Charles, Bishop of Gloucester and Bristol, testified as aforesaid, we further represent, that it appears to us to be expedient that baptisms and churchings should be performed at such church, and that the fees to be received in respect thereof should be paid and belong to the minister of the same church for the time being; provided always that so long as the Reverend John Hensman, Incumbent of the said parish of Clifton, shall continue to be such incumbent, all such fees shall be paid by the incumbent of the said church, to the said John Hensman.

"We therefore humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such Order with respect thereto as to your Majesty in your Royal wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"All that part of the parish of Clifton, in the county of Gloucester, and diocese of Gloucester and Bristol, wherein the perpetual Curate of Clifton now possesses exclusive cure of souls, which lies to the east of an imaginary line commencing in the middle of the Queen's-road, on the boundary between the said parish of Clifton, and the parish of Saint Michael, Bristol, and extending thence north-westward along the middle of such last-mentioned road to a point opposite to the middle of the south-eastern end of another road or street called Richmond-hill, and extending thence westward along the middle of such last-mentioned road or street, across the said Queen's-road and along the middle of Pembroke-road, and to the south of an imaginary line, extending from

the said road called the Pembroke-road, along a road called the Oakfield-road."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, and it is hereby ordered, that the proposed assignment of a district chapelry to the consecrated church of Saint Paul, situate in the parish of Clifton, in the county of Gloucester, to be called "The District Chapelry of Saint Paul, Clifton," be accordingly made, and that the recommendations of the said Commissioners, with reference to the performance of baptisms and churchings in the said church, and with reference to the fees to be paid in respect of those offices, be carried into effect agreeably to the provisions of the said Acts; and Her Majesty is further pleased to direct that this Order be forthwith registered by the respective Registrars of the two several Registries of the diocese of Gloucester and Bristol, at Gloucester and Bristol.

Wm. L. Bathurst.

At the Court at Windsor, the 22nd day of October, 1859,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the fourth and fifth years of Her Majesty, chapter thirty-nine, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of August, in the year one thousand eight hundred and fifty-nine, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and of the Act of the fourth and fifth years of your Majesty, chapter thirty-nine, have prepared, and now humbly lay before your Majesty in Council, the following scheme for making better provision for the cure of souls in the new parish of Saint Peter, Walthamstow, in the county of Essex and diocese of London.

"Whereas the church of the said new parish of Saint Peter, Walthamstow, is in the patronage of the Incumbent for the time being of the vicarage of Saint Mary, Walthamstow.

"And whereas a sum of one thousand pounds has been deposited with us to be applied towards providing a house of residence for the Incumbent for the time being of the said new parish of Saint Peter, Walthamstow, upon the understanding that the arrangements hereinafter mentioned should be recommended by us to your Majesty in Council.

"Now therefore, with the consent of the Right Honourable and Right Reverend Archibald Campbell, Bishop of London, and of the Reverend Thomas Parry, Incumbent of the said vicarage of Saint Mary, Walthamstow (in testimony whereof they have signed and sealed this scheme), and in consideration of the said sum of one thousand

pounds so paid to us as aforesaid, we humbly recommend and propose, that the right of patronage of the said church of the said new parish of Saint Peter, Walthamstow, and of the nomination of the incumbent thereto, and to the church thereof, shall without any conveyance or assurance in the law, other than this scheme and any duly Gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the publication of such Order in the London Gazette be assigned to, and absolutely vested in, and shall and may from time to time be exercised by Edward Warner, of Higham's Hall, Woodford, in the said county of Essex, Esquire, his heirs and assigns, for ever, subject, nevertheless, to the right of the said Thomas Parry to present to the said church of Saint Peter, Walthamstow, during such time as he may continue vicar of the said vicarage of Saint Mary, Walthamstow.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of London.

Wm. L. Bathurst.

At the Court at Windsor, the 22nd day of October, 1859,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of August, in the year one thousand eight hundred and fifty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, have prepared and now humbly lay before your Majesty in Council the following scheme for making better provision for the cure of souls in certain parishes and districts.

"We humbly recommend and propose, that there shall be paid by us out of the Common Fund in the said Act mentioned, in each and every year, to the incumbent for the time being of each of the benefices or churches described in the First Schedule hereunto annexed, the annual sum set opposite to the name of each such benefice or

church in the last column of the same Schedule, by equal half-yearly payments on the first day of May, and the first day of November, in each year.

“And we further recommend and propose that the lands and premises, tithes, or rentcharges in lieu of tithes, and other hereditaments, particularly described in the Second and Third Schedules hereunto annexed, with their appurtenances, now vested in us, and all our estate and interest therein, shall, without any conveyance or assurance in the law other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, be transferred to, and become absolutely vested in, the several spiritual persons hereinafter mentioned; that is to say, that the tithes or rentcharges in lieu of tithes described in the Second Schedule hereunto annexed, arising out of or upon lands situate within the parish of Llanvor, in the county of Merioneth, and diocese of Saint Asaph, and forming part of the estates formerly belonging to the sinecure rectory of Llanvor, in the said county and diocese, shall be transferred to, and become absolutely vested in the perpetual curate or incumbent, for the time being, of the consolidated chapelry of Fron Goch, in the same county and diocese; and that the tithes or rentcharges in lieu of tithes, described in the Third Schedule hereunto annexed, arising out of or upon lands situate within the parish of Hints, in the county of Stafford, and diocese of Lichfield, and vested in us in right of the prebend of Hansacre and Armitage, in the cathedral church of Lichfield, shall be transferred to, and become absolutely vested in, the perpetual curate or incumbent, for the time being, of the perpetual curacy of Weeford with Hints, in the same county and diocese.

“And we further recommend and propose, with the consent of the Reverend John Wynne, clerk, the present vicar or incumbent of the vicarage of the parish of Llandrillo, in the county of Merioneth, and diocese of Saint Asaph, testified by his having signed and sealed this scheme, that the tithes or rentcharges in lieu of tithes, described in the Fourth Schedule hereunto annexed, arising out of or upon lands situate within the said parish of Llandrillo, with their appurtenances, forming part of the estates formerly belonging to the sinecure rectory of Llandrillo, within the said county and diocese, and now vested in us and all our estate and interest therein, shall in like manner, and by the authority aforesaid, be transferred to, and become absolutely vested in, the vicar or incumbent, for the time being, of the vicarage of the said parish of Llandrillo: Provided always, that the same tithes or rentcharges in lieu of tithes to be so vested as last mentioned shall be, and be deemed to be, in lieu of, and in full substitution for and discharge of, the annual sum or stipend of twenty-six pounds now payable by us to the vicar or incumbent for the time being of the vicarage of the said parish of Llandrillo, under the provisions of an Order of your Majesty in Council, bearing date the seventh day of August, in the year one thousand eight hundred and fifty-one.

“And we further recommend and propose, with the consent of the Reverend Thomas Griffith, clerk, the present vicar or incumbent of the vicarage of the parish of Cwm, in the county of Flint, and diocese of Saint Asaph, testified by his having signed and sealed this scheme, that the lands and premises described in the Fifth Schedule

hereunto annexed, and therein numbered 1, situate within the said parish of Cwm, and also the tithes or rentcharges in lieu of tithes described in the same Schedule, and therein numbered 2, arising out of or upon lands situate within the same parish, with their appurtenances, vested in us in right of the sinecure rectory of Cwm, within the said county and diocese, and all our estate and interest therein, shall in like manner, and by the authority aforesaid, be transferred to, and become absolutely vested in, the vicar or incumbent for the time being of the vicarage of the said parish of Cwm: Provided always, that the said lands and premises, and tithes or rentcharges in lieu of tithes, to be so vested as last mentioned, shall be, and be held to be, in lieu of, and in full substitution for, and discharge of, the annual sum or stipend of fifty pounds, now payable by us to the said vicar or incumbent, under the provisions of an Order of your Majesty in Council, bearing date the nineteenth day of May, one thousand eight hundred and forty-six.

“And we further recommend and propose, with the consent of the Reverend Albert Sydney Wilde, clerk, the present vicar or incumbent of the vicarage of the parish of Louth, in the county and diocese of Lincoln, testified by his having signed and sealed this scheme, that the messuages, lands, hereditaments, and premises, situate within the said parish of Louth, and described in the Sixth Schedule hereunto annexed, with their appurtenances, forming part of the estates formerly belonging to the prebend of Louth, in the cathedral church of Lincoln, and now vested in us, and all our estate and interest therein, shall in like manner, and by the authority aforesaid, be transferred to, and become absolutely vested in, the vicar or incumbent for the time being of the said vicarage of the parish of Louth: Provided always, that the same messuages, lands, hereditaments, and premises, to be so vested as last mentioned, shall be charged and chargeable with the liability to repair and maintain the chancel of the church of the said parish, and shall also be, and be held to be, in full satisfaction of any claim which the vicar for the time being of the said parish of Louth may, under the provisions of the “New Parishes Acts, 1843, 1844, and 1856,” or any or either of them, have to compensation for any loss of fees, dues, or other emoluments which he may sustain by reason of the formation of any district or districts to be hereafter constituted or taken out of the said parish of Louth.

“And we further recommend and propose, that nothing herein contained shall prevent the further augmentation by us of any of the said benefices or churches, if it shall be deemed fit, when there shall be sufficient means for that purpose; and that if it shall appear to us to be expedient, at any future time, that instead of the annual sum then in course of payment by us to the incumbent of any benefice or church, or instead of any part of such annual sum, a gross sum equivalent thereto should be substituted, or any land, tithe, or other hereditament, should be conveyed to such benefice or church in fee, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution, or from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the herein firstly-named Act, or of any other Act of Parliament.”

AT the Court at *Windsor*, the 22nd day of *October*, 1859.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of August, in the year one thousand eight hundred and fifty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, have prepared, and now humbly lay before your Majesty in Council, the following scheme for making better provision for the cure of souls in certain parishes and districts.

"Whereas certain benefactions, consisting either of capital sums of money, or of lands, tithes, tenements, or other hereditaments and premises, have been provided in favor of the several benefices and churches specified in the Schedule hereunto annexed, and such capital sums and other property have been paid over or secured to us or to the said benefices or churches, or some of them, upon the understanding that in consideration thereof the annual grants from the common fund

in the said Act mentioned which are set opposite to the names of the said benefices and churches in the same schedule should be recommended and proposed by us to your Majesty in Council.

"Now, therefore, we humbly recommend and propose, that there shall be paid by us out of the said common fund, in each and every year, to the incumbent for the time being of each of the benefices and churches described in the said Schedule hereunto annexed, the annual sum set opposite to the name of each such benefice or church in the last column of the same Schedule, by equal half-yearly payments, on the first day of May and the first day of November in each year.

"And we further recommend and propose, that nothing herein contained shall prevent the further augmentation by us of any of the said benefices or churches, if it shall be deemed fit; and that, if it shall appear to us to be expedient, at any future time, that, instead of the annual sum then in course of payment by us to the incumbent of any benefice or church, or instead of any part of such annual sum, a gross sum equivalent thereto should be substituted, or any land, tithe, or other hereditament, should be conveyed to such benefice or church in fee, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution, or from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

AT the Court at Windsor, the 22nd day of October, 1859.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of August, in the year one thousand eight hundred and fifty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, have prepared, and now humbly lay before your Majesty in Council, the following scheme for constituting a separate district for spiritual purposes out of the parish of Newbury, in the county of Berks, and diocese of Oxford, and the parish of Greenham (heretofore a chapelry in the parish of Thatcham), in the same county and diocese.

"Whereas it has been made to appear to us that it would promote the interests of religion that the portions of the said parishes of Newbury and Greenham hereinafter mentioned and described, such portions not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district for spiritual purposes in manner hereinafter set forth:

"And whereas by a deed bearing date the eighth day of August, in the year one thousand eight hundred and fifty-nine, and made or expressed to be made between the Reverend James Leslie Randall, rector of the rectory and parish church of Newbury aforesaid, of the first part, the Right Reverend Samuel, Bishop of Oxford, and as such bishop, patron of the said rectory of the second part, and us the Ecclesiastical Commissioners for England, of the third part, which deed is intended forthwith to be inrolled in your Majesty's High Court of Chancery, at Westminster, certain tithes or tenths, or portions of tithes or tenths, tithe commutation rentcharge, or portions of tithe commutation rentcharge, amounting in gross to the sum of one hundred pounds and one penny per annum, issuing, arising, and payable out or in respect of certain lands, tenements, and hereditaments situate within the said parish of

Newbury, and being portions of the tithes or commuted rentcharge in lieu thereof, belonging to the said rectory of the parish of Newbury, have been granted and secured to the minister or incumbent of the district hereinafter recommended to be constituted so soon as one shall be appointed and licensed, and to his successors, ministers or incumbents thereof, and, so soon as such district shall have become, under the provisions of the herein secondly named Act, a new parish for ecclesiastical purposes, then to the perpetual curate of the said new parish.

"And whereas a sum of two thousand four hundred and thirty-three pounds six shillings and eightpence Three Pounds per Centum Consolidated Bank Annuities has been contributed and transferred to our account, and into our name, in the books of the Governor and Company of the Bank of England, by John Frederic Winterbottom, of Tile Barn, in the parish of East Woodhay, in the said county of Berks, Esquire; the Reverend Henry William Majendie, Vicar of the Vicarage and Parish Church of Speen, in the same county; Henry Richard Eyre, of Shaw House, in the same county, Esquire; John Matthews, of Hill House, Greenham, in the same county, Esquire; Sarah Townsend, of Newbury aforesaid, Widow; William Nutley, of Newbury aforesaid, Brewer; and George Charles Cherry, of Denford House, in the same county, Esquire, upon the understanding that the annual payment hereinafter mentioned should be made by us to the minister or incumbent of the district hereinafter recommended to be constituted, so soon as one shall be appointed and licensed, and to his successors, ministers or incumbents thereof for the time being, and, so soon as such district shall have become a new parish as aforesaid, then to the perpetual curate of the said new parish:

"And whereas it has been proposed to us by the said James Leslie Randall, John Frederic Winterbottom, Henry William Majendie, Henry Richard Eyre, John Matthews, Sarah Townsend, William Nutley, and George Charles Cherry, and it appears to us to be expedient, that the whole right of patronage of the district or new parish hereinafter recommended to be constituted, and of the nomination of the minister or perpetual curate of the same, should be assigned to the said Samuel, Bishop of Oxford, and his successors, bishops of the same see.

"Now, therefore, with the consent of the said Samuel, Bishop of Oxford, in testimony whereof he has signed and sealed this scheme, we humbly recommend and propose, that all that part of the said parish of Newbury, and also all that part of the said parish of Greenham, which are described in the Schedule hereunto annexed (all which parts, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, and are thereon colored red and green), shall, upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, become and be together constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Saint John the Evangelist, Newbury.'

"And we further recommend and propose, that there shall be paid by us in each and every year, by equal half-yearly payments, on the first day of May and the first day of November, to the minister or incumbent for the time being of the district so recommended to be constituted, when duly licensed according to the provisions of the said secondly-named Act, and so soon as such district shall have become, according to the

provisions of the same Act, a new parish for ecclesiastical purposes, then to the perpetual curate of the said new parish the sum of seventy-three pounds, and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or the first day of November next after the day of the date of the licence of such minister or incumbent, as aforesaid; and that in case a vacancy in the ministry or incumbency of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or perpetual curate making the vacancy, or his personal representative or representatives, and the minister or perpetual curate succeeding to such district or new parish; provided always, that if it shall appear to us to be expedient at any future time that, instead of the annual sum then in course of payment by us to the minister or perpetual curate of the said district or new parish, or instead of any part of such annual sum, any land, tithe, or other hereditament should be conveyed or secured to such minister or perpetual curate and his successors in fee, nothing herein, or in any other scheme contained, shall prevent us from recommending and proposing such a substitution.

“And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and so soon as the same shall have become a new parish as aforesaid, then of the said new parish, and of the nomination of the minister or perpetual curate thereto, shall, without any assurance in the law other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in, and shall and may from time to time be exercised by, the said Samuel, Bishop of Oxford, and his successors, bishops of the same see for ever.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament.”

herein-before mentioned (except the provisions relating to the constitution or appointment and resignation of members of Burial Boards), and the provisions therein contained, shall extend to the district of such Board, and to such Board, or to the district of such Commissioners, and to such Commissioners, and to any burial-ground and places for the reception of the bodies of the dead previously to interment, which may be provided by such Board or by such Commissioners, in like manner as to any parish or parishes and the Burial Board thereof, and any burial-ground and any such places as aforesaid provided by such last-mentioned Board, save that no approval, sanction or authorization of any vestry shall be requisite. Provided always, that notice of such petition, and of the time when it shall please Her Majesty to order the same to be taken into consideration by the Privy Council, shall be published in the London Gazette, and in one of the newspapers usually circulating in the district of such Local Board or of such Commissioners, one month at least before such petition is so considered.

And whereas the **BIRKENHEAD IMPROVEMENT COMMISSIONERS**, appointed under certain Acts of Parliament in that behalf, for the townships of Birkenhead and Cloughton-cum-Grange, have, under the provisions of the above recited Act, presented a Petition to Her Majesty in Council, stating that in the month of April, 1857, an Order in Council was made for closing the burial-grounds therein mentioned within the said township of Birkenhead, subject to the exceptions or qualifications therein set forth; that there is difficulty and inconvenience in providing requisite places of burial for the inhabitants of the above-named townships under the powers of the Acts passed in the fifteenth and sixteenth years of Her Majesty's reign, chapter eighty-five, and in the sixteenth and seventeenth years of Her Majesty's reign, chapter one hundred and thirty-four; that the district of the said Commissioners is co-extensive with the district for which it is proposed to provide a burial-ground, and that no Burial Board has been appointed for such district; and praying that powers should be vested in the said Birkenhead Improvement Commissioners for providing such place or places of burial as may be requisite for the inhabitants of the said townships of Birkenhead and Cloughton-cum-Grange under the provisions of the said Acts.

And whereas notice of such petition, and of the time when Her Majesty was pleased to order the same to be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council, has been duly published as required by the said Act.

Now therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that the said **BIRKENHEAD IMPROVEMENT COMMISSIONERS** shall be a **BURIAL BOARD** for the district of such Commissioners, in accordance with the provisions of the said Act, passed in the session of Parliament held in the twentieth and twenty-first years of Her Majesty's reign.
