

**A**T the Court at *Windsor*, the 22nd day of *October*, 1859.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of August, in the year one thousand eight hundred and fifty-nine, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, have prepared, and now humbly lay before your Majesty in Council, the following scheme for making better provision for the cure of souls in certain parishes and districts.

"Whereas certain benefactions, consisting either of capital sums of money, or of lands, tithes, tenements, or other hereditaments and premises, have been provided in favor of the several benefices and churches specified in the Schedule hereunto annexed, and such capital sums and other property have been paid over or secured to us or to the said benefices or churches, or some of them, upon the understanding that in consideration thereof the annual grants from the common fund

in the said Act mentioned which are set opposite to the names of the said benefices and churches in the same schedule should be recommended and proposed by us to your Majesty in Council.

"Now, therefore, we humbly recommend and propose, that there shall be paid by us out of the said common fund, in each and every year, to the incumbent for the time being of each of the benefices and churches described in the said Schedule hereunto annexed, the annual sum set opposite to the name of each such benefice or church in the last column of the same Schedule, by equal half-yearly payments, on the first day of May and the first day of November in each year.

"And we further recommend and propose, that nothing herein contained shall prevent the further augmentation by us of any of the said benefices or churches, if it shall be deemed fit; and that, if it shall appear to us to be expedient, at any future time, that, instead of the annual sum then in course of payment by us to the incumbent of any benefice or church, or instead of any part of such annual sum, a gross sum equivalent thereto should be substituted, or any land, tithe, or other hereditament, should be conveyed to such benefice or church in fee, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution, or from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

" SCHEDULE.
