THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Monday the 31st instant, at half past one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores, at Deptford,

Tenders may be made for the whole or any portion of the articles.

Their Lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole or for such part thereof only as they may deem fit, or for a greater quantity, or of not contracting for any, and also an unlimited power of selection.

Samples of the vinegar (not less than a quart), which the parties tendering may purpose to supply, must accompany their tenders, as the delivery will be required to be made in accordance with the samples which may be accepted, and the vinegar tendered to be No. 20, trade denomination.

The vinegar to be delivered in good, sound, strong, and substantial casks, which are to be retained as long as required by the said Commissioners or their officers without payment therefor, but are to be taken back from the said Victualling Stores (when emptied) by and at the expense of the contractor.

The samples produced by persons whose tenders are not accepted are requested to be taken away by them immediately after the contract has been decided.

No tender will be received unless made on the printed form provided for the purpose, and which may be obtained on application at the said Office, or to the Officer conducting the Packet Service at

Liverpool, or to the Collector of Customs at Bristol.

Particular attention is called to the recent modification of the conditions of the contract, which may be seen at the said office, and at Liverpool and Bristol.

No tender will be received after half past one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the Office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for Vinegar," and must also be delivered at Somerset-House.
