India Office, November 8, 1859.

THE following paper has been received by the Secretary of State for India in Council.

Extract of a Letter from the Secretary of the Government of India to the Adjutant-General of the Army, dated Allahabad, 17th November, 1858.

I AM directed to acquaint you, for the information of his Excellency the Commander-in-Chief, that the Governor-General is of opinion that the military arrangements made by Major-General Reed, in the Punjab, in concert with the civil authorities, during the early period of the mutinies in the North-Western Provinces in 1857, well merited the approbation which the officers received at the time from the late Commander-in-Chief; and that his Lordship is fully satisfied that, from the 5th of July, when the decease of Major-General Sir H. Barnard, took place, to the 17th of that month, when ill-health obliged Major-General Reed to quit the camp before Delhi, that Officer, in assuming the command of the besieging force, and in directing its operations, performed a service which deserves the acknowledgments of Government.
