WHEREAS by an Act of Parliament, passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury from time

to time, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and to make and establish any new or other rates in lieu thereof.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act, passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the post office."

And whereas certain powers are also given to the Commissioners of Her Majesty's Treasury by another Act, passed in the eighteenth year of the reign of Her present Majesty, intituled "An Act to amend the laws relating to the stamp duties on newspapers, and to provide for the transmission by post of printed periodical publications."

And whereas by the said recited Act, passed in the fourth year of the reign of Her present Majesty, and by divers Warrants, under the hands of the Commissioners of Her Majesty's Treasury, certain rates of British postage have been established and made payable on the transmission by the post of certain British, colonial, and foreign newspapers therein respectively mentioned.

And whereas it is expedient that such additional rates of postage should be charged on certain British, colonial, and foreign newspapers sent by the post as are hereinafter mentioned;

Now We, the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in us, in and by the said before-mentioned Acts, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant (under the hands of two of us, the said Commissioners, by the authority of the statute in that case made and provided), order and direct as follows (that is to say):—

1. On every printed newspaper, whether British, colonial, or foreign, transmitted by the post between any ports or places beyond the seas, through the United Kingdom, by British packet-boat, via Southampton and Egypt, or between any ports or places beyond the seas, by British packet-boat, via Egypt, without passing through the United Kingdom, there shall be charged and paid, in addition to any other postage now payable thereon, a further and additional rate of British postage of one penny, and in all cases in which such respective newspapers are liable, on the transmission thereof by such respective routes, to progressive rates of postage, according to the scale of weight contained in any such Warrants as aforesaid, the additional rate of one penny payable under this present Warrant shall be calculated and paid in respect of each such progressive rate;

2. Every printed supplement or additional sheet to any newspaper shall, for the purpose of charging the postage under this Warrant, be deemed a distinct newspaper, unless sent in the same cover or together with the newspaper to which it is a supplement or addition, and every printed newspaper transmitted by the post under this present Warrant shall be so transmitted in conformity with and under and subject to the several regulations, orders, directions, and conditions relating to newspapers mentioned and contained or referred to in and by clause 7 of a certain Warrant of the

Commissioners of Her Majesty's Treasury, bearing date the sixteenth day of February, 1859.

3. The respective newspapers transmitted by the post under the provisions of this Warrant shall, when redirected and again forwarded by the post, be subject to the several orders, directions, regulations, and rates of postage respectively contained in a certain other Warrant of the Commissioners of Her Majesty's Treasury, bearing date the nineteenth day of February, 1855, relating to redirected rates of postage upon letters and packets respectively redirected and again forwarded by the post.

4. Nothing in this Warrant before contained shall be deemed or construed to extend to any newspapers transmitted to or from the United Kingdom via Marseilles, or to newspapers contained in the French or Spanish mails passing through Egypt, or to any newspapers to be transmitted by the post, under the provisions of the said Warrant of the Commissioners of Her Majesty's Treasury, bearing date the sixteenth day of February, 1859, and amended by a certain other Warrant of the Commissioners of Her Majesty's Treasury, bearing date the tenth day of March, 1859, all which respective newspapers shall be charged and chargeable as if this present Warrant had not been made.

5. The term "newspaper," used in the several clauses of the said Warrant, bearing date the 16th day of February, 1859, and in clauses Nos. 1, 2, and 3 of this present Warrant, shall include all publications admitted to the privileges of a newspaper under the provisions of the said recited Act passed in the eighteenth year of the reign of Her present Majesty, and the several other terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said recited Act passed in the fourth year of the reign of Her present Majesty.

6. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands duly made, at any time hereafter alter, repeal, or revoke any of the rates of postage hereby fixed, or any of the orders, regulations, conditions, or restrictions hereby made, and may make and establish any new or other rates, orders, regulations, conditions, or restrictions in lieu thereof, and from time to time appoint at what time the rates which may be payable are to be paid.

7. This Warrant shall come into operation on the first day of January, 1860.
